## Recognizing Business Partners in Education

During the 2004-2005 school year, the DuPage High School District 88 Board of Education began **recognizing business partners** during a signing ceremony at the Educational Focus meeting each month. The initiation of the Business Education Partnership Program **not only creates visibility for local businesses and organizations but also symbolizes a joint commitment to improving student achievement.**

The learning communities of Addison Trail and Willowbrook High School **value the leadership, generous contributions and continuous support** that the following partners demonstrate to our students and staff:

Addison Chamber of Commerce & Industry

Addison Floral

College of DuPage

Crowe Chizek

DeVry University

DuPage Tire & Auto Center

Edward Jones

GlenOaks Hospital

Holiday Inn

Kiwanis Club of Addison

## Creating Connections Through Mentoring

Addison Trail High School, in conjunction with the Addison Business-Education Partnership Planning Council and Addison School District 4, **initiated a mentoring program this school year to mutually benefit the schools and the community.** Approximately 60 professionals from the local business community and area residents volunteered to meet with a high school or junior high school student once a week, for one-half hour during the school day.

The purpose of the program, which was successfully launched in November 2004 and concluded in June 2005, was to **foster a caring relationship between the mentor and student.** Research shows as a result of mentor relationships, **students pay better attention in classes, earn higher grades, and possess more enthusiasm and interest in school events.** Mentors can also help the adolescents focus on the future by identifying goals and developing strategies to reach these objectives.

Overall, the program had a **positive and lasting impression on students** through the mentor's contributions of friendship, motivation, and encouragement. The program **could not have existed without the support of the following organizations and companies who had mentors volunteer in the program:**

Addison Fire Department

Addison Park District

Addison Police Department

College of DuPage

DeVry University

La Hacienda De Los Fernandez

La Magdalena

Minuteman International

Oxford Bank

School District 4

School District 88

Tenacious Cleaning Service

UPS

Village of Addison

If you would like to become involved in the mentor program next year, please contact Sherri Amsler, Director of Community Relations, at (630) 530-3989. The next training session for interested mentors will be conducted in **September 2005.**

## Teen and Adult Summer Reading

Through Saturday, July 30

There is still time to join

**Wander the World — Read!**

Read a total of six books to complete the program.

Unabridged audiobooks also qualify. The first 300 people who finish earn an Addison Public Library key ring. All finishers are entered in the Grand Prize drawings, which take place on August 3. Winners will be contacted.

Each book read during the month of July earns an entry into the monthly drawing. The total number of entries for the combined June and July drawings is limited to SIX. Earn one bonus entry when you read an additional book from one of our booklists. Participants can win only one prize in July. Monthly winners still qualify for Grand Prize drawings.

**PLEASE NOTE:** Attendance at Library programs and events constitutes consent to be photographed for Addison Public Library publicity purposes.

## Magnificent Munich

Monday, August 1, 10 a.m.

Join us for a fascinating slide presentation about Magnificent Munich. Gail and Al Popowits have lived in Munich and have revisited it on many occasions. In that time they have come to appreciate this glamorous, cosmopolitan metropolis with its world class museums, stately parks, and distinctive architecture.

In this slide presentation we will visit Marien Platz, Mary's Square. In this historic heart of Munich's Viktualien Market, tourists and natives alike enjoy snacking on little white sausages smothered in sweet mustard and Brezen—a salty twisted bread—and drinking hearty Bavarian beer. The Residence is the home of the Wittelsbach family, who ruled Bavaria for more than 500 years. We will travel to Dachau, the infamous WW II death camp. We will enjoy Christmas celebrations in the heart of Munich; Fasching, Munich's Mardi Gras; and much more.

Al and Gail Popowits have lived and traveled in Europe for the past 20 years. They have been European tour guides, have taught travel courses, and have given numerous slide presentations throughout Chicagoland.

