For the Fiscal Year Beginning

May 1, 2015

Executive Director

PURPOSE

This budget represents the Village's plan for allocating resources. These resources include time, manpower, and money and are allocated to accomplish the planned objectives set forth in the strategic plan. The budget document is a planning, control, and measurement tool of the Village. It is a multi-year comprehensive financial plan adopted annually by the Village board, with a fiscal year starting on May 1st and ending on April 30th.

The budget calendar identifies the timing, responsibility, and duration of the budget process. Generally, the budget process begins in December and the budget is adopted in April. Once adopted, the control and measurement process of budget administration continues until fiscal year end, at which time, the external independent annual audit provides a review of the Village's budget performance. Therefore, the true budget process does not end when the budget is adopted, but is a year-round concern of the Village Board and staff.

COMMUNITY PROFILE

Key Statistics

GOVERNMENT

Incorporated October 6, 1884

Home Rule Status effective January 1, 1974

The Village is a home-rule municipality governed by a seven-member board consisting of six Trustees and a Mayor. The board is elected as provided by law and serves four-year overlapping terms.

The Mayor, with approval of the Village Board, appoints the Village Manager, Treasurer, and Director of Police.

The Village employs 215 full-time employees in 15 operating departments: Administration, Finance, Community Relations, Building & Grounds, Police, Henry Hyde Resource Center, Consolidated Dispatch Center, Community Development, Electrical & Forestry, Street, Water, Sewer, Water Pollution Control, Fleet Services, and Information Systems.

In addition, the Village has the following advisory commissions that advise the Board on various issues and proposals under review. The Mayor, with the consent of the Board of Trustees, appoints members to the commissions.

Advisory Liquor	Planning
Audit	Police
Blood Bank	Police Pension Board
Citizens Advisory	Senior Citizens
Commercial & Industrial	Special Events
Cultural Arts Development	Tenant & Landlord
Historical	Zoning Board of Appeals

The Village also operates one (1) public access cable television station and televises all Board and Board chaired committee meetings, in addition to airing board meetings of other taxing bodies.

Telecommunications Tax	6%
Utility Tax	None at this time

DEMOGRAPHICS (2010 Census)

The Village is comprised of 9.02 square miles.

The Village is located in DuPage County, approximately 25 miles west of Chicago loop business district and 14 miles southwest of O'Hare International Airport. The Village is home to the second largest industrial park acreage by municipality in the Chicagoland area. Adjacent to the Village, to the north are the communities of Wood Dale and Itasca; to the east is Elmhurst; to the south are Villa Park and Lombard; to the west is primarily unincorporated land. O'Hare International Airport is approximately 15 miles northeast of the Village, a 20-minute drive by expressway.

Village of Addison

MISSION STATEMENT

The Village of Addison's mission is to provide responsive and fiscally responsible government services to the community. These services are in place to enhance the safety, health and general welfare of the citizens and businesses within the community.

Our service oriented philosophy balances various community needs with municipal resources through a planned approach to the governance process.

Within this balanced approach, we are committed to:

- Maintaining a high quality of life
- Providing a safe and secure community
- Working together to create effective solutions to community concerns
- Providing excellent services through honest, impartial and accurate communications and actions
- Shaping the future of the community by encouraging innovation and embracing technology as a means of improving services and reducing costs
- Retaining quality staff and providing them with opportunities for professional development

STRATEGIC PLAN 2016 - 2021

On December 7, 2015, the Village Board adopted a strategic plan for the Village organization for the years 2016 – 2021. The result was a comprehensive plan with several parts:

- The Village of Addison Mission Statement
- Guiding Principles
- Our Vision for the Year 2021
- Strategic Priorities

THE VILLAGE OF ADDISON MISSION STATEMENT

To create a dynamic, engaged and sustainable community in which all residents, businesses and employees enjoy economic opportunity, social stability and a sense of well-being.

GUIDING PRINCIPLES

Our behavior is governed by our guiding principles and values, and our success depends on consistently living these values as an organization and as a community.

- Conduct that is at all times honest, fair, ethical and respectful.
- Service that is responsive, respectful, and of high quality.
- A code of honor that is marked by trust, openness and integrity.
- Superior standards of professionalism and expertise bolstered by ongoing training and commitment to learning.
- Commitment marked by helpfulness, teamwork, collaboration and information sharing.
- Freedom to excel, create value and contribute to our purpose.

STRATEGIC PLAN 2016 - 2021

(Cont'd)

OUR VISION FOR THE YEAR 2021

- The Village is a place where people want to live, work or visit.
- The Village is a place where residents have opportunities and options and they can stay through all stages of life.
- The Village has quality schools.
- The Village maintains a strong sense of community.
- The Village is a safe place.
- The Village has various entertainment options.

STRATEGIC PRIORITIES

These areas of broad focus encompass our efforts toward achieving our Vision. Within these strategic priorities will come the improvement and change initiatives we need to undertake over the next 3–5 years.

Priority 1: Economic Development

Desired Outcome:

- a. Vibrant Shopping Areas
- b. Successful commercial development
- c. Diversified and high quality retail

Strategic Initiatives:

- i. New business recruitment program
- ii. Existing business retention program
- iii. Targeted new business incentive program
- iv. Management

(Cont'd)

Priority 2: Community Image

Desired Outcome:

- a. Fully integrated community – no fragmentation
- b. Consistent quality education throughout the Village
- c. An educated community on quality of life issues

Strategic Initiatives:

- i. Joint community image program
- ii. Schools in the top 20%
- iii. Increase Addison residents' enrollment
- iv. Conduct citizen survey

Priority 3: Housing

Desired Outcome:

- a. Expanded supported living housing options for seniors
- b. High percentage of Addison residents remain here
- c. Current unincorporated areas are successfully incorporated

Strategic Initiatives:

- i. Senior friendly housing complex
- ii. Targeted independent and assisted living complex
- iii. Annexation initiative

Priority 4: Infrastructure

Desired Outcome:

- a. Improved productivity via technology
- b. Improved reliability- hard infrastructure
- c. Comprehensive facilities plan in place and funded

Strategic Initiatives:

- i. Productivity improvement
- ii. Hard infrastructure reliability improvement
- iii. Facilities plan

STRATEGIC PLAN 2016 - 2021

(Cont'd)

Priority 5: Civic Engagement

Desired Outcome:

- a. Intergovernmental partners understand all priorities
- b. Improved efficiency of customer service operations
- c. Increased involvement in community events

Strategic Initiatives:

- i. Collaborative intergovernmental priorities project
- ii. Community event participation increase program

Priority 6: Employee Development

Desired Outcome:

- a. Fully trained and capable employees
- b. Stable and qualified employees
- c. Competitive compensation package

Strategic Initiatives:

- i. Performance improvement program
- ii. Competitive compensation program

Village of Addison

April 25, 2016

The Honorable Rich Veenstra, Mayor
Members of the Village Board of Trustees
Village Clerk Zuccherro
Village of Addison, Illinois

Re: FY 2016-17 Budget Message

Ladies and Gentlemen:

The FY 2016-17 Budget and Financial Plan for the Village of Addison is hereby submitted for your consideration. The following pages will serve as an executive summary of the proposed budget and the Village policies which were followed in its preparation.

The multi-year Budget and Financial Plan is intended to forecast favorable or unfavorable financial trends which is not possible within the constraints of a typical one year budget. This business-like approach allows our elected officials and staff to analyze the future fiscal impact of policy decisions and provides sufficient time to address those which may be unfavorable.

EXPLANATION OF BUDGETARY BASIS AND PROCESS

The Village has, historically, projected its budgets based on a very conservative forecast of revenues for a normal local economy in the Chicago metropolitan area. It does not take into account new revenues from growth unless the development is completed and has provided a historical basis for the new projection. The Village also projects every possible normal operating expense and does not take into account such events as employee turnover or weather factors which tend to reduce final operating expenses. One could correctly characterize it as a "worst case scenario". Consequently, a historical comparison of budgets and actual operating expenses will demonstrate that the Village organization has consistently outperformed its original financial forecasts. Projected deficits generally turn out to be budget surpluses or in a few instances, much smaller deficits than were originally anticipated. Management believes that this method of budgeting tends to focus financial support on the proper funding of existing programs, infrastructure and strategically selected new programs to improve productivity. Discussions of expensive new programs, particularly those involving the hiring of new staff, are considered only with consideration of new revenue sources. Therefore, any projected drawdown of cash balances is a move which has been planned and projected in advance, and is not the result of "rosy" financial projections which have not materialized as planned.

The Village budget document is prepared based on generally accepted accounting principles (GAAP), as described in the appendix. The Village's Comprehensive Annual Financial Report (CAFR) presents governmental funds on a modified accrual basis. Under this method, revenues are recorded when available and measurable. Expenditures are recorded when goods or services are received and liabilities are incurred.

Chapter 2 of the Village Code authorizes the Village Manager to authorize contracts up to \$10,000 and to approve contract change orders in amounts up to \$5,000. Absent emergencies, no purchase or change order in excess of these amounts or those which exceed current budget appropriations may be made without the prior approval of the Mayor and Board of Trustees. Contingency funds are included in the Corporate and Water and Sewer Funds to accommodate this potential need. These funds may be released by the Mayor and Board of Trustees upon the request and justification by the Village Manager.

The Village Manager is authorized to issue rules governing purchasing procedures, subject to Board approval. Budgetary control is maintained through a system of monthly revenue and expenditure reports, which are produced by the Finance Department and distributed to the Village Board, Village Manager and all Department Heads. The Village also utilizes an encumbrance system as a management control technique to assist in controlling expenditures. Under this procedure, encumbrances of governmental funds are reservations of fund balances and retained earnings for the Proprietary Funds at year end. The Proprietary Funds are reported on a full accrual basis. All appropriations lapse at year end, and incomplete projects are usually re-budgeted in the subsequent fiscal year. The level of budgetary control (i.e., the level at which expenditures cannot legally exceed the budgeted amount) is at the fund level. During the year, the Village Board may, through a majority vote, amend the budget to provide for unforeseen expenditures.

In December of each year, the Village Manager and the Finance Director distribute the budget calendar and instructions to Department Heads. Departmental requests are then reviewed at the staff level. The Village Manager and Finance Director will then propose a balanced baseline budget and proposed new programs for consideration by the Finance and Policy Committee of the Village Board. The Committee then considers the proposed budget and approves final spending levels. The Committee formally considers the budget in April and recommends final approval to the Village Board. The Village Board then approves the budget prior to April 30. The new budget takes effect May 1.

BUDGET FOCUS

During the 2015-16 fiscal year, the Village experienced healthy, sustained growth in our major revenue sources. For the most part, this can be attributed to an improving national and local economy. At the local level, we are experiencing increased building activity, including the build out of previously vacant storefronts. Addison's industrial park made a very quick recovery from the 2008 recession. It is now 95% occupied. We expect to see continued growth in our economically sensitive revenue sources during the remainder of FY 2015-16. A pleasant surprise was a one-time retroactive sales tax payment of approximately \$962,000 received from the Illinois Department of Revenue based upon the

audit of one local tax payer. This payment has been retained in the General Corporate Fund to bolster its fund balance

This budget does not assume any new Federal or State economic assistance, or any cutbacks of existing assistance. We will continue to monitor negotiations in Springfield relative to the State budget. There have been several proposals such as a reduction in LDGF funds, and a property tax cap which could have significant impacts on the Village's finances. The Village has potential actions which could be taken to effectively deal with most reasonable State budgetary outcomes, including use of non-referendum revenue sources which have been held in reserve for emergencies. It is doubtful that any resolution will occur until the national elections in November. We will closely monitor the situation in the interim.

Based on our financial projections, we anticipate all major funds will be able to maintain their minimum three (3) month cash balance, in accordance with Village policy.

Capital projects and redevelopment funds, and bond proceeds are sufficient to cover all ongoing projects.

PERSONNEL ASSUMPTIONS

In the Village's proposed FY 2016-17 budget, there are eight (8) new full time positions scheduled to be added to the Village organization. Five (5) dispatchers and one Operations Manager are planned to be added to the Addison Consolidated Dispatch Center (ACDC), in anticipation of the move of the Village of Glendale Heights to the Center in FY 2016-17. These positions will be paid for by increased user fees. An additional full time Maintenance position is scheduled for Buildings and Grounds in anticipation of the opening of the new ACDC Dispatch facility. This division had an authorized strength of 2.5 positions. The part-time position was left vacant after a retirement several years ago. A current part-time position in Information Technology is also proposed to be upgraded to full time. IT has a number of new initiatives planned in this budget, including a long awaited upgrade of the Village's financial software in FY 2017-18. Part-time and seasonal positions are planned for the Henry Hyde Resource Center and the Water, Sewer and Water Pollution control divisions of Public Works.

FINANCIAL POLICIES

The Village has established the following financial policies:

1. Collateralization of investments.
2. Establishment of fees and charges at a maximum of the average of those charged by communities in DuPage County.
3. Establishment of tax rates at a maximum of the average of those charged by communities in DuPage County.
4. Use of Motor Fuel Tax funds for street and signal construction and maintenance only.
5. The use of cash flow financing for capital projects whenever possible.
6. Compliance with the Illinois Property Tax Limitation Act in setting the property tax levy.

7. Maintenance of a scheduled replacement program for capital projects and equipment.
8. Maintenance of a minimum of three (3) months cash balance in all operating funds.

The proposed FY 2016-17 budget will attempt to keep the Village in compliance with all or most of the above policies.

BUDGETARY GOALS

On March 13, 2002, Illinois Performance Excellence awarded the Village of Addison the 2001 Bronze Award. Addison was the second of three (3) Illinois municipalities to win this award, which reflects the Village's initiatives to improve customer service through continuous improvement. The Village was reviewed by a team of eight (8) assessors who reviewed our efforts in leadership, strategic planning, customer and market focus, information and analysis, human resource development and management, process management, and organizational results. The Bronze Award is the first of three award levels offered by the Foundation. The Village anticipates a future application for a higher-level award. Illinois Performance Excellence was created in 1994 to raise Illinois' worldwide competitiveness by improving the performance of organizations in five areas (health care, education, government, service and industry). The criteria for the Illinois Performance Excellence Award are patterned after the National Malcolm Baldrige Quality Award.

As part of the Illinois Performance Excellence review, the various Village departments have included benchmarking data, which is included in the description of each departmental budget.

On December 7, 2015 the Village Board adopted a new strategic plan for the Village organization for the years 2016-2021. The following describes how these strategic directions have been translated into the FY 2016-17 budget:

Community Image

\$690,000 has been allocated in the TIF #3 budget over two fiscal years to continue improvements of the Village Green property which is located east of the Village Hall. The Village Green is the location of the Village's successful Thursday evening concert series from June through August. \$25,000 has also been allocated to the Community Relations budget to update the websites of the Village, the Police Department, and the Historical Museum.

Economic Development

In the TIF #3 budget, \$50,000 has been budgeted for an additional incentive to complete façade renovations on J.C. Plaza. With this grant, the developer has received a total of \$200,000 in façade improvements from TIF funds. An additional \$100,000 is allocated in the same fund to upgrade the façade at the Alta Villa banquet hall.

