A Message from the Mayor ...

This summer really seemed to fly by! Thank you to everyone who attended *Rock 'N Wheels*, especially those who took the time to come talk to me about our events and how much they mean to our community.

During *Rock 'N Wheels* we debuted a new program to recognize our veterans, and I hope that shortly after this reaches your mailbox, you'll be seeing banners along Lake Street recognizing our Hometown Heroes.

These street pole banners, which include photos of Addison veterans and active duty military, will be displayed through the week of Veterans Day. It's a small way for us to thank our resident veterans. If you missed your chance to sign up, don't worry ... we plan to continue this program next year!

Building community has always been important to me, but it seems to get harder and harder to do nowadays. Back when I was a member of Community Council, lots of volunteers came together every summer to host Community Days. As volunteer organizations have struggled, the Village has stepped in to try to still give our residents events at which they can come together, share a laugh and have some fun.

In the next few months, there are two events that I think will fill that void, one of them brand new. For the first time, we are hosting *Oktoberfest* for two days – Oct. 17 & 18. Free admission and entertainment, with food and beer available for purchase. We hope you'll join us – details are on page 3.

The other event this fall is near and dear to me. Even before I joined the Village Board or the Historical Commission, I began attending the *Mayor's Community Charity Ball*. It's a first-class night out that does so much good for Addison each year, raising tens of thousands of dollars for groups right here in our community. It's still surprising to me when I talk with lifelong Addison residents who don't know much about the event, or who have never gone.

I'm excited to be the host of this year's *Mayor's Community Charity Ball*, and I hope you'll consider this your invitation; once again, details are inside.

There are so many opportunities to get involved and enjoy all that Addison has to offer. I hope you'll take advantage of them.

Warm regards,

Tom Hundley

Addison Village Hall Celebrates 25 Years

Long road to modern municipal offices completed in 2000

In 2025, Addison Village Hall will mark its 25th anniversary. This is the fourth and final part in a series, commemorating this important milestone by looking back at all the structures that have served as Village Hall.

One of the original renderings of the new Village Hall and renovated Police Department, prepared by FGM Architects.

The decision to tear down the 1925 Kinderheim building, which had served as Village Hall since 1960, and replace it was made in September 1997 after a feasibility study showed that it would be cheaper to build a new structure than renovate the existing building.

In December of that year, leadership chose FGM Architects Engineers Inc. to design the new Village Hall and renovate the Police Department. FGM Architects of Oak Brook had recently completed a new headquarters building for the Addison Fire Protection District at 10 S. Addison Road. A committee – comprised of Village Trustees Don LaPato and Harry Theodore, and four residents – was tasked with working with the firm on the design and planning.

From the start, it was noted in newspaper accounts that the design was likely to be traditional one. Former Public Works Director, Steve Weinstock was quoted; “What is contemporary now will be outdated in the future... We’re looking for something more of a timeless design.”

In April 1998, the Village approved the schematic design. The plan called for a two-story Village Hall with rotunda lobby. Not only was it a classic design, it was, according to then Village Manager Joe Block, “a very open and very customer friendly” design. At the time, the project was estimated to cost \$8.5 million.

By the following fall, the estimates grew to \$10.3 million, as the project now included parking lot installation, erection of a memorial monument and new gazebo. This one of several projects being funded by a 25-cent increase in the local sales tax enacted in 1997.

The Groundbreaking Ceremony was held on March 6, 1999 on a cold wintry day. The project faced problems from the start, with the soil forcing contractor P.B. Verdico to dig deeper to find clay. Additionally, numerous change orders, Police Department renovation overruns and labor and supply issues caused delays.

The building opened to the citizens of Addison on June 26, 2000, but the official Building Dedication and Ribbon Cutting Ceremony was held on Aug. 26, 2000 during the Community Days festival. During the event, the Kinderheim Arch memorial was unveiled.

The building housed the temporary relocations of DuPage Mayors and Managers conference in 2002 and the district offices of U.S. Rep. Henry Hyde and State Rep. Lee Daniels in 2003.

The Village Hall project received the Project of the Year Award for Structures over \$10 million from the American Public Works Association Chicago Metropolitan Chapter in 2002. It was also presented the Excellence in Masonry Design Craftsmanship Award from the Illinois-Indiana Masonry Council in 2003.

Since its opening, the building and its grounds have seen several significant modifications, including the addition of the Russotto Fountain, Driscoll Catholic High School Hallway, installation of Covid-19 glass protective barriers, enhancements to the Village Green, a new Administration Department conference room, and the redesign of the Community Development Department offices. It is poised to serve the residents of Addison for decades to come.

Village Hall, mid-construction, with the former building visible in the background to the left, and Green Meadow Shopping Center across the street.