## Leave Fireworks to the Pros

Did you know that a sparkler burns at up to 1800° Fahrenheit? According to Prevent Blindness America, nearly 13,000 people in the U.S. are treated in hospitals each year for injuries caused by fireworks. Fireworks should be left to professionals. This 4<sup>th</sup> of July, plan to bring the family to one of the many public fireworks displays throughout the area. These displays are spectacular and definitely safer for everyone. Addison will have a fireworks display on the 4th at Community Park, 120 E. Oak, at dusk.

## Fire District Awarded Grant

The Addison Fire District was awarded its 4<sup>th</sup> Assistance to Firefighters grant. The annual grant is awarded to fire departments throughout the United States and is administered through the Department of Homeland Security. Under the \$92,000 grant, the fire district purchased new rescue equipment and upgrades to current self-contained breathing apparatus. Previous awards under this program included funds to purchase new turnout gear, thermal imaging cameras, and an exhaust extrication system for fire station #1.

Firefighters practice using new vehicle stabilization equipment.

**Retirement**  
Firefighter/Paramedic Tom Egan retired in February after 28 years of service. In addition to his firefighter/paramedic duties, Egan was a certified fire investigator and member of the fire photography team. Egan resides in Lombard with his wife Carol. The Egans have two adult children, Patrick and Kathleen.

## Welcome New Members

In April, the Addison Fire District welcomed four new firefighter/paramedics to the department. Paul Pacific, Joe McGuire, Phil McLeese, and Chris Drews were hired to fill vacancies left by recent employee retirements.

NEWS FROM THE

# Village of Addison

Mid-SUMMER 2005

## From the Mayor's Desk ...

*Two land-use questions that the elected officials and I are often asked are: "Why doesn't the Village of Addison have a bookstore, or more clothing stores?" and "Why not just leave the empty lot near my home as open space?"*

*First, the Village does not control what types of retail business will locate in Addison. Commercial property is usually owned by a developer, who markets the buildings and stores on that land to retailers. The retailers look at the potential of opening their store in that location usually based on a market analysis of the surrounding region. Strictly citing a need for a certain type of retailer in town does not always prompt the corporate owners of a store to look at that location. The Village's role in economic development is to advise potential new businesses on properties that they may be interested in, and assist in the regulatory process of locating a new business to town, especially if any zoning or other special use questions are involved. These matters require consideration by the Plan Commission, Zoning Board of Appeals, or Village Board. The Community Development Department staff keeps in contact with local area developers and occasionally attends industry trade shows to solicit potential commercial development.*

*Secondly, when a resident moves into their home, with vacant, privately-owned property nearby, it may seem like nothing will ever be built there. However, open space is usually owned by a private party, and the property has a zoning classification for its future development. Owners of property have the right to use their land for*

## Homeowners Beware the Sewer Rip-Off Artists

The Public Works Department, Environmental Services Division responds to thousands of service requests for various environmental concerns within the community annually, but one of the most commonly misunderstood is the general service request for a sewer blockage.

If your residence is experiencing a sewer blockage, you may contact Environmental Services during normal work hours (8 a.m – 4 p.m.) at 279-2140, or the Addison Police non-emergency number after hours at 543-3080, to report a sewer problem or blockage creating an interruption in sewer service.

The Sewer Division responds to more than 1,000 sewer service requests for sewer service blockages per year and the most common question is, "When should I call a plumber and what is the Village's liability?"

The Village's sewer service liability ends at about the inside edge of your sidewalk, or approximately fifteen feet from the curb-line in most neighborhoods. From that point to the home is the property owners liability.

Although the Village does not maintain the piping on private property, or in the home, we can come to your home on a service request and help identify the point of blockage and inform you as to whether the problem is the Village's liability or a plumber will be required.

Village liability issues are resolved by the Village. If the homeowner does call a plumber and the problem is later found to be a Village of Addison liability, the Village may reimburse the homeowner to a maximum of \$200 with proper documentation.