Infrastructure

In the Public Building Fund budget, \$570,000 has been allocated over three years to retain consulting services to assess, and funds to purchase hardware and software to replace the Village's antiquated financial software programs. The elected officials and staff of the Village have seen this upgrade as a top priority to bring Village operations into the 21st century.

\$3,000 has been allocated to add the Addison Consolidated Dispatch Center to the Police Department's computerized scheduling system. \$260,500 is scheduled for FY 2017-18 and FY 2018-19 for the Village's share of costs related to a County wide upgrade of the GIS and report writing system. These systems will be purchased by the Emergency Telephone System Board (ETSB) of DuPage County. Costs which can't be absorbed by the ETSB will be billed back to police and fire departments within the county.

\$332,000 has been allocated in the Building and Grounds Department and the Public Building Fund to complete the third year of building improvements and furniture repairs and replacement which had been delayed during the 2008 recession. They include the Village Hall, the Historical District, Public Works, and the Police Department. During the previous two fiscal years, the Village made significant progress in eliminating this backlog.

\$54,500 has been allocated in the Community Relations Department and the Public Building Fund to replace outdated video equipment. Funds for these upgrades come from a public access fee charged to cable subscribers. \$20,000 has also been allocated in the Police Department budget to replace automatic rifles.

\$766,000 and \$794,800 (\$1,560,800) has been allocated in the Capital Projects Fund to acquire flood prone properties in the Home Addition, Normandy Manor and Highview subdivisions. These homes were severely damaged by the 2008 and 2010 floods. The properties are being purchased and demolished by the Village. The restored property will be maintained as open space.

\$11,031,900 has been allocated over two years in the Capital Projects Fund to commence construction on a new facility for the Addison Consolidated Dispatch Center (ACDC). The project will provide a fire and storm rated facility for ACDC, and will provide a secure backup facility to DuPage Communications (DuComm). The ETSB of DuPage will provide \$ 1,769,500 in contributions to provide this backup space.

\$500,000 has been allocated in the Water Department for water main replacements.

Employee Development

\$4,300 has been allocated in the Administration budget to reintroduce an Employee Assistance Program. This program was eliminated during the 2008 recession.

BUDGET TRENDS

The fiscal year 2016-17 operating budget reflects a 17.72% increase over last fiscal year's Budget:

Fund	FY 2015-16 Budget	FY 2016-17 Budget	% Change
General Fund	30,219,000	31,847,500	5.39%
Water and Sewer Fund (inc. capital)	15,806,200	15,748,900	(0.36)%
Fleet Services	1,315,500	1,379,500	4.87%
IS	1,170,500	1,224,400	4.60%
Equipment Replacement	845,000	994,500	17.69%
Debt Service Fund	4,018,769	9,348,774	132.63%
Capital Projects	2,935,964	8,445,300	187.65%
Redevelopment	112,700	13,890	(87.68)%

General Corporate Fund

The General Corporate Fund finances most Village operations. The primary revenue sources are sales tax, State income taxes, property taxes, licenses, permits and fees, telecommunications tax, and other revenues. \$15,000 has been included in the Administration budget to make contributions to the Suburban O'Hare Commission which is seeking to mitigate negative noise impacts from O'Hare Airport.

Water and Sewer Fund

The Water and Sewer Fund accounts for expenses relative to the operation and maintenance of the Village's water and wastewater operations. It also includes funds for Water and Sewer capital projects. \$120,000 has been included in this Fund over three (3) years to complete the installation of remote water meter readers in residential areas. Approximately 84% of Village water customers have received a remote meter reader to date. \$60,000 has been allocated to fund the maintenance of backup Well #8. \$39,000 has

been allocated to complete an arc flash assessment of utility structures. \$87,000 has been allocated as part of a multi-year program to replace lift station generators and add those structures to the Village's SCADA (Supervisory Control And Data Acquisition) system. Integrating those systems allows them to be operated from any location. \$480,300 has been included to fund other equipment and process upgrades for the Village's water system, and wastewater treatment facilities.

Motor Fuel Tax Fund (MFT)

This fund earmarks the collection and expenditure of State Motor Fuel Tax funds. These funds are collected by the State and shared with municipal governments, based on population, and must be used for roadway maintenance.

\$2,525,000 has been included in this fund for the 2016 Street Resurfacing Program. \$100,000 has been allocated in the Motor Fuel Tax Fund to continue the Village's sidewalk replacement program which attempts to identify and replace sections of sidewalk that are potential trip hazards. This work will reduce Village liability for sidewalk injuries. An additional \$50,000 is budgeted in the Motor Fuel Tax Fund for identified improvements which are needed to comply with the Americans with Disabilities Act (ADA).

Internal Services Fund

The IT Department budget covers the cost of the operation and maintenance of the Village's computer hardware, software and communication systems. \$55,000 has been budgeted in the Public Building Fund for the replacement of five (5) copiers. IT has been assigned the responsibility of acquiring and maintaining copiers. All will be networked, and will be set up for scanning and wireless copying. This will allow the Village to eliminate individual computer printers and scanners over time. \$156,000 has been allocated between IT and the Public Building Fund to replace various pieces of equipment and to purchase software licenses. Funds are also included for "as needed" consulting services for the design of dispatch and public safety networks.

The Fleet Services budget covers the cost of the operation and maintenance of the Village's vehicle fleet. \$105,000 has been allocated between Fleet Services, Public Building Fund and Equipment Replacement Fund for new, upgraded, and replacement equipment.

Equipment Replacement Fund

The Equipment Replacement Fund accounts for the pay-as-you-go purchase and replacement of Village vehicles. Monies are transferred annually from individual operating funds to the Equipment Replacement Fund based on the fleet services estimates of replacement cost and replacement date. \$969,500 is allocated for equipment purchases and capital improvements from this fund.

ACKNOWLEDGMENTS

I would like to thank all of the supervisory and management staff for their efforts in the preparation of the FY 2016-17 budget. In these uncertain economic times, we have relied on their talents and abilities to set priorities, innovate, and achieve tremendous results with, in many cases, limited staff. I truly appreciate all of their ongoing efforts.

I would also like to thank our elected officials for their support throughout the year. Addison is fortunate to have a team of elected and appointed officials that work very well together. We have a common goal, and will do our best to provide great service to our residents and businesses. We will also strive to upgrade and improve the Village at every opportunity.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Joseph Block', is written over the typed name.

Joseph Block
Village Manager

FY 2016-17 BUDGET & FINANCIAL PLAN CALENDAR

Budget Schedule of Dates and Events

Wednesday, December 2, 2015

Village Manager and Finance Director

- ♦ Budget instructions, forms and schedule are distributed to department heads

Friday, December 11, 2015

Public Works

- ♦ Forwards the (5) year vehicle replacement plan to the Finance Director.

Monday, January 4, 2016

Department Heads

- ♦ Submits all budgets to the Finance Director by Monday, January 4, 2016.

Administration

- ♦ Compiles figures for personnel expenditures and casualty insurance.
- ♦ Forwards to Finance prior to Monday, January 4, 2016.

Finance

- ♦ Prepares audit expenditures and revenue projections for Fiscal Years 2016-2017, 2017-2018, 2018-2019, by Monday, January 4, 2016.

Boards and Commissions

- ♦ Submits goals and budget requests to the Finance Director by Monday, January 4, 2016.

Tuesday, January 5 - Friday, January 8

Finance Director and Assistant Finance Director –O/B

- ♦ Compiles expense requests and revenue projections for all three fiscal years.
- ♦ Reviews and develops initial review schedule with Village Manager.

Monday, January 11 - Friday, January 15

Village Manager and Finance Director

- ♦ Reviews all budget and program requests with Department Heads.
- ♦ Information Services, Fleet Services, and Equipment Replacement are the first 3 reviews.
- ♦ Figures are adjusted and program recommendations are formulated.

FY 2016-17 BUDGET & FINANCIAL PLAN CALENDAR

Budget Schedule of Dates and Events (Cont'd)

Monday, January 18 - Wednesday, January 29

Department Heads

- ♦ Departments revise budget and program requests as needed.
- ♦ Resubmit to the Finance Director by Wednesday, January 27.

Thursday, January 28 - Friday, February 19

Finance

- ♦ Budget package compiled and distributed to Finance and Policy Committee on Friday, February 19.

Tuesday, February 23

Finance and Policy review session:

- ♦ Water and Sewer Fund Revenues
- ♦ Water Sewer Water Pollution Control
Capital Projects: MFT, Capital Projects,
Redevelopment, Public Building Fund, TIF Funds

Thursday, February 25

Finance and Policy review session:

- ♦ Boards & Commissions
- ♦ General Fund Revenues HHRC, ACDC, Police
- ♦ Administration, IT, Building & Grounds
- ♦ Finance General Ledger Debt Service
- ♦ Police Pension

Monday, February 29

Finance and Policy review session:

- ♦ Community Relations
- ♦ Community Development
- ♦ Electrical & Forestry Street Fleet Services
- ♦ Equipment Replacement Fund

Thursday, April 14

Finance

- ♦ Advertises, Notice of Public Hearing - Budget on display.

Monday, April 25

Village Board

- ♦ Public Hearing of the FY 2016-17 Budget and Financial Plan.
- ♦ Final adoption of the FY 2016-17 Budget and Financial Plan.

VILLAGE OF ADDISON

Organizational Structure

*Fire services are provided by the Addison Fire Protection District, which is a separate taxing body. The Village has no authority over the District.

EXPLANATION OF FUNDS

The Village of Addison accounts for all funds and adopts a budget based on generally accepted accounting principles (GAAP). The Village uses fund accounting designed to demonstrate legal compliance and to aid financial management by segregating transactions related to certain government functions or activities. A fund is a separate accounting entity with a self-balancing set of accounts. Funds are classified into the following categories: governmental, proprietary, and fiduciary. Each category, in turn, is divided into separate “fund types”.

Governmental funds are used to account for all or most of a government’s general activities, including the collection and disbursement of restricted monies (special revenue funds), the acquisition or construction of capital assets (capital projects funds), and the servicing of general long-term debt (debt service funds). The general fund is used to account for all activities of the general government not accounted for in some other fund. Governmental funds are budgeted using a modified accrual basis.

The Governmental Funds are as follows:

- General Fund
- Special Revenue Fund – Motor Fuel Tax
- Special Revenue Fund – Community Days
- Debt Service Fund
- Capital Projects Funds
 - Capital Projects
 - Redevelopment
 - Public Building
 - TIF #1
 - TIF #2
 - TIF #3
 - TIF #4

Proprietary funds are used to account for activities similar to those found in the private sector, where the determination of net income is necessary or useful to sound financial administration. Goods or services from such activities can be provided either to outside parties (enterprise funds) or to other departments or agencies primarily within the government (internal service funds). Proprietary funds are budgeted using an accrual basis, except for loans, loan payments, capital expenditures, depreciation, and debt service payments which are budgeted on a cash basis.

The Proprietary Funds are as follows:

- Water and Sewer Fund
- Internal Service Funds
 - Fleet Services
 - Information Technology
 - Equipment Replacement

Fiduciary funds are used to account for assets held on behalf of outside parties. The Police Pension Trust fund is budgeted on an accrual basis.

- The Fiduciary Fund is as follows:
 - Police Pension Trust Fund

EXPLANATION OF FUNDS

(Cont'd)

The following is a list of Village funds that are contained in this budget document, along with a brief description of the purpose of each fund.

General Fund - The all-purpose governmental fund which handles the operations of the municipality not accounted for in a separate fund. This fund is reported as a Major Fund in the Village's CAFR. The General Fund receives most of its revenue from taxes, the largest being Sales Tax, Property Tax, and Income Tax. Fund Balance is used when prior year surpluses cause the Fund Balance to exceed required levels.

Water & Sewer Fund - An enterprise fund established to account for all operations of the water and sewer utility services provided by the Village. This fund is reported as a Major Fund in the Village's CAFR. The Water & Sewer Fund receives a majority of its revenue from Water and Sewer user fees. Fund Balance is used when prior year surpluses cause the Fund Balance to exceed required levels.

Fleet Services Fund - An internal service fund established to provide monies to cover repairs, maintenance, and fuel costs associated with operating municipal vehicles and equipment. Fleet Services revenues are provided by transfers from end-using departments based on usage.

Information Technology Fund - An internal service fund established to provide monies to cover the costs of running the Village's information technology. Information Technology revenues are provided by transfers from end-using departments based on number of computers, laptops and printers in each department.

Equipment Replacement Fund - An internal service fund established to provide monies to purchase municipal vehicles and equipment used in Village operations. Equipment Replacement revenues are provided by transfers from end-using departments based on the replacement cost of vehicles used, spread over the life of the vehicles.

Debt Service Fund - A debt service fund established to account for resources which are used to repay general long-term debt obligations. This fund is reported as a Major Fund in the Village's CAFR. Revenues for the Debt Service Fund are provided by Property Taxes, a .25% Home Rule Sales Tax Increment and transfer from Public Building Fund consisting of an additional .25% Home Rule Sales Tax Increment.

Capital Projects Fund - A capital projects type of fund established to account for the acquisition and construction of capital assets of governmental fund operations. Capital Projects revenues are received from Grant Funding, transfers from the Redevelopment Fund (part of the .25% Home Rule Sales Tax Increment) and insurance reimbursements. Fund Balance is used when prior year surpluses cause the Fund Balance to exceed required levels.

EXPLANATION OF FUNDS

(Cont'd)

Redevelopment Fund - A capital projects fund established with the proceeds from the 1995 G.O. bond issue to account for redevelopment projects throughout the Village. Funding for the Redevelopment Fund is provided by the repayment of transfers made to the TIF #1 fund for improvements and various reimbursements from project partners.

Public Building Fund - A capital projects fund established with the proceeds from the 1996 G.O. bond issue and the 1998 G.O. bond, to account for the construction of a new Public Works facility, the construction/renovation of the Village Hall facility and capital improvements of other Village facilities. Proceeds from a .25% Home Rule Sales Tax Increment provides the funding for the Public Building Fund.

TIF #1 - A capital projects fund established to account for revenues and expenditures for approved projects of a Tax Increment Financing (TIF) District (Green Oaks). Incremental Property Taxes are the revenue source for the TIF #1 Fund. This TIF district was closed the end of 2014, two years early.

TIF #2 - A capital projects fund established to account for revenues and expenditures for approved projects of a Tax Increment Financing (TIF) District (Michael Lane). Incremental Property Taxes are the revenue source for the TIF #2 Fund.

TIF #3 - A capital projects fund established to account for revenues and expenditures for approved projects of a Tax Increment Financing (TIF) District (Town Center). Loans from the Redevelopment fund will be used to fund initial expenditures in TIF #3 until Incremental Property Taxes are received, at which time the loans will be repaid.

TIF #4 - A capital projects fund established to account for revenues and expenditures for approved projects of a Tax Increment Financing (TIF) District. This district was closed the end of 2014, sixteen years early.

Police Pension Fund - A pension trust fund established to account for pensions paid for police officers. The Police Pension Fund revenues consist of a transfer from the General Fund which is generated by Property Taxes, contributions from participants based on a percentage of wages established by the state, and investment earnings.