Addison Village Hall has continued to evolve since it opened in 2000, and even since this photo from 2020. Most recently, parking lot improvements, the expansion of the Village Green with Veterans Circle, and departmental renovations have kept the building a vital part of the community.

Mark Your Calendars

Fall Recycling Event

The Village of Addison Public Works Department is partnering with Republic Services, BLH Computers, SCARCE, ProShred,

and the Addison VFW to host the semi-annual recycling event.

The event will be held on Saturday, Oct. 11, from 8 a.m. until noon at the Village of Addison Public Works Facility, located at 1491 Jeffrey Drive.

This event will be open to Addison residents free of charge (proof of residency required). Please visit AddisonAdvantage.org for more information, including items and quantities that will be accepted.

For questions, please call Public Work at 630-620-2020.

Mayor's Community Charity Ball

The *Mayor's Community Charity Ball* invites you to an evening of dinner, dancing, entertainment and open bar, as well as a cash raffle and silent auction to raise funds for more than a dozen Addison-based charities and service organizations.

Join Mayor Tom Hundley at Medinah Banquets on Saturday, Nov. 15 for his first year as host. Tickets go on sale in early September at ItHappensInAddison.com. A portion of each ticket sold goes to support the charity of your choice.

In addition, hundreds of items will be available in the event's Silent Auction; bidders need not be at the event. Details will be available on the website in the weeks preceding the event.

Raffle tickets are also available for cash prizes of \$1,500, \$1,000 and \$500.

For more information, contact Doree Krage in Community Relations at 630-693-7550.

Trick or Treat Hours

Trick or Treat hours in the Village of Addison are limited to 3 to 7 p.m. on Friday, Oct. 31. Children are expected to trick or treat within 3 blocks of their homes.

Drivers should be especially cautious during these times.

Know When Your Truck Is on Its Way!

Republic Services' **Track My Truck** provides real-time service tracking, allowing residents to see when their service will occur, as well as the route progression of our drivers.

Residents Can:

- Feel confident that service is on the way
- Stay on top of weather & service alerts
- Create an online account for access to additional features
- Enjoy greater convenience while reducing missed collections. (*Please make sure your carts and other materials are out for collection by 6:00 a.m. on your service day.*)

Navigate to My Schedule on RepublicServices.com to access Track My Truck.

New Illinois Pesticide Application Notification Requirements

Village of Addison residents should be aware of new state regulations that took effect Jan. 1 regarding pesticide applications on public rights-of-way.

Under the Pesticide Application on Rights-of-Way Notification Act, the Village and its contracted mosquito abatement vendor – Clarke Mosquito Control – are implementing enhanced notification procedures to keep the community informed about pesticide applications.

New Notification Requirements

As of Jan. 1, the Village of Addison must provide notice at least 24 hours before any pesticide application to public rights-of-way, including:

- Roadways and road shoulders
- Sidewalks and walking paths
- Utility corridors
- Storm sewers and drainage areas
- Other public infrastructure areas

The Village sends out CodeRED messages to notify residents of these applications; residents are encouraged to sign up for these notifications.

Day of Service Notifications

Day of Service notification service provided by Clarke will continue to be supported. This additional communication tool is not related to this new regulation compliance, but it is an existing resource Clarke utilizes to provide timely updates about upcoming applications tied to our mosquito population monitoring services. You can visit clarkeportal.com/hotline to register for this service at any time or follow the QR code.

2025 Application Schedule

- Location: Within Village of Addison boundaries
- Season: May 1st - October 15th, 2025
- Larvicide Time of Application: Between dawn to dusk
- Adulticide Time of Application: Between dusk to dawn
- Purpose: Mosquito control and disease outbreak prevention

Larvicide Products Being Used

Clarke utilizes EPA-registered products approved for residential areas:

1. Natular® G Mosquito Larvicide Granule (OMRI-listed)
 - o 0.5% Spinosad (a mixture of Spinosyn A and Spinosyn D)
 - o Labeled Application Rate: Apply at a rate of 3.5 to 9.0 lbs per acre
2. Natular® G30 Mosquito Larvicide / Extended-Release Granule (OMRI-listed)

- o 2.5% Spinosad (a mixture of Spinosyn A and Spinosyn D)
- o Labeled Application Rate: Apply at a rate of 5.0 to 20.0 lbs per acre

Natular WSP or Natular XRT in local catch basins may also be used in catch basins. Catch basin applications are exempt from notification, but are included for transparency.