## Addison Police Department Website

Have you ever wanted to find out information about the police department but didn't know where to look or how? Well, here is a simple way to find out anything you need.

The police department is part of the Village of Addison website at [www.AddisonAdvantage.org](http://www.AddisonAdvantage.org). Once on the website, you can click on various governmental agencies. To get to the police department, click on the police icon and it brings you to the department's web pages.

The website is broken down into categories to include:

- Our history
- Field Services
- Support Services
- Crime Prevention Programs
- Sex Offenders
- Frequently Asked Questions
- Compliment, Concerns, and Complaint
- Hiring opportunities
- 2004 Annual Report
- 2005 Strategic Plan
- 2004 Community Satisfaction Survey

The Sex Offender category has a current list of individuals that live in our Village. The information includes their name, address and a picture.

The frequently asked questions category includes directions, where to go to pay a fine, where to purchase Village vehicle stickers, or what do in reference to solicitors.

Each category is designed to provide the necessary information as well as who to contact for each of these categories. Also, each category is updated frequently with new and current information dealing with special events and changes within the department.

## New Police Command Staff Sworn In

On Monday, May 23, the new Command Staff for the Addison Police Department were sworn in.

Commander Bill Babyar, an Addison Police Officer for more than 20 years, was sworn in as Deputy Chief; he will work alongside Deputy Chief Larry Stoll. Babyar previously served as a patrol officer, detective and patrol sergeant.

**The new Command Staff – (left to right) Bill Babyar, Russell Schecht, John Moffit and Michael Simo – receive congratulations from the Village Board after taking their oaths.**

**Commander Bill Babyar (right) is sworn in as the Addison Police Department's new Deputy Chief by Village Clerk Lucille Zucchero as Mayor Larry Hartwig looks on.**

S e r g e a n t Michael Simo, also with the department for more than 20 years, was sworn in as the new

Watch Commander. He had been assigned to the patrol and detective divisions before being promoted to sergeant in 1999 to oversee the Traffic Unit, Gang Tactical Unit, crossing guards and fleet management.

Patrol Officers Russell Schecht and John Moffit were chosen by Police Chief Bill Hayden as the two new sergeants in the Addison Police Department.

## Best Pizza in Town? You Decide at 'Addison By the Slice'

Another helping of "Addison By The Slice" is just around the corner.

With more than 2,000 attendees last summer, the Village of Addison Pizza Bakeoff is back by popular demand.

On Aug. 2, come out and taste the best pizza that Addison has to offer for just \$1.00. Samples will be available from every vendor from 6 until 9 p.m.

Judges will award titles in categories including Best Deep Dish/Stuffed, Best Thin Crust, Best Specialty, Best Sausage, and Judge's Choice.

But the big award – People's Choice – is determined by you! Voting will take place from 6 until 8:30 p.m.

It all takes place on the Village Green, east of Village Hall, and once again the great sounds of the Limited Edition Big Band will be playing for your enjoyment. The concert begins at 7:30.

Don't forget to stop by the Addison Police Department's National Night Out booth. It will be a night of food and fun for the entire family.

"Addison By the Slice" is just one of the events that are making this summer special in Addison.

Tuesday, July 5, enjoy an ice cream social during the weekly Concert in the Park. Vendors from throughout Addison will offer cool treats for a summer evening.

During both these events, the Historical Museum and Century House will hold special hours.

On July 5, the buildings will be open for tours from 6 - 7:30 p.m.

On Aug. 2, they will be open from 6 - 8 p.m.

For the past three years, the "Addison By the Slice" pizza contest has allowed residents to sample pizza from many vendors and vote for their favorite.

### Sidewalk Repairs

Each year, the Village of Addison awards a contract for the removal and replacement of sidewalk trip hazards throughout the community.

This budget year, the Village Board has allocated \$245,000 toward the Resident Cost Sharing Sidewalk Replacement Program as well as sidewalk trip hazard mitigation. The majority of work scheduled for this year's program is located in the area north of Lake St. to I-290 and from Fischer Dr. east to Addison Rd.