Motor Fuel Tax Fund - A special revenue fund established to account for the municipal portion of motor fuel tax revenues, collected and distributed by the State of Illinois, which are used to pay for the maintenance and improvement of Village streets. Revenues for the Motor Fuel Tax Fund are received from the State based on a per capita formula. Other revenue sources include local grants, reimbursements from other agencies for joint projects, and effective January 1, 2012, .25% Home Rule Sales Increment. Fund Balance is used when prior year surpluses cause the Fund Balance to exceed required levels.

EXPLANATION OF FUNDS

(Cont'd)

Community Days Fund – A special revenue fund established to account for the revenues and expenditures of the annual Community Days festival. Although the festival has been suspended, other community events can be found in the General Fund Community Relations budget.

The Village has additional funds which are not budgeted, but are included in the Comprehensive Annual Financial Report (CAFR). They are as follows:

Special Revenue Funds

- Police Grant Funds – to account for the proceeds related to U.S. Department of Justice grants.
- Federal and State Controlled Substance Fund – to account for the proceeds related to federal and state seizure activity.
- DUI Fund – to account for the proceeds of DUI fines in the Village and related activities funded by these proceeds.

Fiduciary Funds

Agency Funds – to account for assets held by the Village as an agent for individual, private organizations, other governments, and bondholders.

- General Escrow
- Water Escrow
- Sewer Connection Escrow
- Group Insurance Withholding
- Library
- Garbage
- Park Donation
- School Donation
- Special Service Area #1

FINANCIAL AND MANAGEMENT POLICIES

FINANCIAL POLICIES

The Village of Addison has established the following financial policies:

1. Collateralization of investments. The Village has collateral agreements with all banking institutions where balances exceed or could exceed the FDIC insurable limits.
2. Establishment of fees and charges at a maximum of the average of those charged by communities in DuPage County.
3. Establishment of tax rates at a maximum of the average of those charged by communities in DuPage County.
4. Use of motor fuel tax funds for street and signal construction, and maintenance only.
5. The use of cash flow financing for capital projects whenever possible.
6. Compliance with the Illinois Property Tax Limitation Act in setting the property tax levy.
7. Maintenance of a scheduled replacement program for capital projects and equipment. An Equipment Replacement Fund has been established to provide monies for equipment replacement needs.
8. Maintenance of a minimum unrestricted fund balance of three (3) months of expenditures in all operating funds.

BUDGETING

The budget is the operational control for spending and is less than, or equal to, the amounts appropriated. The Village Manager is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund are done through approval of the Village Board of Trustees and are supported by additional appropriations as needed.

Budgets are adopted on a modified accrual basis of accounting for all governmental fund types and on an accrual basis for the proprietary and trust fund types in accordance with Generally Accepted Accounting Principles (GAAP). Budgets have been adopted for all proprietary fund types, the Police Pension Trust Fund, General, Debt Service, Capital Projects and certain Special Revenue Funds. Budgets for Enterprise Funds do not provide for depreciation; capital improvements are budgeted as expenses.

FINANCIAL AND MANAGEMENT POLICIES

(Cont'd)

BUDGETING (Cont'd)

All budgets are prepared based on the annual fiscal year of the Village which runs May 1 to April 30.

Budget amounts are as originally adopted or as amended by the Village Board of Trustees. Supplemental appropriations are made as required.

The Village is required to work with a balanced budget where estimated revenues equal estimated expenditures. Funds where estimated revenues are not equal to estimated expenditures are planned intentionally to utilize existing fund balance and take advantage of prior year surpluses.

The budget process begins in December, when the Village Manager and Finance Director distribute the budget calendar and instructions to Department Heads. Departmental requests are then reviewed at the staff level. The Village Manager and Finance Director then propose a balanced baseline budget and proposed new programs for consideration by the Finance and Policy Committee of the Village Board. The Committee then considers the proposed budget and approves final spending levels. The Committee formally considers the budget in April and conducts a Public Hearing to obtain taxpayer comments. The Committee then recommends final approval to the Village Board. The Village Board then approves the budget prior to April 30. The new budget takes effect May 1.

The level of budgetary control (i.e. the level at which expenditures cannot legally exceed the budgeted amount) is at the fund level. Budgetary control is maintained through a system of monthly revenue and expenditure reports, which are produced by the Finance Department and distributed to the Village Board, Village Manager and all Department Heads. The Village also utilizes an encumbrance system as a management control technique to assist in controlling expenditures. Under this procedure, encumbrances of government funds are reservations of fund balances and restrictions of net assets for the Proprietary Funds at year end. The Proprietary Funds are reported on a full accrual basis. All appropriations lapse at year end, and incomplete projects are usually re-appropriated in the subsequent fiscal year.

APPROPRIATIONS

The Village of Addison follows these procedures in establishing its appropriations ordinance:

The Appropriations Ordinance is prepared in tentative form by the Finance Director in June, and is made available for public inspection at least ten days prior to final Board action. A public hearing is held on the tentative Appropriation Ordinance to obtain taxpayer comments.

By July 31st of each year the Finance Director must file a certified copy of the Appropriations Ordinance, along with an Estimate of Revenues, with DuPage County.

FINANCIAL AND MANAGEMENT POLICIES

(Cont'd)

APPROPRIATIONS (Cont'd)

The Village Board of Trustees, by a two-thirds vote, may change or modify the Appropriations Ordinance. No revision of the ordinance shall be made increasing total fund expenditures in the event funds are not available to effectuate the purpose of the revision. The appropriations ordinance controls the legal spending limits for the Village.

All appropriations lapse at year end. Expenditures may not legally exceed appropriations (including all changes and modifications as discussed above) at the fund level.

PURCHASING

The Village of Addison uses a centralized purchasing system.

The procedure for purchasing is as follows:

A purchase requisition is entered into the computer system by a department when that department recognizes a need for goods or service. The requisition includes detailed information – vendor, description, part number, unit price, size and quantity.

Pending requisitions are generated by the end using or purchasing department and forwarded to Finance for funding confirmation.

Upon funding confirmation from Finance, the Purchasing Department generates the purchase order and distributes copies to the Vendor, to the Finance Department and two copies go to the originating department.

Upon receipt of the goods or services, the department signs and returns the designated copy of the purchase order to the Finance Department, who enters into the computer that the order is complete, matches it with the invoice and payment is made.

Any purchase that exceeds \$1,000 requires a solicitor form to be completed. The solicitor form contains three vendors solicited for the purchase, with the department head's recommendation of at least one responsible vendor for the goods being requisitioned. This form is forwarded to the Purchasing Department and then on to Finance to be included with the invoice and payment documents.

The Village Manager is empowered to authorize contracts up to \$10,000 and to approve contract change orders in amounts up to \$5,000. Any changes in excess of \$5,000 require Village Board approval. A formal sealed bid procedure is established for all purchases of capital equipment, or for multiple purchases of commodities or services exceeding \$10,000 in a given fiscal year.

FINANCIAL AND MANAGEMENT POLICIES

(Cont'd)

DEBT SERVICE

The goal of the Village's debt policy is to maintain the ability to provide high quality essential Village services in a cost-effective manner. Policy makers weigh this goal against maintaining the ability to borrow at the lowest possible rates. The Village has used the following guidelines before financing projects with long-term debt:

- Staff conservatively projects the revenue sources to pay off the debt.
- The financing of the improvement will not exceed its useful life.
- The benefits of the improvement must outweigh its costs, including the interest costs of financing.

Through the application of these guidelines, the Village Board tests any demand for debt financing. Furthermore, the Village uses debt only to provide financing for essential and necessary capital projects.

The Village is very proud of its' bond rating which has steadily improved over the last twelve years. The Village is currently rated AA+ by Fitch and AA by Standard & Poor's. Both rating agencies cited the steady growth in the Village's tax base, a solid track record of financial operations, and flexibility in raising supporting revenues. These bond ratings improve the marketability of future debt issuance and provide lower interest rate costs to the Village.

The Village issues general obligation bonds to provide funds for the acquisition and construction of major capital facilities. General obligation bonds have also been issued for general government activities. In addition, general obligation bonds have been issued to refund previously issued and outstanding general obligation bonds. General obligation bonds are direct obligations and pledge the full faith and credit of the Village. For additional information, see the "Capital Improvements Programs/Debt Service" and "Debt Service" sections of the budget.

The Village is a "home-rule" community and is presently not subject to debt limitations. The Village has maintained a conservative philosophy on issuance of debt to minimize the potential long-term effect on Village property taxes. We have generally relied on internal fiscal management and future planning to address capital needs. For further details on the Village's debt policies see the "Capital Improvements Programs/Debt Service" section of the budget.

NOTES

- * The Water Sewer and Equipment Replacement Funds use Working Cash as the comparative.
- 1) The Equipment Replacement Fund shows a planned \$290,800 deficit to utilize fund balances that have been accumulated for the future purchase of equipment.
 - 2) The Capital Projects Fund shows a planned \$75,000 deficit to transfer monies to the Debt Service Fund.
 - 3) The Redevelopment Fund shows a planned \$13,890 deficit. This is due to a transfer out of the remaining balance to the Public Building Fund.
 - 4) The Public Building Fund shows a planned \$441,200 deficit to utilize excess fund balance.
 - 5) The TIF #2 Fund shows a planned \$129,800 deficit to utilize fund balances that have been accumulated for projects that are planned.
 - 6) The TIF #3 Fund shows a planned \$205,676 deficit to utilize fund balances that have been accumulated for projects that are planned.
 - 7) The Motor Fuel Tax Fund shows a planned \$92,500 deficit to utilize fund balances that have been accumulated for projects that are planned.

MAJOR REVENUE AND FINANCING SOURCES

Notes

The two largest revenue sources (58.6%) for the Village in the FY 2016-2017 Budget are Taxes (38.1%) and Charges for Services (20.5%). The breakdown between funds is as follows:

TAXES	TOTAL	General	Debt Service	Public Building	TIF 2	TIF 3	Motor Fuel Tax
Sales & Sales Tax Increment	18.8%	12.5%	2.1%	2.1%			2.1%
Property Taxes	10.3%	8.9%	1.1%	0.0%	0.3%	0.0%	0.0%
Income Tax	4.5%	4.5%					
Telecommunications Tax	1.2%	1.2%					
Real Estate Transfer Tax	0.4%	0.4%					
Motor Fuel Tax	1.1%						1.1%
All Other Taxes	1.8%	1.8%					
TOTAL	38.1%	29.3%	3.2%	2.1%	0.3%	0.0%	3.2%

CHARGES FOR SERVICES	TOTAL	General	Water & Sewer
User Revenue – Water	10.2%	-	10.2%
User Revenue – Sewer	7.5%	-	7.5%
All Other	2.8%	2.6%	0.2%
TOTAL	20.5%	2.6%	17.9%

Taxes

Sales Tax and Sales Tax Increment (home rule) revenues represent the largest single revenue source or about 36% of the Village's General Fund income. Items, except food and drugs, in Addison are subject to an 8.25% sales tax effective 1/1/12. Sales taxes are imposed upon all retail sales and upon all persons engaged in the business of making sales of services within the Village's corporate limits. These taxes are collected by the State, and divided among the taxing districts as follows:

State	5.00%
Village	
Municipal Tax	1.00%
Home-Rule Tax	1.00%
DuPage County	.50%
DuPage Water Commission	.25%
Regional Transportation Authority	.50%
Total	8.25%

The State remits the taxes the second month after the due date. Example: January Sales Taxes are due by February 28. The State remits to local governments the beginning of April.

MAJOR REVENUE AND FINANCING SOURCES

Notes (Cont'd)

The municipal tax is credited to the General Fund. Home Rule sales taxes are used as follows:

<u>Rate</u>	<u>Fund</u>	<u>Year</u>	<u>Reason</u>
.25	Debt Service Fund	1995	To Fund a Redevelopment Bond Issue
.25	Public Building Fund	1997	To Fund Bond Issues for Village Building Construction
.25	General Fund	2003	Additional Operating Revenue
.25	Motor Fuel Tax	2012	To Fund Continuing Road Maintenance

Budget Assumptions – The Village anticipates a 3.0% increase in Sales tax in the FY 2017 budget over the projected FY 2016 results. This increase is primarily due to the completion of the Route 53 construction project. This 3-year project negatively impacted revenues as a big box store and a membership club are located in the middle of the construction zone.

Property Tax

Property tax receipts represent about 12.9% of the Village's total revenues. Addison has historically taken a conservative approach to this revenue source, understanding the negative impact high property taxes can have where incomes are fixed, or are temporarily lost or decreased.

The levy which corresponds to this budget was levied in December, 2015. Property owners will pay this tax in two installments, due June 1 and September 1, 2016. A breakdown of the Village's total tax levy is as follows:

	<u>Final 2014 Levy for FY 16</u>	<u>Estimated 2015 Levy for FY 17</u>	<u>% Change</u>
General Fund			
Corporate	\$4,074,004	\$4,545,314	11.57%
Police Pension	2,745,546	2,771,317	0.94%
Subtotal	<u>6,819,550</u>	<u>7,316,631</u>	<u>7.29%</u>
Debt Service Fund	908,193	913,966	0.64%
Total Levy	<u>\$7,727,743</u>	<u>\$8,230,597</u>	<u>6.51%</u>
Equalized Assessed Val.	\$952,983,530	\$980,650,193	2.90%
Rate per \$100 EAV	\$0.8109	\$0.8393	3.50%

Budget Assumptions – The 2015 tax levy, which will be received in FY 2016-17 was based on a projected increase in EAV of 2.9%, and a total dollar increase of 6.51%. The total dollar increase is due to a 11.57% increase in the General - Corporate Levy and a 3.94% increase in the Police Pension levy, and a .64% increase in the levy for Debt Service. There is an extensive discussion of the property tax levy process in the General Fund section.

MAJOR REVENUE AND FINANCING SOURCES

Notes (Cont'd)

Income Tax

Income tax receipts represent approximately 12% of the Village's General Fund income. Local governments in Illinois receive a share of all State income tax receipts, allocated on a per capita basis to all municipalities. The State remits the taxes the second month after the due date. Example: January Income Taxes are due by February 28. The State remits to local governments the beginning of April.

Budget Assumptions - To prepare the FY 2017 budget for income tax receipts, three key elements were assumed:

Population - Income tax receipts are distributed based on the Village's population. Addison's most recent population used by the State is 36,942. It is assumed that there will be no change in population.

Municipality's share of income tax receipts – Prior to January, 2011, municipalities were entitled to 1/10 of income tax receipts. Due to the State's financial distress, the State Legislature temporarily increased the income tax rates on both personal and corporate income. As part of that legislation, the municipal percentage was changed to "maintain" the same revenue streams the 1/10 previously provided. The increases expired January 1, 2015. Due to the State's continuing fiscal distress, negotiations on the State budget in Springfield could impact the municipal share of income tax receipts. It is doubtful any resolution will occur until the middle of 2016. The Village will closely monitor the situation in the interim.

State-wide change in income tax receipts - FY 2016 receipts are projected to be 8.3% higher than the original budget. We budgeted no increase in the FY 2017 revenues.

Telecommunications Tax

Due to deregulation of the telecommunications industry, the State of Illinois adopted Public Act 90-154, the Municipal Telecommunications Infrastructure Maintenance Fee Act. As a result of litigation, the Illinois General Assembly rewrote the State Statutes. As of January, 2003, all telecommunication providers were required to charge a 1% telecommunications fee. The Village has passed an additional 5% fee, bringing the total telecommunications tax in Addison to 6%. This fee is remitted to the state, which remits the funds to the municipalities after subtracting an administrative charge.