Adulticide Products Being Used

Clarke utilizes EPA-registered products approved for residential areas:

1. Biomist® 3+15 ULV (for routine Adult Mosquito Control applications)
 - o 3.0% Permethrin ((3-phenoxyphenyl) methyl (+/-) cis, trans3-(2,2-dichloroethenyl)-2,2-dimethyl cyclopropanecarboxylate)
 - o 15% Piperonyl Butoxide
2. Talstar® Professional Insecticide (alternate product for Adult Mosquito Control application)
 - o 7.9% Bifenthrin
 - o Labeled Application Rate: Apply diluted in water at a rate of 0.33 to 1.0 fl oz per gallon per 1,000 square feet between dawn to dusk (when wind speed is < 10 MPH)

Public Safety

These EPA-registered mosquito larvicides and adulticides can be safely applied in residential areas. Residents may remain outside during application, as there are no special safety precautions required according to the product labels.

Emergency Exceptions

Please note that in certain emergency situations, such as disease threats or natural disaster recovery efforts, advance notice requirements may be waived. This includes responses to:

- Disease-causing agents in mosquito populations
- Mosquito-borne diseases affecting humans or animals
- Natural disaster recovery situations

Contact Information

For questions or concerns: Clarke Customer Care at 1-800-942-2555

To report pesticide misuse, contact the IL Dept of Agriculture, Bureau of Environmental Programs at (800) 641-3934 or (217) 785-2427. Their website: <https://agr.illinois.gov/pesticides.html>

The Village of Addison remains dedicated to maintaining effective mosquito control while ensuring transparent communication with our residents. We appreciate your attention to this important update.

Addison 4
School District

ADDISON | ILLINOIS | SINCE 1842

Help Support Our Classrooms

Addison School District 4 continues to partner with Kelly Services to provide substitute staffing across the district. We're currently seeking individuals who are interested in working as substitute teachers or support staff.

If you'd like to learn more about the role or how to apply, please contact:
EDNERecruiting@kellyservices.com

New Micro Pantry Installed at Lincoln Elementary

Thanks to a partnership between ASD4, the University of Illinois Extension SNAP-Education program, and the DuPage Woodworkers, a new micro pantry has been installed in Addison. This pantry joins Lake Park Elementary—home to our community's first micro pantry—as a 24/7 resource offering free shelf-stable food to anyone in need.

Micro pantries operate much like a free little library—open to all, no questions asked. As SNAP-Ed Program Coordinator Cindy Glavin puts it, "The beauty of the micro pantry is it removes barriers... there is no stigma because it is anonymous."

Want to help? Shelf-stable food donations are always welcome and can be dropped off directly at either Lincoln or Lake Park Elementary Schools.

ASD4 Difference Makers: Adrian Velasco & Carolina Bonilla

ASD4 is proud to kick off its new Difference Maker recognition program—shining a light on individuals who go above and beyond for our students, schools, and community.

Congratulations to our inaugural honorees:

- ◆ Adrian Velasco, Administrative Assistant at Indian Trail Junior High, who has been a steady, supportive presence since 1994—mentoring students, supporting staff, and helping make every school event a success.
- ◆ Carolina Bonilla, Bilingual Interventionist at Lake Park Elementary, whose leadership in the dual language program, districtwide engagement, and recent recognition as an Illinois Resource Center Spotlight Educator reflect her deep commitment to students and families.

We're grateful for their continued contributions and proud to celebrate the people who make Addison #4 such a special place to learn and grow.

DuPage High School District 88 and Addison Trail High School share highlights/successes

Addison Trail High School, part of DuPage High School District 88, is proud of the many local, state and national recognitions students continue to receive in academics, extracurricular activities, fine arts and athletics.

District 88 welcomes and embraces the cultural diversity of its student body, as nearly 50 languages are represented among the district's families.

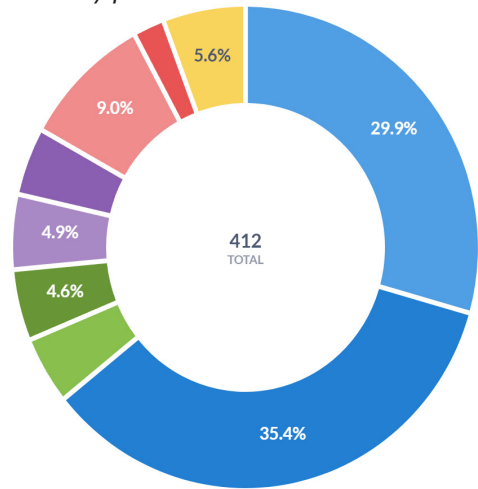

District 88 also offers a comprehensive curriculum that includes credentialed career-based curricular tracks, more than 30 Advanced Placement college-level courses and more than 50 dual-credit and collegiate-credit courses in 18 career pathway areas, along with award-winning fine arts programming.