If you are interested in the Cost Sharing Sidewalk Replacement Program for the 2006 construction season, please call Public Works at 620-2020. Due to limited resources, this program is on a "first come, first served" basis. The estimated resident's cost for the removal and replacement of a 5'x5' sidewalk square is approximately \$50.

what ever the zoning classification will allow. Just like the owner of a single-family home, the owner of vacant land may sell their property, petition to resubdivide the land, and, in the case of unincorporated property, seek annexation to the Village. Annexation is not something that the Village Board is required to grant. Petitioners seeking annexation are often doing so to receive Village services such as water and sewer utilities. When the

owner of vacant land seeks to develop the property, it must be done within the zoning regulations for that property. If the land is zoned for commercial or multi-family residential use, that is what the owner is permitted to use it for. If the owner seeks to annex or re-zone the property, they must first petition the Village for such a change, which is subject to a public hearing before the Village Board and Plan Commission, where nearby residents, property owners and any other interested parties may give testimony regarding the proposal.

If you are uncertain about the zoning classification of a vacant piece of land, you can always check its status by contacting or visiting the Village's Community Development Department.

I hope that the explanations of these two issues helps you better understand the role of the Village of Addison and your elected officials.

Respectfully,

Larry Hartwig  
Mayor

CUT & SAVE

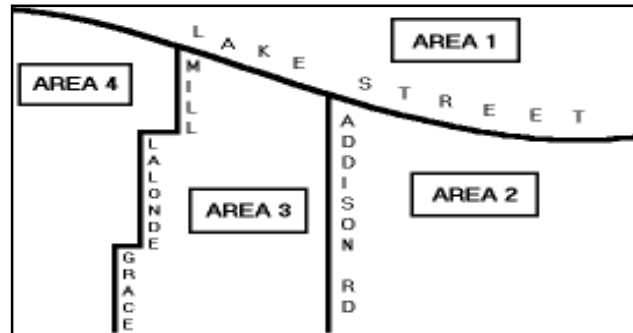

## Branch Pickup Service Ends in October

The Village of Addison offers seasonal branch pickup service to residents from April through October. Branch pickup dates are determined by the area of town in which one resides.

Branches should be out on the parkway the **Sunday before their scheduled pickup**. Village crews will pass down the street only once during each week. Only one collection will be made per area per month.

The requirements are as follows:

- Branches should be on the parkway, **not** the street, stacked in one direction with the thicker end facing the street. Please do **not** cross stack branches.
- Branches should be limited to eight feet in length and eight inches in diameter.
- Limbs larger than eight inches in diameter should be cut into 16-inch log lengths and placed separately from the branches. Logs will be picked up Thursday or Friday of that week.
- Branches should **not** be tied with string, wire, etc.
- No root balls, lumber or landscape waste will be collected.
- No contractor cuttings will be picked up by the Village.**

- AREA 1: First Monday of the month**  
All streets north of Lake Street.
- AREA 2: Second Monday of the month**  
All streets south of Lake Street and east of Addison Road.
- AREA 3: Third Monday of the month**  
All streets south of Lake Street, west of Addison Road and east of, and including, Grace/LaLonde/Mill.
- AREA 4: Fourth Monday of the month**  
All streets south of Lake Street and west of Grace/LaLonde/Mill.

AREA 1	AREA 2	AREA 3	AREA 4
July 5 (Tues.)	July 11	July 18	July 25
Aug. 1	Aug. 8	Aug. 15	Aug. 22
Sept. 6 (Tues.)	Sept. 12	Sept. 19	Sept. 26
Oct. 3	Oct. 10	Oct. 17	Oct. 24

**There will be no pickup the weeks of August 29 or October 31.**

If you have any questions, please call the Public Works Department at 620-2020.