Budget Assumptions – The FY 2016-17 budget assumes a 7% decrease based upon trending. As more residents move to lower cost cell phone and internet based phone plans, we have seen a drop in these revenues.

Real Estate Transfer Tax

This tax is imposed on the privilege of transferring title to real estate within the corporate limits of the Village, at the rate of \$2.50 for each \$1,000 of value or fraction thereof. The liability for payment of the tax is borne by the grantee or purchaser of any deed subject to the tax. The

MAJOR REVENUE AND FINANCING SOURCES

Notes (Cont'd)

Real Estate Transfer Tax (Cont'd)

Village takes a conservative approach to budgeting these revenues, as they can fluctuate with local housing trends.

Budget Assumptions: The FY 2016-17 budget remained flat from current year budget. Although we are seeing an uptick in foreclosure and sheriff sales, those transactions do not have to pay the transfer tax.

Motor Fuel Tax

This tax is collected by the State and shared with local governments to be used for the construction/maintenance of highways. All municipal funds are distributed based on population. Motor Fuel Taxes are remitted the month received by the State.

Budget Assumptions: Due to the fluctuation in oil prices and consumption, the Village has taken a conservative approach and maintained a flat budget for these revenues.

CHARGES FOR SERVICES

Water and Sewer Fees

Water and sewer user fees represent approximately 20.4% of the Village's revenue. The Village bills water and sewer usage on a bi-monthly basis, billing approximately half the Village each month.

The Village recognizes the impact a rate increase has on their customers and has raised rates only when necessary. Although the Village passes a multi-year rate plan, any unforeseen changes in rates from the DuPage Water Commission (DPWC) have to be passed on. These changes have not only included rate increases, but in FY 2006-2008 and FY 2016, rate decreases. The City of Chicago announced in 2011 they would be increasing their rate to the DPWC by 90% over four years. The first rate increase, 25%, became effective January 1, 2012, with the final increase on January 1, 2015. In addition, equipment and infrastructure repairs/replacements come with a high price tag. In order to maintain the proper fund balance and keep the equipment and infrastructure up to date, a four-year plan was adopted in FY 2015 that not only includes the decrease from DPWC, but a nominal 3% increase to cover increases in operations and capital expenditures. This is discussed in greater detail in the water/sewer section. The current budget includes both the rate decrease in the cost of water from DPWC and the increase in water rates to our customers.

Budget Assumptions – The User Revenues for Water and Sewer were calculated assuming no change in pumpage, with 87% of the pumpage being billed at the rates established by the recently passed three-year plan. The difference between pumpage and billing is due to infrastructure leakage and unmetered use, such as hydrant flushing.

Information on the smaller revenues is located in each fund section.

MAJOR EXPENDITURES

Notes

The largest use of funds is for Personal Services (45%), Services and Charges (15%), Debt Service (4%), and Capital Projects (17%).

PERSONAL SERVICES

The Police Department accounts for 48% of all personal services costs. The Police Department is a CALEA certified department and is very active in the community with various outreach programs. Programs include DARE, which focuses on youth; Community Emergency Response Team, which is open to all residents of the Village; and the Senior Citizens Police Academy. The Police Department opened the Henry Hyde Resource Center in FY 2008. In FY 2012, the Consolidated Dispatch Center Department was created to account for dispatch services. The Center provides police dispatch services for the Village of Bensenville, the Village of Bloomingdale, the Village of Wood Dale, the City of Itasca and the DuPage Forest Preserve District. The Center will be adding the Village of Glendale Heights and several Fire Districts.

The General Fund accounts for 21% of all personal services costs. The personnel in the General Fund include all administrative and operational departments, (Administration, Finance, Building and Grounds, Community Development, and Community Relations) and public works departments (Electrical and Forestry, and Street).

The Water and Sewer Fund accounts for 18% of all personal services costs. The personnel in the Water and Sewer Fund maintain the quality and distribution of potable water to the residents. In addition, they staff the treatment plants which treat sewer discharges. Environmental Services staff ensures that the levels of discharge from the commercial and industrial customers are within the EPA required levels.

Internal Service Funds which include Information Technology and Fleet Services accounts for 4% of all personal services costs.

The remaining 9% is included in the Police Pension Fund for retiree benefit costs.

SERVICES AND CHARGES

Water and Sewer accounts for 65% of services and charges. This is primarily due to the cost of water from the DuPage Water Commission and the utility costs in running the pumps and equipment at not only the wells but at the treatment facilities as well.

MAJOR EXPENDITURES

Notes (Cont'd)

CAPITAL IMPROVEMENT PROJECTS

Capital Improvements account for 17% of all expenditures within the Village. The annual road improvement program which includes reconstruction and resurfacing of additional roads accounts for 22% of all capital. Replacement and maintenance of equipment in the Water and Sewer Fund account for 5% of all capital. The Village has received grants to purchase properties that were damaged in the 2008 and 2010 floods. The completion of this program, upgrades to Village facilities, improvements to the Village Green and the construction of a new Addison Consolidated Dispatch Center account for 73% of the total Capital Improvements budgeted.

DEBT SERVICE

Debt Service payments are 5% of Village wide expenditures. Of the \$3,808,772 needed for debt payments, \$904,455 (24%) is paid with property taxes; the remaining \$2,904,317 (76%) is paid with Home Rule Sales Tax Increment monies.

VILLAGE OF ADDISON

CAPITAL IMPROVEMENTS PROGRAM SUMMARY

The Village of Addison annually prepares a Capital Improvement Program (CIP) for the five-year period beginning with the next fiscal year. The CIP is a planning document which is reviewed by the Village Board and is prepared by the Village Manager and Finance Director with the assistance of all Department Heads. Included are capital expenditures projected to cost in excess of \$25,000 which also have an expected lifetime of one or more years. The CIP is subject to further review and approval by the Village Board during the final budget process, based on available resources and expenditure requirements of the operations budget. What follows is a summary of all CIP expenditures and projects included in the budget for FY 2016-17.

CAPITAL SPENDING

Land/Building	\$8,977,300

Capital Improvement Program (CIP) Impact on FY 2016-17 Operating Budget

Most of the capital improvement projects listed in the Village's CIP Five Year Spending and Funding Summary will not cause an increase or a decrease in operating expenses. As infrastructure is improved and replaced one could argue that maintenance costs should decrease. However, it is assumed that other infrastructure will "replace" the maintenance needs so there has been no decrease in budgeted maintenance. Projects that will affect operating expenses include the following:

Land/Building

4404 ACDC Expansion

The Village will begin construction of a state of the art NFPA 1221 Communications Center that will be used by the Addison Consolidated Dispatch Center (ACDC). ACDC has expanded and continues to add agencies it provides dispatch services for. In addition, the facility will serve as a "back-up" solution for the residents of DuPage County.

Operating Budget Impact: The service fee assessed each of the agencies is used to cover the cost of their respective services. The cost of the construction of the facility is in the Capital Projects budget, whereas the costs of maintaining the new facility are included in the Consolidated Dispatch Center and Building and Grounds budgets.

4572 FEMA and State Buyouts - 2008

4584 FEMA and State Buyouts – 2010

Federal and State funding will allow the Village to acquire 14 flood prone properties in three (3) different subdivisions which were severely damaged in 2008 and 2010.

Operating Budget Impact: The costs involved with clean-up after a storm that causes flooding in these areas will be eliminated.

Streets

4479 Sidewalk Replacement

Funding for the Village's sidewalk replacement program to limit potential trip hazards.

Operating Budget Impact: The elimination of potential trip hazards will decrease the Village's liability and insurance exposure, thereby potentially lowering insurance premiums.

DEBT SUMMARY

OVERVIEW AND DEBT FINANCING PRINCIPLES

The Village of Addison has historically taken a conservative approach to debt financing. The goal of the Village's debt policy is to maintain the ability to provide high quality essential Village services in a cost-effective manner. Policymakers weigh this goal against maintaining the ability to borrow at the lowest possible rates. The Village has used the following guidelines before financing projects with long-term debt:

- Staff conservatively projects the revenue sources to pay off the debt.
- The financing of the improvement will not exceed its useful life.
- The benefits of the improvement must outweigh its costs, including the interest costs of financing.

Through the application of these guidelines, the Village Board tests any demand for debt financing. Furthermore, the Village uses debt only to provide financing for essential and necessary capital projects. The chart below shows a brief history of the Village's outstanding bond debt.

VILLAGE OF ADDISON
Outstanding Bond Debt
Fiscal Years Ending 2007 through 2016

Note: The higher debt in FY 07 is due to the 2006C and 2007 G.O. issues for the new Library construction. The property tax on these issues will be abated and paid by existing home rule sales tax increment revenues. The increase in FY 2011 is due to the 2010 Taxable G.O. bonds which were issued to purchase the Driscoll property. The annual principal and interest payments for this bond will be paid thru a property tax levy.

DEBT SUMMARY

LEGAL DEBT MARGIN

The Village is a home rule municipality.

Article VII, Section 6(k) of the 1970 Illinois Constitution governs computation of the legal debt margin.

"The General Assembly may limit by law the amount and require referendum approval of debt to be incurred by home rule municipalities, payable from ad valorem property tax receipts, only in excess of the following percentages of the assessed value of its taxable property...(2) if its population is more than 25,000 and less than 500,000 an aggregate of one percent:...indebtedness which is outstanding on the effective day (July 1, 1971) of this constitution or which is thereafter approved by referendum... shall be included in the foregoing percentage amounts."

To date the General Assembly has set no limits for home rule municipalities.

TYPES OF VILLAGE DEBT

The Village's general obligation bond rating is AA+ from Fitch Inc. and AA from Standard & Poor's.

This positions the Village to secure more favorable interest rates. A general obligation bond has the full faith and credit of the Village pledged. The general obligation alternate revenue bonds, which are a pledge of a specific revenue source, (i.e. utility taxes, sales taxes, water revenues) and a tax levy, carry the same rating. However, all other types of debt instruments are of a lesser credit quality and therefore will have higher relative interest rates. An approximate ranking is as follows:

General Obligation/General Obligation Alternate Revenue
Water and Sewer Revenue
Special Service Area
Special Assessment

CONCLUSION

The Village issues new debt only after careful consideration of the benefits of the capital project being financed and a conservative analysis of the revenue sources required to pay off the debt. By following these practices and by monitoring the total debt burden, the Village has been able to maintain a high bond rating, which equates to lower interest costs. The Village's overall financial health is good, and by following sound financial and management policies, the Village Board and staff will emphasize continued efforts toward maintaining and improving the Village's financial performance in the coming years.

The charts on the following pages provide summaries of outstanding bond issues and future debt service requirements.

GENERAL FUND

Narrative

This all-purpose fund handles the operations of the municipality not accounted for in a separate fund. The functional areas included in this fund are:

Administration
Boards & Commissions
Finance
Community Relations
Building & Grounds
Police
Henry Hyde Resource Center
Consolidated Dispatch Center
Community Development
Electrical/Forestry
Street
General Ledger

GENERAL FUND (10) REVENUES

GENERAL FUND REVENUE

Notes

ANALYSIS OF GENERAL FUND REVENUES

Summary

The Village of Addison has maintained a strong financial position. The current economic downturn has presented challenges that the Village has been able to successfully address and maintain services throughout. The Village has untapped revenue sources available and continues to seek and take advantage of economic development and redevelopment opportunities. As a home rule community in the State of Illinois, the Village is not constrained by the property tax caps placed on non-home rule communities. However, in an effort to hold the line on property taxes, the Village has voluntarily worked to maintain relatively low property tax rates. This has been accomplished in part, due to Addison being home to the second largest industrial park acreage in a municipality in the Chicago area.

Over the years, the Village has experienced steady growth in the equalized assessed value (EAV) in its residential and commercial/industrial sectors prior to Fiscal 2011 when the Village experienced it's first drop in EAV. After six years of declining EAV, Fiscal 2017 is looking at an increase in EAV. We expect this recovery to continue in future years. The Village is in the enviable position to maintain a sustainable level of development, due to available land and its strategic location which is easily accessible from every direction. Four State highways penetrate and cross the Village's boundaries including Route 20 (Lake Street), Route 53 (Rohlwing Road), Route 64 (North Avenue), and Route 83 (Robert Kingery Highway). Lake Street, the main street through the Village, boasts over 30,000 cars traveling on a daily basis. Interstate 290, the North-South Tollway (355) and the Tri-State Tollway (294) provide easy vehicular access to Addison. The Chicago Loop and Midway Airport are 35 minutes away; O'Hare International Airport is only a 20-minute drive.

GENERAL FUND REVENUE

Notes (Cont'd)

Summary (Cont'd)

In order to hold down property taxes while providing a vast array of services, the Village has had the luxury of utilizing its diverse sales tax base. The Village realizes that sales tax revenues can be fickle, and has purposely maintained a variety of revenue options which can be implemented when sales taxes level off or decline. For instance, the Village's financial policies include the provision to maintain a minimum unrestricted fund balance of 25% of expenditures in all operating funds. Three months of expenditures allows the Village to maintain operations when revenues may be lagging. The Village can also tap into a variety of other revenue sources which it has yet to enact. One of which, a Utility Tax of 5%, could conservatively produce an additional \$1.6 million revenue on an annual basis.

3001 Property Taxes

Property tax receipts represent about 24% of the Village's General Fund income, and the Village's levy represents only about 7% of a property owner's total property tax bill. As noted above, Addison has historically taken a conservative approach to this revenue source, understanding the negative impact high property taxes can have in a sluggish economy where incomes are fixed, or are temporarily lost or decreased. The Village's tax rate per \$100 of equalized assessed valuation (EAV) has decreased each year as the EAV had increased. Conversely, as the EAV decreases, the rates increase. Due to the economic downturn, valuations have dropped thus causing increases in the tax rate. The 2015 tax levy, which will be received in FY 2016-17 was based on a projected increase in EAV of 2.9%, and a total dollar increase of 6.51%. The total dollar increase is due to an 11.57% increase in the Corporate Levy, a .94% increase in the Police Pension levy, and a .64% increase in the levy for Debt Service. The levy which corresponds to this budget was levied in December, 2015. Property owners will pay this tax in two installments due June 1 and September 1, 2016. A breakdown of the Village's total tax levy is as follows:

	Final 2014 Levy for FY 16	Estimated 2015 Levy for FY 17	% Change
General Fund			
Corporate	\$4,074,004	\$4,545,314	11.57%
Police Pension	2,745,546	2,771,317	0.94%
Subtotal	6,819,550	7,316,631	7.29%
Debt Service Fund	908,193	913,966	0.64%
Total Levy	\$7,727,743	\$8,230,597	6.51%
Equalized Assessed Val.	\$952,983,530	\$980,650,193	2.90%
Rate per \$100 EAV	\$0.8109	\$0.8393	3.50%

GENERAL FUND REVENUE

Notes (Cont'd)

3001 Property Taxes (Cont'd)

PROPERTY TAX RATE

EQUALIZED ASSESSED VALUE

The Corporate levy increased \$471,310 from last year's levy, the Police Pension levy increased by \$25,772 and Debt Service increased \$5,773 for an increase of \$502,855 or 6.51%. The Police Pension levy is based on an actuarial analysis which takes into account many factors including age of members, age of participants, years of service, contributions by the Village and members, and investment results. The increase in the Police Pension levy is due in part to a decrease in the expected rate of return, and the fact that more participants are eligible to retire in the near future. An amount equal to the Police Pension Property Tax is transferred from the General Fund (see Police Department budget) to the Police Pension Fund. Prior to FY 2009, the Village had been able to maintain the funding level of the Police Pension Fund's pension obligations at or over 80%. The Village continues to strive to bring the funded balance back up.