The district is committed to providing multiple and flexible pathways for students to find post-secondary success and continues to expand access to college credits and industry-recognized certifications to help ensure students are college and career ready. These efforts have led to the district maintaining a graduation rate of more than 90 percent.

RECOGNITION FROM GREATSCHOOLS
In 2025, Addison Trail received a positive ranking from GreatSchools and is considered to be "performing above average compared to public and charter

Addison Trail class of 2025 post-secondary plans

TITLE		
4-Year Degree	146	35.44 %
2-Year Degree	123	29.85 %

COLLEGE READY

More than \$2.6 million
Average amount students save in college tuition each year by taking AP and dual-credit. In 2024-25, students earned 5,612 college credits.

CAREER READY

Nearly 1,700
Career certifications students earn each year in the various career pathways offered at District 88.

CULTURALLY READY

District 88 families represent about 50 languages
District 88 fosters an inclusive environment and belonging for all students, staff and families.

FUTURE READY

90%+ graduation rate
District 88's graduation rates consistently remain above the state level, and students attend top schools throughout the U.S.

September is Library Card Sign-Up Month!

The Addison Public Library invites you to celebrate Library Card Sign-Up Month and discover how a single card can open the door to endless opportunities.

With a library card, you can do more than check out books. From free classes and job resources to homework help, streaming media, and even high school diplomas, today's libraries connect communities to information, inspiration, and each other.

This year's theme, "One Card, Endless Possibilities," is a reminder that libraries are for everyone—no matter your age, background, or goals. Whether you're diving into a new hobby, searching for your next great read, brushing up on tech skills, or helping your child succeed in school, it all starts with a library card.

What do I need to get a library card?

To register yourself or your child for a library card, you need a photo ID with your current address. If your photo ID doesn't have your current address, please bring in an item from the list at addisonlibrary.org/get-a-card.

Does it cost anything to get a library card?

Residents of incorporated Addison can sign up for their library card at no cost. Residents of unincorporated Addison may purchase a library card for a fee that will be calculated using your property tax bill.

Free library cards are available to any student living in an unincorporated area whose household falls at or below the U.S. Department of Agriculture's Income Eligibility Guidelines.

Your library card is the most valuable card in your wallet. Stop by to get yours or learn more at: addisonlibrary.org/get-a-card.

Upcoming Events

Ice Cream with the Social Worker

Join us for a cool treat and say hello to our Social Services Specialist and our Social Work Intern, as well as other fellow community members! This is a casual chance to connect, ask questions, and get to know the people behind the services. Plus, little ones can enjoy a fun, ice cream-themed craft while you chat.

Sun., Sept. 14 2:00-4:00 Outside (West Lawn)

National Voter Registration Day

Need to register to vote? Come to the library for National Voter Registration Day! Our voter registrars will be available to help residents register to vote. Decorate a tote bag from 11 AM-6 PM and answer a trivia question anytime throughout the day for a chance to win a prize!

Tues., Sept. 16 9:00 AM-8:30 PM

Adult Services Department

Building Project Updates

A lot of exciting changes are happening—and quickly! For the most up-to-date news, visit addisonlibrary.org/renovation or give us a call at 630.543.3617.

- Please enter the library using our temporary entrance on the west side of the library.
- The new teen area on the 2nd floor has reopened!
- The 2nd floor collection has shifted to the west side of the building. The east side of the 2nd floor is closed for construction.
- 2nd floor study rooms S21-S26 are unavailable.
- The print/scan/fax station on the 1st floor is unavailable. Staff are available to help print, scan, copy, and fax on the 2nd floor.
- The Creative Studio is closed, but equipment is available by appointment.
- Our main staircase is closed for construction. Please use the public elevator or alternate stairwell to access the 2nd floor.

Programming note: Due to construction, some programs may change locations or be cancelled. Visit addisonlibrary.org/events or call us for the latest information.

Back To School Safety Tips

Taking the School Bus

- Teach your Child to stand 6 feet (or three giant steps) away from the curb.
- Go to the bus stop with your child to teach them the proper way to get on and off the bus.

Ridding A Bike To School

- Ride on the right side of the road in the same direction as traffic, and in single file.
- Always wear a properly fitted helmet and bright-colored clothing.

Walking To School

- Make eye contact with drivers before crossing the street. Always Cross at crosswalks or intersections
- Walk on the sidewalk whenever possible. If there is no sidewalk, walk facing traffic.

For Drivers

- Be alert, especially in school zones, near playground and parks, and in residential areas.
- Remember, it's illegal to pass a school bus that's stopped to load or unload children. Watch for yellow or red flashing lights, and stop arm.