## “Rip-Off Artists”

continued from page 9

The Village has received numerous complaints that plumbers are charging exorbitant rates for service, or that they have charged for services that **DID NOT** resolve the problem. We have investigated some of these complaints and the fees have, at times, seemed very high for the level of services provided. The Village of Addison can not dictate, or legislate plumbers fee structures – the homeowner must beware!

When a plumber is required for service, there are steps that you can take to help avoid “the rip-off artist.”

- Ask for a fee structure and get a “not-to-exceed” dollar amount before the service. An average service call will cost \$150 dollars and the service call should resolve your blockage in almost every case.
- Get a return guarantee for service. The plumber should provide you with a written guarantee to rod the service again (at no charge) if the blockage reoccurs within 90 - 120 days, sometimes longer.
- Check that the plumber is state licensed and bonded and is a registered plumber. The Community Development Department has a listing of plumbers who are state licensed and bonded and registered with the Village.
- Ask for a 24 hour emergency call out policy.

### Phone First

Again, if the homeowner uses a plumber and the problem is later found to be Village of Addison liability, the Village will only reimburse the homeowner to a maximum of \$200. This maximum reimbursement will not cover larger costs such as installation of cleanouts so please, homeowner beware.

For any questions or concerns contact Public Works – Environmental Services Division at 279-2140.

## County Recycles Paint

Residents may drop off unwanted latex paint to be recycled at the DuPage County Public Works Department Woodridge Waste-water Treatment Facility, at 7900 S. Route 53, in Woodridge.

Drop off times are Monday through Friday, 8 a.m. - 2 p.m., June 1 through Aug. 13, excluding July 4; also, 8 a.m. - 2 p.m., Saturdays June 11, and 25, July 9 and 23 and Aug. 13.

Usable paint will be filtered and rebled into a variety of colors, types and finishes.

Residents, businesses, schools, churches and community groups may pick up free 5-gallon buckets of recycled paints Monday through Friday only, June 1 through Aug. 13 (excluding July 4) 8 a.m. - 2 p.m.

For information, call the DuPage County Public Works Department at 630/985-7400.

## Job Fair Schedule

The Village of Addison and Rotary Club of Addison will continue to partner to bring together local businesses and potential workers.

Job Fairs are planned on July 27, Sept. 28, Oct. 26 and Nov. 16. Job Fairs will be held in the Village Hall rotunda from 3 - 6 p.m., and will feature local businesses as well as educational opportunities from College of DuPage – Addison Center, and DeVry University. COD also frequently sponsors free workshops during the job fairs.

For more information, watch Addison Community Television, or check the village website at [www.addisonadvantage.org/job\\_fair.htm](http://www.addisonadvantage.org/job_fair.htm).

## Children's Theatre

Tickets for the final performances of the Children's Theatre Workshop are on sale at the Park District, and will be available at the door for the July 21 and 22 performances at 7 p.m. at Concord Lutheran School. The cast is made up of children ages 8 to 15. For information, call 833-0100.

The program is sponsored by Addison Community Theatre and the Cultural Arts Development Commission.

# 4 EDUCATION

Mid-Summer  
2005

Published by the Board of Education of School District 4

## Building renovation underway

Summer is here and the long-awaited improvements which have been planned for District 4 schools are in full swing. The process began over a year ago when district voters approved a building bond referendum which would allow the school district to borrow funds needed to make major renovations to aging school buildings. Last summer, the district sold the first set of bonds and began the search for architects who would plan and design building changes. STR Partners was hired last July to begin architectural work.

The next step in the process involved interviewing and hiring a company to serve as construction manager for the project. At the October 26 Board of Education meeting, Gilbane Co. was approved as construction manager.

Over the past year, STR has met with staff members to gather input about needs specific to each building.

Gilbane proposed a construction schedule, accelerated from the original plan, in which work will be completed in all District 4 school buildings in 30 months. Construction bid packages have been proposed and accepted for work to be done this summer.