GENERAL FUND REVENUE

Notes (Cont'd)

3001 Property Taxes (Cont'd)

The Debt Service portion of the Village's levy, shown in the table on the prior page, is credited to the Debt Service Fund and can be found in that section of this budget. The increase is due to the structure of the payment amortization schedule.

Property taxes for 2015 attach as an enforceable lien on January 1, 2015, on property values assessed as of the same date. Tax dollars are levied by December of the subsequent fiscal year (by passage of a Tax Levy Ordinance). Tax bills are prepared by the County and issued on or about May 1, 2016, and are payable in two installments, on or about June 1, 2016 and September 1, 2016. The County collects such taxes and remits them periodically. The allowance for uncollectible taxes has been stated at one (1) percent of the tax levy to reflect actual collection experience. The 2015 tax levy is intended to fund expenditures for the 2016-17 fiscal year.

The DuPage County Assessor's Office is responsible for determining assessed value of real property utilizing market values and established assessment ratios. The State of Illinois Department of Revenue then assigns an equalization factor to each county in an attempt to adjust for different assessment practices. This results in an equalized assessed valuation (EAV) figure. In Illinois, a government's tax rate is determined by dividing its total tax levy into its total EAV. The 2015 EAV shows an estimated 2.9% increase over 2014.

PROPERTY TAX CYCLE

January	Enforceable Lien on Property attaches for all home owners as of January 1.
January – October	Townships perform the assessment process.
October	Notification from some Townships regarding value of new growth that will be included on tax roles.
October	Publication in local newspaper of proposed assessed values. At this point taxpayers can file an appeal if they disagree with proposed assessed values.
November	Finance Department estimates what the EAV will be for calculating the Tax Levy and the proposed Tax Rate.
December	Public Hearing and passage of the Tax Levy, filed with County Clerk by the last Tuesday in December.
December	Passage of any Property Tax Abatements, filed with the County Clerk by the last Tuesday in December.
March	Receive preliminary adjusted tax levy from the County including the adjustment/increase for uncollectible taxes. However, the EAV is not included, so only the dollars levied is included.

GENERAL FUND REVENUE

Notes (Cont'd)

3001 Property Taxes (Cont'd)

April/May	Receive proposed/preliminary tax levy from the County for approval. It is at this time the EAV is included as reported to the County from the Township. Rate limits and compliance with rate limits are included/calculated, as is the actual tax rate per \$100 assessed value. To be approved by the Finance Department and returned to the County.
May	Final Tax Rates determined and reported back to the taxing body.
May	Tax bills prepared and issued by the County.
June	1 st installment of property taxes are due – 50% of the bill.
September	Balance of property taxes due.

The Village levies a specific total dollar amount in December. At that time the actual EAV is not known, but an estimate is made in order to estimate the rate per \$100 of assessed valuation. The actual rate is not determined until April/May when the County receives the final EAV from the townships and then calculates the final rate.

In times of economic downturn, the easy answer to address lower revenues is to raise property taxes. The Village is very aware of the impact that choice would have on property owners with fixed incomes or those who have lost income. This is why the Village is constantly looking for other revenue sources and tries not to be heavily dependent on property taxes.

3003 Road and Bridge Taxes

This tax is levied through the Township, and by State Statute. Half of the levy is distributed to municipalities within the Township based on assessed values.

3005 Replacement Tax

The Personal Property Replacement Tax (PPRT) is received directly from the state. It is derived from corporate income and as such is directly related to the economy.

3010 Real Estate Transfer Tax

This tax is imposed on the privilege of transferring title to real estate within the corporate limits of the Village, at the rate of \$2.50 for each \$1,000 of value or fraction thereof. The liability for payment of the tax is borne by the grantee or purchaser of any deed subject to the tax. The Village takes a conservative approach to budgeting these revenues, as they can fluctuate with local housing trends.

GENERAL FUND REVENUE

Notes (Cont'd)

3020 Income Tax

		<u>Amount</u>	<u>% Inc (Dec)</u>
FY 2013	(Actual)	\$ 3,329,232	10.62%
FY 2014	"	3,599,856	8.13%
FY 2015	"	3,617,900	0.50%
FY 2016	(Est. Actual)	3,880,000	7.24%
FY 2017	(Budget)	3,880,000	0.00%

Income tax receipts represent approximately 12% of the Village's General Fund income. Local governments in Illinois receive a share of all state income tax receipts allocated on a per capita basis to all municipalities.

Budget Assumptions - To prepare the FY 2017 budget for income tax receipts, three key elements were assumed:

Population - Income tax receipts are distributed based on the Village's population. Addison's most recent population used by the State is 36,942. It is assumed that there will be no change in population.

Municipality's share of income tax receipts – Prior to January, 2011, municipalities were entitled to 1/10 of income tax receipts. Due to the State's financial distress, the State Legislature temporarily increased the income tax rates on both personal and corporate income. As part of that legislation, the municipal percentage was changed to "maintain" the same revenue streams the 1/10 previously provided. The increases expired January 1, 2015. Due to the State's continuing fiscal distress, negotiations on the State budget in Springfield could impact the municipal share of income tax receipts. It is doubtful any resolution will occur until the middle of 2017. The Village will closely monitor the situation in the interim.

State-wide change in income tax receipts - FY 2016 receipts are projected to be 7.2% higher than the original budget. We budgeted no increase in the FY 2017 revenues.

3025 Telecommunications Tax

Due to deregulation of the telecommunications industry, the State of Illinois adopted Public Act 90-154, the Municipal Telecommunications Infrastructure Maintenance Fee Act. As a result of litigation, the Illinois General Assembly rewrote the State Statutes. As of January, 2003, all telecommunication providers were required to charge a 1% telecommunications fee. The Village has passed an additional 5% fee, bringing the total telecommunications tax in Addison to 6%. This fee is remitted to the state, which remits the funds to the municipalities after subtracting an administrative charge.

GENERAL FUND REVENUE

Notes (Cont'd)

3025 Telecommunications Tax (Cont'd)

The decision to implement a telecommunications tax was made on the premise that although the majority of people have telephone service, the types of service and amount of usage is somewhat in their control. In addition, the telecommunications tax provides additional diversity in the revenue mix. However, with the introduction of cable telephone and internet phone services, residents are switching to lower cost plans which carry lower telecommunications tax.

Budget Assumptions– The FY 2016-17 budget assumes a slight decrease based upon trending.

3030 Sales Tax and 3031 Sales Tax Increment

		<u>SALES TAX</u>		<u>SALES TAX INCREMENT</u>	
		<u>Amount</u>	<u>% Inc (Dec)</u>	<u>Amount</u>	<u>% Inc (Dec)</u>
FY 2013	(Actual)	\$7,675,969	(2.61)%	\$1,559,012	(3.60)%
FY 2014	"	8,382,852	9.21%	1,767,929	13.40%
FY 2015	"	8,503,004	1.43%	1,731,008	(2.09)%
FY 2016	(Est. Actual) *	9,554,000	12.36%	1,990,000	14.96%
FY 2017	(Budget)	8,849,800	(7.37)%	1,801,900	(9.45)%

* The increase in FY 16 is due to a one-time adjustment made by the State which increased the Sales Tax and Sales Tax Increment the Village received.

Sales and Sales Tax Increment (home rule) revenues represent the largest single revenue source or about 33% of the Village's General Fund income. Items, except food and drugs, in Addison are subject to an 8.25% sales tax (eff.1/1/12). Sales taxes are imposed upon all retail sales and upon all persons engaged in the business of making sales of services within the Village's corporate limits. These taxes are collected by the State, and divided among the taxing districts as follows:

State	5.00%
Village	
Municipal Tax	1.00%
Home-Rule Tax	1.00%
DuPage County	.50%
DuPage Water Commission	.25%
Regional Transportation Authority	<u>.50%</u>
Total	8.25%

*Note: The municipal tax is credited to the General Fund. Home Rule sales taxes are used as follows:

<u>Rate</u>	<u>Fund</u>	<u>Year</u>	<u>Reason</u>
.25	Debt Service Fund	1995	To Fund a Redevelopment Bond Issue
.25	Public Building Fund	1997	To Fund Bond Issues for Village Building Construction
.25	General Fund	2003	Additional Operating Revenue
.25	Motor Fuel Tax	2012	To Fund continuing Road Maintenance

GENERAL FUND REVENUE

Notes (Cont'd)

3030 Sales Tax and 3031 Sales Tax Increment (Cont'd)

The Village has had the luxury of utilizing its strong sales tax revenues in lieu of putting pressure on the property tax rate. Due to the Village's excellent geographic location and the current and future economic development plans, the Village expects to be able to maintain its diverse sales tax base, as shown in the pie chart:

Sales Tax and Sales Tax Increment by Source Calendar Year 2015

Budget Assumptions – The Village anticipates a 3.0% increase in Sales Tax in the FY 2017 budget over the projected FY 2016 results, net of the \$962,000 one-time Sales Tax Adjustment the State made during FY 2016.

As part of the Village's economic development incentives, Addison has entered into various sales tax rebate agreements. Under these agreements, the Village generally rebates 50% of sales tax receipts over a specified period of time. The Village uses this development tool sparingly and only in cases where Addison did not expect development to occur. The additional sales tax revenues generated by these new developments are included in the sales tax budget projections. The rebates associated with these agreements are described and shown as expenses in the General Ledger section of the General Fund budget.

3034 Local Use Tax

The Village receives a share of the total collections of the state use tax that is extended to items purchased outside of Illinois. The state distributes this tax on a per-capita basis and the Village projects minimal growth for this revenue source in Fiscal 2017.

GENERAL FUND REVENUE

Notes (Cont'd)

3046 Video Gaming Tax

The State recently allowed local businesses to add video games in their businesses. This is the one percent tax the Village receives from the video games via the State. The Village has budgeted a 4.5% increase in FY 2017

3050 Room Tax (Hotel-Motel)

Receipts for this tax are rebounding after being negatively impacted by the downturn in the economy. The Village increased the rate from 4% to 5% in the FY 2014 budget. The Village is a member of the DuPage County Visitor and Convention Bureau with a portion of the increase in revenues being used for dues.

3100 Licenses, Permits, and Fees

These are shown as stable, limited-growth revenue sources, with the following exceptions:

3117 Multiple Dwelling Licenses

This license is for the Village's multiple family dwelling license and inspection program. An annual license fee consists of \$50.00 to \$150.00 per building and \$75.00 per unit.

3118 Building Permits

These permits are activity-based and, as such, are subject to economic conditions. The Village has taken a conservative approach to budgeting for these revenues. Permits are anticipated to grow based on interest in currently vacant properties.

3125 Development Review Fee

This fee is used to cover legal, engineering, zoning, the recording of plats, and other Village incurred costs. These fees fluctuate as the economy does. The Village has taken a conservative approach to budgeting for these revenues.

3196 Fire Plan Review Fees

The Fire District reviews plans for new buildings or renovations based on the existing fire code and charges a fee for this service. The Village collects this fee and reimburses the District. The reimbursement cost is shown in the Community Development Department's account #4110.

3198 Review and Inspection Fees

This fee is charged at a rate of 2% of commercial and industrial project construction costs to cover the review and inspection of engineering and architectural plans.

GENERAL FUND REVENUE

Notes (Cont'd)

3206 Court Fees – SB 1260

SB 1260 provides for an additional \$20 fee from a person who receives court supervision. This fee shall be paid to the law enforcement agency that employed the arresting officer and shall be used for the acquisition or maintenance of police vehicles.

3208 Administrative Adjudication

This fee is charged for any local ordinance violations issued by the Police and/or Community Development departments.

3209 Red Light Camera Enforcement

Fines from a red light camera enforcement program. The Village installed two cameras in late FY 2009 as a means to reduce traffic accidents at two (2) high volume intersections. Accidents have decreased, and the cameras have been taken down at those initial intersections. Two additional cameras were installed at another high volume intersection in 2010. However, they were removed mid FY 2012 to allow for a State of Illinois Road Construction project. Two cameras were installed in FY 2013 at a major intersection that is adjacent to a school zone, due to traffic accidents. These are the only two cameras installed in the Village.

3220 Vehicle Impound Fee

A fee whereby any person arrested on a DUI charge that has to have their vehicle towed will be assessed a Vehicle Impound Fee.

3350 Garbage Billing

The Village contracts with an outside waste hauling company to provide garbage retrieval services to the Village. In addition, the Village acts as a billing/collection agent for the waste hauler and includes the charge for refuse pick-up on the bi-monthly water/sewer bills for residential customers only. The Village then remits the collections to the waste hauler, less a processing fee. This is the processing fee.

3351 Branch Pick-up Fees

The Village has contracted with an outside service for monthly branch pick-up. This is the fee associated with the service. It is included on the bi-monthly water/sewer/garbage billings.

3355 Bail Bonds

The Village initiated a bail bond fee for everyone arrested by Addison Police Officers and processed in our booking facility. This is the fee attached to the booking process.

GENERAL FUND REVENUE

Notes (Cont'd)

3360 Consolidated Dispatch Center Fees

The Village transitioned to the Starcom21 radio platform late in FY 2012. As part of that move, the police department expanded the current dispatch department and now provides dispatch services to surrounding communities. This is the charge to those communities for the service. Further details can be found in the Consolidated Dispatch Center department pages starting on page 147.

3833 School Liaison Program

The Village provides Liaison officers at both the junior and high schools. This accounts for the reimbursements from District #4 and District #88 for the liaisons.

3839 Public Safety

This line item accounts for quarterly payments for fair share revenue associated with the Du Meg drug enforcement agency.

3860 Rentals & Concessions

Rent monies are received from a variety of telecommunication companies for the privilege of putting their antennae on Village property. The Village also receives rent from DuPage County for use of the Village's boardroom as a satellite traffic court.

3861 Contributions and Donations

In prior years, this included annual contributions of \$10,000 for CATV scholarships and \$34,000 for the CATV operating grant, both of which come from the local cable television provider. The current renewal includes an annual PEG payment of \$30,000 for equipment replacement/upgrades.

3899 Miscellaneous Revenues

Includes fees charged for stray grocery cart pickup, booth rentals for the Tuesday night community events and other miscellaneous charges.

3970 Transfer from Police Pension

Payment to the Village for assuming the duties of tracking individual pension accounts and preparing the pension fund's annual report to the Illinois Department of Insurance.

ADMINISTRATION

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

This budget provides funds for the operation of the offices of the Elected Officials, the Village Manager, the Central Administrative Offices, and the costs associated with the centralization of personnel, purchasing, and risk management functions in this department. This budget also provides the majority of funding for Village legal expenses and the costs associated in providing for the undertaking and transcription of meeting minutes for the Board and certain advisory boards, committees and commissions. This budget also provides funding for the Village's membership in a number of municipal organizations, including the DuPage Mayors and Managers Conference and the Illinois Municipal League.

The Village is governed by an elected Mayor, who serves as the Chief Executive Officer, and six (6) Village Trustees who serve as the legislative and policy making body. The Village Clerk is elected and responsible for maintaining all legal documents of the Village, issuance of State of Illinois licenses, acting as Deputy Registrar for the county, state and federal level, codification of the Village Code and acts as liaison between Elected Officials and Village Staff. The Clerk is assisted by a Deputy Village Clerk.

The Village Manager is the Village's Chief Administrative Officer, and is appointed by the Mayor with the advice and consent of the Village Board of Trustees. The Village Manager directs the activities of all Village departments in accordance with State of Illinois law and Village Board policy.

Human Resources

The Director of Human Resources/Risk Management serves as the manager of this function with the assistance of the Human Resources Assistant. The Human Resources Division is responsible for oversight of all recruitment, employment, promotion, evaluation, discipline and compensation activities relative to Village employees. This office is responsible for record keeping, employee benefits programs, union and non-union labor relations activities as well as statutory compliance.

Risk Management

As Risk Manager, the Director of Human Resources/Risk Management, with the assistance of the Village's Department Heads, the Human Resources Assistant, Village Safety Committees, and Executive Safety Committee, administers the Village's self-insured property, casualty, general and liability, workers' compensation and employee health benefits plan. The Director of Human Resources/Risk Management oversees the Village's safety program and serves as the Village's delegate on the Board of Directors of the Intergovernmental Risk Management Agency (IRMA).

ADMINISTRATION

Narrative (Cont'd)

DESCRIPTION OF DEPARTMENTAL ACTIVITIES (Cont'd)

Purchasing

The Village's Purchasing Agent, reporting to the Village Manager, is responsible for coordinating the acquisition of all goods, equipment and services required for Village operations; and, to formulate and assist all other departments with formal bids for capital improvements and major equipment purchase(s).

The Purchasing Division of this department utilizes a database of vendors and suppliers on an existing software program owned by the Village to increase purchasing efficiency and reduce costs. The Purchasing Agent follows the Village's adopted Purchasing Policy and is responsible for making recommendations for updating the policy to reflect cost effectiveness and changes in local, state and federal laws governing purchasing procedures.

Economic Development/Business Retention

With the direction of the Mayor, the Village Board and the Village Manager, the Assistant Village Manager oversees the economic development and business retention program for the Village of Addison. This function is geared toward fostering a healthy business environment for existing establishments in Addison as well as attracting outside business into the Village. It also includes T.I.F. District management and other incentive programs. The business retention component of this program works with current Addison businesses in an effort to create and then maintain open lines of communication between Village officials and business owners.

FY 2016-17 Key Objectives

Strategic Priority 5: Civic Engagement

- a. Increased involvement in community events
 - Through annual contributions made to such organizations as: Family and Youth Services, Addison Center for the Arts, and Township/Transit, the Village of Addison is actively engaged in the community of the residents it serves.

Strategic Priority 6: Employee Development

- a. Fully-trained and capable employees
 - Provide training to supervisors and staff utilizing the training resources offered through the Employee Assistance Program (E.A.P), I.R.M.A, DuPage Mayors and Managers, I.P.E.L.R.A, Village Counsel, etc.

ADMINISTRATION

Narrative (Cont'd)

FY 2016-17 Key Objectives (Cont'd)

Strategic Priority 6: Employee Development (Cont'd)

- b. Stable and qualified employees
 - Implementation of the Employee Assistance Program (E.A.P) will assist needy or troubled employees by offering resources to address their personal and/or performance issues. Employee utilization of the resources offered by an E.A.P. will make them more productive and focused members of the Village of Addison work-team.
 - The E.A.P. will also help retain and stabilize the Village of Addison work-team by helping to address and mitigate those personal and/or performance issues certain employees may be having, issues that may cause them to perform unsatisfactorily. Mitigating performance and/or personal issues via an E.A.P. before they turn into bigger issues requiring discipline, benefits everyone in the organization.
- c. Competitive Compensation Package
 - The Village will continue to monitor the compensation package of the Village of Addison staff in an effort to determine if the benefits are competitive with our comparable communities. Such a priority will have the effect of helping to retain the most qualified staff for each position.

BOARDS & COMMISSIONS

Narrative

DESCRIPTION OF DEPARTMENTAL PROGRAMS AND ACTIVITIES

Cultural Arts Development Commission

This Commission was developed to provide the community with cultural enrichment. The Cultural Arts Development Commission works with other related organizations to bring cultural events to the Village. Due to the lagging economy and the opening of the Addison Center for the Arts, funding for this commission has been suspended and no budget presented. A contribution to the Addison Center for the Arts can be found in the Public Relations line item in the Administration budget.

Addison Historical Commission

The Historical Commission was created to preserve the history of the Village by collecting and displaying historical artifacts at the Historical Museum located in the Balzer House in the Historical District. The Historical District, located across the street from the Village Hall on Army Trail Blvd., began taking shape with the purchase of Century House in the 1992-93 Fiscal Year. The subsequent purchase and restoration of the historical Balzer House and accompanying Coach House complete the Historical District. Funding for this commission has been suspended and no budget presented. However, costs associated with operating the Historical District can be found in various line items in the Community Relations Department and the Public Building Fund.

Blood Bank Commission

This Commission operates the Addison Life Source Blood Program, of which all Addison residents are members at no charge. This applies to residents and their families, including grandparents, grandparents-in-law, and dependent children living away from home. The program also applies to any hospital throughout the United States and Canada.

Senior Citizen Commission

This Commission serves as a liaison between elected officials and senior citizens in the Village of Addison. The members of the Senior Citizen Commission also coordinate various events for the Addison Park District Senior Citizens Club, which currently has over 240 members and meets on a weekly basis. Members of the Senior Citizens Club volunteer their time as greeters in the Addison Police Department lobby on weekdays to help direct court traffic, participate in the Seniors and Law enforcement Together (S.A.L.T.) program, and help with routine clerical duties such as copying and mass mailings. Some of the social outings include a Red-White-Blue celebration, Royalty Day, Men's Night Out and Ladies Day Fashion and many other programs.

Police Commission

The Police Commission was established in 1950 and is responsible for the examination and hiring of new patrol officers, promotions within the force, and discipline where the penalty exceeds five days. The members are appointed by the Mayor with the approval of the Trustees.

FINANCE

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

The Finance Department is managed by the Finance Director who directs and coordinates the fiscal operations of the Village with the help of two (2) Assistant Finance Directors. The department has two divisions, Accounting and Audit, and Operations and Budget. The Finance Director advises and makes recommendations to the Village Board and Administration concerning current and future financial policies and needs. The Finance Director is appointed Treasurer by the Village Board. As custodian of Village funds, the Village Treasurer performs cash flow analysis, invests available funds, and administers pension plans as required by policy or State Statute.

Accounting and Audit

Major responsibilities include administration and control of accounting records in compliance with generally accepted accounting principles and compliance with local ordinances, as well as State and Federal Statutes. Monthly financial and investment reports, in addition to cash and banking reconciliations, are also included. Primary responsibility for the annual audit is within this division. A Comprehensive Annual Financial Report (CAFR) is prepared in conformity with the Governmental Accounting Standards Board requirements, using the Governmental Accounting Auditing and Financial Reporting model established by the Government Finance Officers Association. Additional State and local reporting is also accomplished by this division. This area includes direct supervision of accounts payable and payroll.

The Village is audited annually by an external independent accounting firm to assure compliance with accounting standards and reporting along with local, state, and federal regulations. Internal controls are reviewed to assure the safeguard of assets and to prevent irregularities. The Finance Department, throughout the year, works to assure that the Village is in compliance with financial and reporting regulations, and ensure that internal controls are maintained.

Operations and Budget

Major responsibilities include direct supervision of water billing, accounts receivable and collections (front counter) in the day-to-day interactions with residents and customers, both internal and external. The division processes payments received by the Village for water bills, permits, tickets, vehicle stickers and various other payments. Primary responsibility for the preparation, presentation, and administration of the annual Village budget is within this division. Trend analysis of revenues and expenditures are reviewed and projected during the budget process. The budget document is a planning, control, and measurement policy of the Village. The current budget presents current year plus two projected years. Once adopted by the Village Board, the control and measurement process of budget administration begins. The annual audit also reviews and measures Village budget performance.

Narrative (Cont'd)

FY 2016-17 Key Objectives**Strategic Priority 2: Community Image**

- c. An educated community on quality of life issues
 - Continue providing Budget and Comprehensive Annual Financial Report (CAFR) online.
 - Continue providing information on how to prevent high water usage.
 - Continue achieving the GFOA Distinguished Budget Presentation Award and the Certificate of Achievement for Excellence in Financial Reporting.
 - Continue maintaining and/or improving current bond rating of AA+ with Fitch Rating Agency and AA with Standard & Poor's Rating Agency.

Strategic Priority 4: Infrastructure

- a. Improved productivity via technology
 - Collaborate with IT Department in selection, installation, and implementation of new financial software.

Strategic Priority 5: Civic Engagement

- b. Improved efficiency of customer service operations
 - Continue selling vehicle stickers at Senior Club meetings.
 - Continue researching and implementing internet payment processes.

Strategic Priority 6: Employee Development

- a. Fully trained and capable employees
 - Continue training and developing staff.

COMMUNITY RELATIONS

Organization Structure

COMMUNITY RELATIONS

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

The Community Relations Department delivers “The Addison Advantage” within the Village organization, and the community of Addison, through a series of multi-faceted objectives.

The Department is responsible for engagement of the community, through development of projects such as Addison’s Summer of Special Events including the Memorial Day ceremony and events, “Rock ‘N Wheels” concerts and festivals, and the Miss Addison Scholarship Pageant. Other events and operations during the year are the holiday season celebrations including the Fall Fest, Mayor’s Community Charity Ball and Christmas Tree Lighting, operation of the Addison Historical Museum, and special public forums including the annual Itasca Bank & Trust Company “Shape of Addison” town hall meeting and the biannual “Meet The Candidates” event sponsored by the Addison Chamber of Commerce & Industry.

Community Relations is responsible for promoting transparency and proactive public information including operations and Village production of programming on Addison Community Television, the “Village Addison” YouTube channel, the Addison Advantage.org and It Happens In Addison.com websites, monthly e-newsletter, weekly e-blasts, a Twitter account and two Facebook pages, “Code Red” emergency notification system, the “Addison Connect” mobile app launched in 2015, and serving as public information officer to the Village’s Emergency Management Team and Emergency Operations Center.

Community Relations is staffed by the Community Relations Director, Assistant Director, Special Events Coordinator, Historical Museum Curator, and two Media Operations Coordinators. The Community Relations Director is appointed by, and reports to, the Village Manager. Department staff represents the Village Manager at the Special Events and Historical advisory commissions, Mayor’s Community Charity Ball, Inc. and planning committee, and the Intergovernmental Public Relations Committee.

During Fiscal Year 2015-2016, the Community Relations Department met a number of challenges including increased attendance at the “Rock ‘N Wheels” summer concert fests, increasing visitors to the Historical Museum, realizing more than \$15,000 in event sponsor revenue from area businesses, exceeding 2,000 subscribers to the Village’s e-newsletter, and coordinating the Memorial Day event which engaged diverse stakeholders and increased attendance by the community.

Community Relations maintains Addison Community Television, the community’s local cable programming service for 33 years. In addition to television programming operations, ACTV programming is streamed live online, and on several platforms, but also through the Village’s You Tube channel “Village Addison” for increased accessibility to the community’s programming. In 2015, a new cable franchise agreement was negotiated with Comcast that will provide a capital and materials revenue fund dedicated to local cable programming operations.

COMMUNITY RELATIONS

Narrative (Cont'd)

FY 2016-2017 STRATEGIC PLAN INITIATIVES

Strategic Priority #2: Community Image

- a. Fully integrated community – no fragmentation
 - Outreach to schools, seminars, Henry Hyde Resource Center, faith-based businesses by Fall 2017.
 - Prepare proposed schedule of projects by December 31, 2017.
- b. An educated community on quality of life issues
 - Request program for funding by December 31, 2015.
 - Issue RFP to hire a consultant by Fall 2016.
 - Research & design survey by Fall 2017.
 - Conduct survey by Summer 2017.

Strategic Priority #5: Civic Engagement

- c. Increased involvement in community events
 - Determine set of mutually agreed upon events by December 2015.
 - Develop Marketing Plan for events and budget for plan by February 2016.
 - Present plan to Village Board at budget meeting by April 2016.
 - Implement Marketing Plan by May 2016.
 - Measure attendance to determine increase by August 2016.

BUILDING & GROUNDS

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

The Building and Grounds Department is responsible for maintaining the value and appearance of the Village Hall, Police Department, Evidence facility, the Historical District buildings and grounds, and the Henry J. Hyde Neighborhood Resource Center, through timely and cost effective maintenance and repair of structural, mechanical, plumbing and electrical systems, as well as supplying custodial services. In addition, this department is assisting in the design and construction principles of the new Consolidated Dispatch center. The total area of these facilities exceeds 105,500 square feet. The goal of these efforts is to provide a safe, clean, and productive work environment for the Village employees and the general public who utilize these facilities.

The Building and Grounds Department consists of two (2) full time maintenance staff under the direct supervision of the Building and Grounds Foreman. Typical tasks include contracted custodial services, performing routine maintenance and building repairs to plumbing, electrical and mechanical systems, painting, interior and exterior improvements, repairs to the building and roof, snow removal from sidewalks and parking lots, various landscape maintenance and improvements and periodic inspections to provide information for planning of long term capital improvements, all while trying to minimize the need for outside contractors. This department is also responsible for the implementation of programs meant to improve the operational functions in and around these facilities. This department also assists in the set up for meetings of Village staff, Boards and Commissions, outside organizations and other functions held on Village property. Finally, this department receives all deliveries to the Village Hall.

FY 2016-2017 Key Objectives

Strategic Priority 4: Infrastructure

b. Improved reliability – hard infrastructure

- Continue working to provide efficient and comprehensive preventive maintenance and repairs for the Village's buildings and all appurtenant equipment and systems; and continue to limit the need for outside repair vendors by performing the job tasks utilizing our current in-house staff.
- Continue to maintain and operate the physical plant of these facilities, in accordance with the needs of the user departments, in part with the assistance of a private cleaning service, and within the parameters of the approved budget.
- Continue to develop a long term, comprehensive replacement program for various building and system components, based on estimates of their useful service lives.

BUILDING & GROUNDS

Narrative (Cont'd)

FY 2016-2017 Key Objectives (Cont'd)

Strategic Priority 4: Infrastructure (Cont'd)

- c. Comprehensive facilities plan in place and funded
 - Assist in the design, construction and implementation services for the construction of the new Consolidated Dispatch Center.

Organization Structure

* The Director of Police is a non-sworn/civilian position in a non-binding advisory capacity.