The changes most visible to the public will be made outside of Indian Trail Junior High School. A new parking lot design will increase safety and improve traffic flow for buses and cars. Bus pick-up and drop-off will be moved to the west side of Indian Trail and a new parent driveway will be constructed on the east and south side of the building to facilitate student drop-off and pick-up. A new road is going to be added to connect the driveway on the north side of Indian Trail with Highview Avenue. Parking spaces will be added to the main parking lot, on the north side of the building and on the east side of the building. In the front of Indian Trail, traffic flow will be reversed from its current direction. Once construction is complete, cars will enter the southmost driveway and exit from the driveway on the north. Another major change is a new driveway off of Army Trail Blvd. which will align with Lincoln Avenue and will connect with the new drop-off/pick-up driveway. Most changes will be completed this summer, but the new traffic flow plan will not be implemented until the 2006-07 school year.

Other building work to be completed this summer is important but not as visible as the Indian Trail site work. Ardmore, Army Trail and Fullerton will have floor and ceiling

(continued on page 18)

## New student registration & fees

Families who are new to Addison School District 4 may pick up registration materials for the 2005-06 school year during summer at the Administrative Office, 222 N. Kennedy Drive. Office hours are 7:00 am - noon and 12:30-4:30pm.

The student fees for the 2005-06 school year are as follows:

Kindergarten	\$38
Grades 1-5	\$47
Grades 6-8	\$74

Fees cover consumable materials such as work sheets and periodicals used by students. Junior high students must also purchase a gym locker lock (\$5.50) and a gym suit (\$19.50).

Paid busing is also an option for those elementary students who live within .9 mile of their elementary school or for junior high students who live within 1.5 miles of Indian Trail. For parents who make a one-time payment, the fee is \$285. Those who choose a six-month installment plan will pay \$305.

Lunch costs have also been established. Elementary students will pay \$1.90 a day for a complete lunch. The daily junior high lunch price will be \$2.00.

Students involved in athletics, band, orchestra or choir will also be required to pay a fee of \$20 in order to participate in these activities.

## Health requirements

All students new to the district, as well as those entering kindergarten and fifth grade, are required to present proof of a recent physical exam and current immunization record in order to attend classes in fall.

Immunizations are available from the DuPage County Health Department for \$10 for each vaccine. Parents must accompany their children to the clinic and must present their children's current immunization records in order to receive the vaccine.

**Walk-in Immunization Clinics are available at:**

Clinic hours are Tuesday from 3:00-6:30pm  
(NO clinic on the 1st Tuesday of each month)

**CHILDREN WILL BE EXCLUDED FROM SCHOOL FOR THE 2005-06 SCHOOL YEAR UNTIL THEIR IMMUNIZATIONS AND PHYSICAL EXAMS ARE CURRENT.**

## Bell to Bell

View from the  
Addison School District 4  
Superintendent

*The summer projects have gotten off to a very good start. All projects are on schedule as of the first week in July. Bruce Bare, Gilbane Company construction manager is moving our general contractors along to keep everyone on schedule. We are very pleased with the progress so far.*

*We are looking forward to having Army Trail, Ardmore and Fullerton Schools completely air conditioned by the time school begins. The site work around Indian Trail Junior High School is progressing very well. The parking lot area will be completed by August 22 and the rest of the site work construction will be completed next summer.*

*Summer school located at Lincoln Elementary School is going very well. We are providing support services in reading and math to approximately two hundred Addison 4 students. We will begin a three week summer school session in August for seventy-five bilingual students. This program should be very helpful to those students as they begin the school year on August 29, 2005.*

*On a personal note, I want to thank the supportive Addison community for making my first year as superintendent of Addison School District 4 so enjoyable. And my wife, Carol, and I thank all of you who have extended your warm welcome. Addison is an exciting community to be part of and it is my privilege to serve the Addison School District 4 and community.*

*Enjoy the remaining months of summer.*

Sincerely,

Dr. Donald Hendricks  
Superintendent

# First day of school is Monday, August 29

For many years, District 4 scheduled the first day of school for the Wednesday before Labor Day. Students began on Wednesday because teacher institute days were held on Monday and Tuesday of that week. This year, however, a change has been made. Students begin classes on **MONDAY, AUGUST 29** and they will have a full week of school before the Labor Day holiday.