POLICE

Narrative

DEPARTMENTAL DESCRIPTION OF ACTIVITIES

The Addison Police Department, a nationally accredited law enforcement agency accredited by the Commission on Accreditation for Law Enforcement Agencies (CALEA), and under the leadership and direction of the Director of Police, is divided into two divisions. Those divisions are the Field Services Division and the Support Services Division. Each division is headed by a Deputy Chief of Police, who directs, oversees and coordinates their respective division activities. The department utilizes a Community Policing philosophy, which includes aggressive police patrols, Problem Oriented Policing (directed patrol, special watches, projects & problem solving), a specialized Investigations Unit, a Crime Prevention Unit, Community Response Unit, and Traffic Unit. With this approach, the department diligently pursues the safety of its citizenry as its primary goal. The Addison Police Department was reaccredited in 2015 and was awarded “*Accreditation With Excellence*” for the second time, as well as the Meritorious Award, which recognizes accredited agencies for having been accredited for fifteen or more continuous years.

Field Services Division

The Field Services Division consists of two Commanders, and three teams of Patrol Sergeants and Patrol Officers. Field Service personnel provide uniformed patrols, emergency services, traffic enforcement, and other services as needed by the community over a twenty four (24) hour period. Weather and manpower permitting, officers work foot patrol in high activity areas with a one-on-one approach with citizens. Officers with specialized accident reconstruction training are responsible for the investigation and reconstruction of major accidents. They perform selective enforcement at high-accident intersections and also concentrate on overweight truck enforcement, DUI enforcement, and seat belt enforcement. The Field Services Division also encompasses the Community Response Unit (CRU) where officers work with the landlords within town to ensure the Crime Free Multi-Housing Agreements are being followed. This has been a very successful program for all residents within the Village of Addison.

Support Services Division

The Support Services Division consists of specialized units and administrative task assignments that provide technical support to the efforts of the Field Services Division and the overall law enforcement objectives of the department on behalf of the community. The division is also responsible for overseeing the Village’s Emergency Operations Plan. The division consists of the Criminal Investigative Section/Gang Tactical Unit, Property and Evidence Control Section, Records Management Section, Consolidated Dispatch Center, and the Special Projects Unit (which also manages the department’s accreditation program: CALEA), the Crime Prevention Unit, Citizen Volunteers, and the Henry Hyde Neighborhood Resource Center. The Crime Prevention Section provides a vast array of programming for adults and children. The Crime Prevention Section helps promote educational programs throughout the community. In addition, the division provides a uniformed presence and coordinates services at the Henry Hyde Center and other outreach programs throughout the Village of Addison. The division’s personnel consist of sworn officers, civilian staff, and many citizen volunteers, overseen by the Deputy Chief, one Commander, a Detective Sergeant and an Administrative Sergeant.

Narrative (Cont'd)**FY 2016-17 Key Objectives****Strategic Priority 2: Community Image**

- The department will provide staff and resources to support the following programs and initiatives related to schools and life-long learning; SPC, DARE, GREAT, School Liaisons, School Crisis Committee, Intergovernmental Agreements, develop school operational plans for graduations, evacuations, and other special events, teen/adult CERTS programs, Citizen Police Academies, SALT, Police Explorers, and Continuing Education for Police Officers.
- The department will continue to support programs that embrace, expand and create interaction/participation between the various ethnic groups. Some of the programs that are offered at the Henry Hyde are tailored toward a specific ethnic group, i.e. English as a Second Language (ESL) classes, but a vast majority of the programs are offered to everyone in the community and an effort is made to encourage participation by every ethnic group in the numerous crime prevention programs offered.
- The police will continue to work with all faith-based communities for outreach programs.
- The police will continue to be active participants in the “Los Padres” committee working within our community.
- The department will offer CERTS and other programs, in Spanish, at the Henry Hyde Resource Center.
- The department will hold educational events for all members of the community to be apprised of current criminal trends. An example of this will be the training of “Who is knocking on my door” for financial scams or thefts within the elderly community.
- The department will provide personnel and resources at the neighborhood resource center to staff and develop programs related to assimilation. The department will provide personnel and resources that support current school-based community outreach programs, i.e. District #4 Outreach Meetings. In addition, the department will pursue grant opportunities and in-kind support of school-based community outreach programs.
- The department will address crime trends or patterns with the Community Response Unit and by use of Directed Patrol. Also, on an annual basis, all specialty units will be reviewed to decide if they should be dropped, re-deployed, expanded, or left as is.

POLICE

Narrative (Cont'd)

FY 2016-17 Key Objectives (Cont'd)

Strategic Priority 3: Housing

- The department has Community Response personnel that are trained to provide the Crime Free Multi-Housing program to landlords within the community. The Community Response Unit Section will work with the Finance and Community Development Departments to require all rental property-owners to attend the Crime Free Multi-Housing program. The Community Response Unit will follow up nuisance complaints and enforce the Nuisance Abatement Ordinance, and we will work with the Community Development Department to mitigate nuisance complaints.

Strategic Priority 4: Infrastructure

The department will continue to incorporate new technology to work towards better service provided to the citizens. On an annual basis the department will review the use of new technology, i.e. e-mail, cellular telephones, the Village website, and other emerging technology.

- In keeping with the continued use of technology, we will utilize telephone reporting systems as an added service to the community.
- Training resources will be reviewed annually to decide the best use of technology and funds.
- The Command Staff of the department will work with their staff members regarding working conditions. Command Staff members will continue to hold labor management meetings to discuss working condition issues to foster higher morale and professional working relationships.
- The Command Staff will develop a recommendation on manpower needs based upon a study of service needs.

The Director of Police is a non-sworn/civilian position in a non-binding advisory capacity.

HENRY HYDE RESOURCE CENTER

Narrative

Center's Description of Activities

The Henry Hyde Resource Center (HHRC) operates under the leadership and direction of the Addison Police Director. The Addison Family Alliance Director is also the Director of the HHRC. The Center is divided into two main areas of service. These two areas are After School Programming/Children's Services and Adult Education Services. The Henry Hyde Resource Center's goal is to enrich and improve the lives of individuals who seek services at the Center. The Center diligently strives to obtain feedback from the community and ensure the services being provided meet the needs of the community. Through partnerships with various organizations/service providers such as People's Resource Center, College of DuPage, U of I Extension, Northern Illinois Food Bank, Elmhurst College, Addison School District 4, School District 88, NEDSRA, Addison Park District, Teen Parenting Connection, DuPage County Health Department, etc., the Center is able to provide a wide range of services.

After School Programming/Children's Services

The After School Programming/Children's Services consists of an After School Program that runs Monday through Friday from 3 p.m. to 5:30 p.m. throughout the school year. During the summer, the Center runs camps for the children when the budget allows for it. During both the After School Program and the Camps, the Center is able to feed each child due to the partnership with the Northern Illinois Food Bank. The Center also provides special events for the children, such as Family Fun Nights, as well as other educational presentations for the children and their families. The Center is dedicated to providing a safe and educational environment for the children while providing activities that are fun and entertaining. The life skills that the children learn at the HHRC help them develop into responsible and respectable members of the Addison Community.

Adult Education Services

Adult Education Services consist of Computer Literacy classes, English as a Second Language classes (E.S.L.), G.E.D. classes, Teen Parenting classes as well as Informational/Educational Seminars and Fairs from service providers in the area. The Center offers E.S.L. classes in the mornings, and Computer Literacy, G.E.D. and Teen Parenting classes in the evening. Our Community Partners have delivered seminars/workshops that range from Health Fairs to Mobile Food Pantries to Citizenship Workshops. The seminars/workshops are scheduled in the evenings and weekends for everyone's convenience.

HENRY HYDE RESOURCE CENTER

Narrative (Cont'd)

FY 2016–17 Key Objectives

Strategic Priority 2: Community Image

- a. Fully integrated community – no fragmentation.
 - The Henry Hyde Resource Center will provide staff and resources to support an After School Program where children may seek homework assistance and reading/literacy improvement. The Police Department will continue to provide Crime Prevention Officers to continue safety education for both children and parents. The Center will continue to expand Adult Education Programs through expanding relationships with service providers and organizations.
 - The Center will continue to support programs that embrace, expand and create interaction/participation between the various ethnic groups.
 - The Center offers a variety of programs that are tailored toward specific ethnic groups, i.e. E.S.L. classes, G.E.D. classes in Spanish, and a vast majority of the programs are offered to everyone in the community and an effort is made to encourage participation by every ethnic group in the numerous crime prevention programs offered.
 - The Center will attempt to obtain funding through grant opportunities to expand the assimilation process and the Village budget to hire additional staff.

CONSOLIDATED DISPATCH CENTER

Organization Structure

* Not charged to this budget

The Director of Police is a non-sworn/civilian position in a non-binding advisory capacity.

CONSOLIDATED DISPATCH CENTER

Narrative

DESCRIPTION OF ACTIVITIES

The Addison Consolidated Dispatch Center (ACDC) is a part of the Support Services Division of the Addison Police Department, and under the leadership and direction of the Director of Police and the Deputy Police Chief assigned to Support Services. The ACDC is supervised by the civilian Director of Communications and a Deputy Director of Communications; who direct, oversee and coordinate the activities of the section personnel; and insure that the radio, communications, and related equipment is maintained in working order.

The Consolidated Dispatch Center is responsible for the prompt answering and processing of E911 emergency calls; efficient dispatching of the proper units or agency(s) to the resulting calls for service; and coordinating the agency's units responding to incidents. After normal working hours they also answer and process all non-emergency phone calls. Telecommunicators (T/Cs) are responsible for entering and updating the CAD system to track calls for service, and unit status; as well as entering, modifying and canceling entries made in the LEADS system for wanted and missing persons, and stolen articles and vehicles; as well as making inquiries in LEADS for requests from various sources. T/Cs also maintain databases of active warrants, towed and repossessed vehicles, emergency call outs, arrests, and other files; and handle the lobby window.

The Consolidated Dispatch Center currently provides services for the Village of Addison, the Village of Bensenville, the Village of Bloomingdale, the DuPage County Forest Preserve Police, the City of Wood Dale, and the Village of Itasca. The Center is capable of expanding services to other communities.

A public and officer safety philosophy includes the prompt and professional response over the radio system to the department's police units' requests and inquiries. Quality control is checked by random customer service compliance checks of the employee's handling and processing of both E911 emergency and non-emergency calls; as well as radio traffic. With this approach, the Center diligently pursues the safety of the citizenry and employees of the member agencies as its primary goal.

Personnel

The Consolidated Dispatch Center has an authorized strength of nineteen civilian T/Cs, plus the Communications Director and Deputy Director of Communications. The T/C schedules are split between five shifts, working under the Deputy Director and the Director of Communications; under the Deputy Chief of Police of Support Services Division. As the center increases the communities it services, personnel additions may be appropriate to maintain proper service levels.

CONSOLIDATED DISPATCH CENTER

Narrative (Cont'd)

FY 2016-17 Key Objectives

Strategic Priority 4: Infrastructure

- The Center will continue to incorporate new technology to work towards better service provided to the citizens.
- Annually, the Center will review the use of new technology, (i.e. e-mail, cellular telephones, the Village website, and other emerging technology).
- Training resources will be reviewed annually to decide the best use of technology and funds.
- Staff will develop a recommendation on manpower needs based upon a study of service needs and workloads.
- In order to accommodate the provision of services to other agencies, the current Addison Consolidated Dispatch Center has been expanded to eight full telephone, radio, CAD, and VOA work positions. The Center will add two more full positions in 2016 to fulfill our commitment to Glendale Heights PD.
- In order to provide dispatching services to the organizations who are interested in joining ACDC and to provide a “backup” solution for the residents of DuPage County, the Village of Addison has entered into a contract with FGM Architects to construct a state of the art NFPA 1221 Communications Center, located on Village owned property on Jeffrey Drive.
- To accommodate the call taker function that is part of the Addison Consolidated Dispatch Center staffing, upgrades to the records area, as well as the existing phone systems were also made. These positions are available for use when the need arises.
- ACDC continues to use the EDIRS radio system, utilizing talk groups as needed based on incident and call volumes.
- To ensure fluid operations during normal operations and emergency events, radio drills for telecommunicators and officers are done on a bi-monthly basis.

CONSOLIDATED DISPATCH CENTER

Narrative (Cont'd)

FY 2016-17 Key Objectives (Cont'd)

Strategic Priority 5: Civic Engagement

- The Addison Police Department is a proponent of consolidating other independent Public Safety Answering Points (PSAPs) into our communications center.
- The Village of Bensenville has been a member since August 16, 2011 when the ACDC began answering their 911 calls and dispatching their units.
- The Village of Bloomingdale has been a member since November 27, 2012 when ACDC began providing E911 and dispatch services for their police department.
- The DuPage County Forest Preserve Police became members on May 4, 2015.
- The City of Wood Dale became a member October 20, 2015.
- The Village of Itasca became a member January 5, 2016.
- The Village of Glendale Heights will become a member in May 2016.
- ACDC has been working with the Pleasantview Fire Protection Agency to provide dispatching services and plans to cut-over in September 2016.
- ACDC has been working with the Tri-State Fire Protection Agency to provide dispatching services.
- Over the last 14 months ACDC has been meeting with neighboring fire departments, who are interested in joining ACDC to provide their residents and first responders a single point of dispatch.
- Other independent PSAPs have been provided information and costs associated with becoming members of ACDC.
- To provide the additional services to new member agencies, additional full-time telecommunicators, or part-time call takers, may have to be hired, equipped, and trained to handle the added workload.

COMMUNITY DEVELOPMENT

Organization Structure

COMMUNITY DEVELOPMENT

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

The Community Development Department is managed by the Director of Community Development, who oversees and coordinates operations related to building permits, code enforcement, engineering, capital improvements, planning/zoning, GIS and economic development for the Village. The department has twenty (20) full time employees. The Community Development Director also serves as Assistant Village Manager for the Village.

Building Permits

Building permits for all work required by the Village code are processed by our team of professionals, including clerical, plan review and supervisory staff. Inter-departmental plan review comments are also coordinated into the permit process. The Instant Permit Program allows homeowners to receive a permit in one short appointment for smaller home improvement projects, such as decks, patios, driveways, sheds, fences, utility connections, etc. Sign variations and outdoor activity permits are also processed by this staff.

Code Enforcement

Enforcement of all building and property maintenance codes is performed by our team of professionally trained inspectors. Areas of inspection include new construction, redevelopment, new business licenses, rental housing, annual commercial/industrial, commercial/industrial pre-sale, curbside inspections, transfer stamp approvals and property maintenance complaints. This division also completes the sump pump inspections for transfer of property. Staffing of the Tenant-Landlord Commission is included in this function. Beginning in 2007, vacant foreclosures began adding to our workload in this area.

Engineering

The design and construction of all land development improvements is reviewed and inspected by our team of professional engineers. Plan reviews are performed for all exterior utility, grading, drainage, parking and other site improvements related to new construction and/or redevelopment. Plan reviews are conducted for public improvements related to subdivision and planned unit development. To insure code compliance, inspections are performed by the engineering staff during various phases of construction. In 2010, GIS functions for the entire Village organization were transferred from IT to the Engineering Division. The Community Rating System (CRS) and Insurance Service Organization (ISO) compliance are also performed by Engineering. Beginning in 2010, property sump pump inspections were transferred from Public Works to Engineering, and in 2014 this function was absorbed by all CD Inspector II positions.

Capital Improvements

A majority of the Village's capital improvement projects are coordinated by the Community Development Department. These include roadway, drainage, traffic signals, CDBG, noise walls, bike paths, sewer and water improvement projects. Miscellaneous projects, such as land acquisition and building construction, are also coordinated by the Community Development Department.