## 2005-2006 First Semester Dates

\* NO SCHOOL

The complete school year calendar is available on the District 4 website: [www.asd4.org](http://www.asd4.org)

Stone School 5th graders in Stacy Hahn's class turned their classroom into an Amazon rainforest during the second semester of the school year. Students researched animals and plants native to the rainforest. They wrote reports, built models and created a film in which each student presented information about the animals and plants they'd studied. This project 'grew' from the study of biomes that is part of the regular 5th grade science curriculum.

## Lacni joins school board

Steve Lacni was elected in April to begin serving as the newest member of the District 4 Board of Education. Lacni cited three main reasons he wanted to join the school board--his belief in public education, in community schools and a quality education as one of the most valuable things we can give our young people.

"With the referendum that passed last year, the district has an opportunity to do even greater things for kids," said Lacni. "Construction of building additions, upgrading facilities, upgrading technology and curriculum choices are some of the things that will be addressed in the upcoming year. As an educator, I have experienced first hand how all of these important parts impact the educational process."

Lacni lists his goals as a board member as follows:

- To ensure a quality education for all students in the district
- To work with the community to address the education needs of all students
- To work with parents, students, teachers, and administrators to meet the goals of No Child Left Behind
- To ensure the funds from last year's referendum are used to benefit the students of the district
- To use his experience in education to assist the board in curriculum, teacher negotiations, and fiscal matters.

In his time on the school board, he has already seen the approval of a five year teacher contract and the beginning of the school renovation construction work. Lacni is also hoping to improve communication with District 4 residents who live in Wood Dale by arranging to have Board of Education meetings broadcast on Wood Dale's local access cable television channel.

Lacni, who is a high school math teacher and athletic director at Elk Grove High School, lives in Wood Dale with his wife, Maureen, and their three children.

## Many thanks to businesses for their support

District 4 continues to receive tremendous support from local businesses.

*Lincoln School principal, Guillermo Heredia, accepts \$500 check from WalMart.*

In April, the winners of the district Battle of the Books competition celebrated their victories over pPizza. The 4th grade team from Lincoln School and the 5th grade team from Stone School enjoyed a luncheon compliments of Home Run Inn.

We are very grateful for the support of our local businesses!

Indian Trail Junior High, Lincoln and Stone Schools each received \$500 grants from the new Addison WalMart in May.

Ardmore School teacher, Aleida Vekony, was honored by the Villa Park WalMart as a Teacher of the Year. Along with the honor, Vekony received a \$50 gift card and Ardmore School received a \$1000 check from WalMart.

In early May, Culver's of Addison once again sponsored three CHARACTER COUNTS! lunches for District 4 students who have been selected from the six elementary schools and the junior high as examples of good character.

District winners of the Young Authors competition were honored at a luncheon sponsored by Al's Beef.

### *(RENOVATIONS - continued from page 15)*

tiles replaced and all bathrooms totally renovated. Additionally, air chiller units will be installed in each of the three building. As has been demonstrated during the past two years at Indian Trail, the chillers make a significant improvement to the air quality in the warm spring and autumn months.

In fall, building additions for Indian Trail and Lincoln Schools will begin. At Indian Trail, the addition will house a new kitchen and food service area on the first floor. Additional science classrooms and a walkway between the 'square' building and the 'round' building will be added on the second floor along with an elevator. This addition will be located in the southeast corner of Indian Trail. Lincoln School will have a courtyard and classrooms added on the north/east side of the school. Because these additions are in new areas, work on the new classrooms will begin during the school year.