COMMUNITY DEVELOPMENT

Narrative (Cont'd)

Planning and Zoning

Land use development cases are legally processed by our professional planning staff. Our planning staff processes annexations, subdivisions, planned unit developments and zoning variations. The process involves legal notice, public hearings, agenda preparation and plan review for case consideration by the Zoning Board of Appeals, Plan Commission, Town Center Commission, Building, Zoning and Development Committee and Village Board. Working with the Village attorney, the planning staff prepares all the legal documents for land use development cases, and records these documents. The planning staff also conducts zoning reviews for building permits and business licenses. Appearance standards are also reviewed for all new and rehabbed buildings. The Façade Grant Program is also administered by staff from this area. During FY 2011/12 the Comprehensive Plan was updated by our planning staff.

Economic Development

Economic development activities are performed by the professional planning staff in the Community Development Department, with the goal of maintaining and growing an active and balanced business community in the Village. Activities include TIF District projects, sales tax rebate incentives, facade renovation incentives, marketing data compilation, Town Center projects, new business recruitment and existing business retention.

FY 2016-17 KEY OBJECTIVES

Strategic Priority 1: Economic Development

- b. Successful commercial development
 - Continue working with commercial and retail property owners to improve their property and upgrade their tenant mix.
 - Continue seeking new businesses to fill vacancies.

Strategic Priority 3: Housing

- a. Expanded supported living housing options for seniors
 - Work with developers to provide senior housing.
- b. High percentage of Addison residents remain here
 - Work with property owners and developers to maintain quality housing stock.
- c. Current unincorporated areas are successfully incorporated
 - Continue annexing unincorporated parcels.

ELECTRICAL & FORESTRY

Organization Structure

ELECTRICAL & FORESTRY

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

The Electrical & Forestry (E&F) Division of the Public Works Department operates under the direction of the Director of Public Works and Superintendent of Public Works. The division is overseen by the Electrical and Forestry Foreman and is comprised of one Public Maintenance Worker III, three Public Maintenance Worker II, and two Public Maintenance Worker I. This division also provides partial funding for clerical and administrative staff.

Forestry

The Electrical & Forestry budget provides for the maintenance of Village trees on parkways, street medians, subdivision entrances, detention basins and all other Village properties. Work includes planting, pruning, dead/hazardous/diseased/infested tree removal, stump grinding, site restoration (soil, sod & seed), fertilization, watering, herbicide/pesticide application, staking and mulching. This budget also provides for horticultural maintenance of the Village's landscaped areas (such as urban plazas, subdivision entrances, flowerbeds and Veteran's Circle) as well as a portion of the contract mowing and maintenance of Village properties, aquatic weed control, mosquito abatement, elementary school Arbor Day activities, and subdivision and/or construction landscape plan reviews for proposed additions or upgrades within the Village of Addison. E&F also continues to work on the multi-year Emerald Ash Borer (EAB) Readiness Plan to remove existing dead or infested Ash trees within the Villages ROW and replacing them with a strategically diverse tree species population.

Electrical

The Electrical & Forestry budget also provides for maintenance and repair to the street light and traffic signal systems. Such work includes the locating, repair and replacement of underground cable, replacement of light bulbs/refractors/luminaries, removal and replacement of streetlight poles, bases and arms (corresponding to vehicle accidents, water main breaks, etc.), maintenance and repair of the lighting control panels, plan reviews, and contractual traffic signal maintenance. This budget also covers the contract maintenance of the Village's warning siren system and the maintenance, installation and removal of five of the Villages pond aerators servicing ponds in various subdivisions.

Miscellaneous

The Electrical & Forestry budget provides for portions of salaries of Public Works clerical and administrative staff, along with Public Works janitorial services. Snow plowing and salting during regular hours of operation, flag & banner maintenance and Holiday decoration display and removal are additional items of work performed by this division.

ELECTRICAL & FORESTRY

Narrative (Cont'd)

FY 2016-17 Key Objectives

Strategic Priority 2: Community Image

1. Continue work to maintain and improve the aesthetics of the Village's properties and thoroughfares as follows:
 - a. Add festive and inspiring holiday décor to municipal grounds for the public to enjoy.
 - b. Provide special maintenance, such as planting of flowers at the Village's entrance signs, Veteran's Circle, Lake Street medians, Village Hall grounds and Urban Plazas
 - c. Continue to provide additional public services such as the Village's extensive branch pickup program, free mulch delivery to residents, Christmas tree pickup program, and the Arbor Day elementary school program and tree give-away.

Strategic Priority 4: Infrastructure

1. Manage and maintain the Village's municipal tree population:
 - a. Village's new GIS Tree Inventory program provides inventory and mapping of the Village's street and property tree species, locations, size, condition for asset inventory, GIS integration with Village systems, canopy coverage and species tracking and diversity.
 - b. Replace trees lost to the Emerald Ash Borer with greater species diversity, planning and spacing for long term community benefits.
 - c. Provide maintenance of the parkway trees throughout the Village through pruning activities, risk assessment and the removal of dead, diseased and hazardous trees.
2. Manage and maintain the Village's street lighting system:
 - a. Responsibly integrate the use of LED technology into streetlight program.
 - b. Continue to update streetlight system with GIS re-inventory, inspection, maintenance and upgrades.
 - Control panel replacement and upgrades
 - Remote disconnect installations
 - Street lighting addition and relocation plans
 - Panel and light pole painting and maintenance
3. Thoroughfare maintenance:
 - a. Brick paver resetting, cleaning, sealing along Addison's thoroughfares, urban plazas and municipal grounds.
 - b. Mowing and maintenance of Village properties, including detention basins, grounds at public buildings and vacant property.

Strategic Priority 6: Employee Development

1. Continue to provide training and certification for Division employees in both electrical and forestry programs, methods and technology, promoting acknowledged professionalism to the Village's staffing.

STREET

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

The Street Division is a part of the Public Works Department. This department is under the direction of the Director of Public Works, Superintendent of Public Works and the Street Division Foreman. Additional staff includes one Maintenance Worker III, five Maintenance Worker II, and two Maintenance Worker I. This budget also provides partial funding for clerical and administrative staff.

Street Maintenance

This budget provides for the maintenance of snow and ice operations, asphalt pavement repair and maintenance, emergency traffic control and barricading, repair of pot holes, repair of sidewalks and curbs, replacement of sidewalks, striping of roadway lane lines, school crosswalks and stop bars, repair of damage due to snow plowing operations, installation and maintenance of street signs, and street sweeping.

Flood Control

This budget provides for the maintenance of creeks by pulling logs and debris from the creek system, inlet cleaning, pumping out basements, barricading flooded streets or streets undergoing maintenance activities, sandbagging and evacuating people from flooded homes.

Miscellaneous

This budget provides for the maintenance of the waterways in and out of each holding pond, graffiti removal from sidewalks, streets, buildings, and sight/sound wall along I-290, maintenance of sound wall along I-290 from Route 83 to I-355 (funding in Capital Projects Fund), and help in planning traffic control, crowd control and safety barriers for various community events as directed.

FY 2016-17 Key Objectives

Strategic Priority 4: Infrastructure

1. Pavement

- a. Continue to secure funding to address areas throughout the Village where pavement has failed. This includes:
 - Areas where pavement has settled below curb line, pooling water that will eventually weaken the base and cause pavement failure.
 - Preserve existing pavement by crack sealing joints and cracks. Continue to crack seal new pavement 2-4 years after completion. This includes MFT work.
- b. Stripe pavement as needed to ensure the safety of the motoring public, pedestrians and school children
- c. Continue to sweep streets on a predetermined schedule to help keep contaminants out of the streams as well as presenting a good image of our village.

Narrative (Cont'd)**FY 2016-17 Key Objectives (Cont'd)****Strategic Priority 4: Infrastructure (Cont'd)****1. Pavement (Cont'd)**

- d. Continue to refine and adjust snow operations to ensure the safety of the motoring public. Strive to determine salt usage prior to each storm, using enough to be effective, at the same time being mindful of the environment.

2. Concrete Sidewalks, ADA Non-Compliant Sidewalk, Aprons and Curbs

- a. Continue to secure funding to address areas throughout the Village where sidewalks have failed. This includes:
 - Trip hazards caused by tree roots pushing sidewalk up or slab movement caused by frost or settlement.
 - Spalling caused by aging concrete or elements.
 - Severe cracking commonly found in apartment complexes where garbage trucks cross driveways to access containers in rear of parking lots.
- b. Continue the five year sidewalk survey, completing 20% of the Village each year.
 - Potential trip hazards, movement and spalling are documented to be addressed when scheduling allows.
- c. Continue to respond to resident's notification of trip hazards within a reasonable period of time, grinding trip hazards down to a safe transition.
- d. Continue to secure funding to address replacing ADA Non-compliant sidewalks.
- e. Replace curb where drainage issues pose a threat of pooling water in street to prevent premature pavement failure, mosquito breeding or icing in the winter.
- f. Replace driveway aprons where repairs are needed due to structure movement, street or curb repairs or similar circumstances.

3. Street Signs

- a. Continue to secure funding to address street sign requests and replacement. This includes:
 - Directives for additional signage.
 - Replacement of damaged signs or fading/cracking due to age, or required replacement of signs due to legislative action.
- b. Maintain and update sign inventory. Continue with sign inspection.

4. Other Maintenance

- a. Continue to perform other maintenance activities in the furtherance of Village goals, as follows:
 - Cleaning of various creeks and ditches to insure proper water flow.
 - Operation of several storm water detention basins.
 - Removal of graffiti on public and private property.
 - Set up detours for community events.

STREET

Narrative (Cont'd)

FY 2016-17 Key Objectives (Cont'd)

Strategic Priority 6: Employee Development Initiative

1. To utilize off site education and onsite training to have employees fully trained and capable of operating each piece of equipment in the absence of other employees.
2. Attend update seminars to keep informed on changing requirements for street sign placement and MUTCD manual.

Performance Measures

	FY 14-15 ACTUAL	FY 15-16 ESTIMATE	FY 16-17 PROJECTION
Inputs			
Direct Expenditures	\$2,491,508	\$2,575,300	\$2,612,800
Number of Employees	9	9	9
Outputs			
Hours expended for graffiti removal	85	75	100
Total lineal feet of curb and stripe painting	41,605	47,000	47,000
Total squares of sidewalk replaced	729.5	926	900
Total curb miles of street swept	2,593	3,000	3,500
Total tons of asphalt used	4,513	4,700	5,000
Total hours of snow plowing	2,231	2,000	3,000
Total tons of salt used	1,012	1,500	2,500
Effectiveness			
% Graffiti complaints completed on schedule	100%	100%	100%
% Sidewalk repairs made within 30 days	100%	100%	100%
% Asphalt repairs (potholes) within 24 hours	90%	90%	90%
% Street sweeping completed on schedule	85%	95%	95%
Efficiency			
Average cost to remove graffiti, per job	\$139.97	\$130.00	\$140.00
Average cost to repair asphalt failures, per repair	\$308.09	\$323.00	\$323.00

GENERAL LEDGER

Narrative

The General Ledger section provides for Village property, casualty, and liability insurance premiums and other policies carried by the Village as a member of the Intergovernmental Risk Management Agency (IRMA). In addition, sales tax and room tax abatements used as economic development incentives are included in this section. This section can also be used to provide for transfers to other Village funds to supplement their operations.

GENERAL LEDGER

Notes

4110 – Technical and Consulting

Due to the ongoing drop in telecommunications tax revenues, the Village is working with a consultant to help recover lost revenues. The recovery will include telecommunications tax, sales tax, cable tax, etc.

4149 - 4158 IRMA Insurance

Workers compensation and other liability insurance costs for General Fund departments. The Village participates in the Intergovernmental Risk Management Agency (IRMA). This is a public entity risk pool whose members are Illinois municipalities.

4830 – 4840 Economic Development Incentive Expenditures

4830 Sales Tax Abatement - Centennial Plaza

4831 Sales Tax Abatement - IMAX (Marcus)

4834 Room Tax Abatement - Hampton Inn

4835 Sales Tax Abatement – Caputo’s

4836 Sales Tax Abatement - Wal-Mart

4837 Telecommunications Tax Abatement

4838 Sales Tax Abatement – Venuti’s

4840 Sales Tax Abatement – Fox Lake Commons

4830 Centennial Plaza

- 50% of non-home rule sales tax generated by Centennial businesses (except those businesses listed in Exhibit C of the Business Development Agreement) + 50% of Hotel/Motel tax receipts.
- 15-year term or \$2.5 million, whichever comes first.
- Quarterly payments.
- Start date = 3rd quarter of 1999 / estimated end date = December 2014.
- First Amendment approved in FY 2013 extends agreement until December 2019.

4834 Hampton Inn

- 50% of hotel tax.
- Through April 2016 or \$460,000, whichever comes first.
- Monthly incentive adjustments on tax owed.
- Estimated start date = November 2003 / estimated end date = April 2016. Final payment was made December, 2014. No more payments expected.

GENERAL LEDGER

Notes (Cont'd)

4835 Caputo's

Initial incentive:

- 50% of non-home rule sales tax over the 2002 base (calendar) year.
- 5-year term or \$200,000, whichever comes first.
- Payable by May 15 of each year from 2004 through 2008.

Supplemental Incentive:

- 50% of non-home rule sales tax over the 2002 base (calendar) year.
- 5-year term or \$600,000, whichever comes first.
- Payable by May 15 of each year from 2009 through 2017.

If **all** of the following conditions are met: (conditions met 11/28/06)

- Balance of shopping center leased by 1/1/07.
- Façade for the balance of the shopping center renovated by 1/1/07.
- Parking lot resurfaced with landscaped islands by 1/1/07.

4836 Wal-Mart

- 50% of non-home rule sales tax revenue generated.
- 15-year term or \$3.5 million, whichever comes first.
- Possible increase to 17-year term or \$4.25 million in the event a waiver of a parking covenant is not received.
- Annual payments.
- Estimated start date = 05/18/05. Construction of building must be completed by 12/31/05. Estimated end date = 12/31/20 or 12/31/22 in the event the waiver is not received. The waiver was not received so the ending date is 12/31/22 and the limit is \$4.25 million.

4837 Telecommunications Tax Abatement

In FY 2005, when the Village Board instituted the Telecommunications Tax, it was aware the tax would have a negative impact on the other taxing bodies. The Board passed an abatement ordinance whereby taxing bodies, upon submission of copies of paid telecommunications bills, receive a refund of the taxes paid.

4840 Fox Lake Commons

- 100% of non-home rule sales tax generated by Panera Bread.
- Up to \$10,000 per calendar year.
- 15-year term beginning with calendar year 2012.
- Start Date = Calendar Year 2012 (payable in 2013) End Date = After Calendar year 2027 (payable in 2028).

(BLANK)

WATER AND SEWER FUND

Narrative

This fund accounts for all operations and capital expenses of the water and sewer utility services provided by the Village. The fund is comprised of three general areas: Water, Sewer, and Water Pollution Control.

The Water Department provides all customers with adequate, cost-effective, potable water. The Village, along with a consortium of other local governments, formed the DuPage Water Commission to construct and maintain a water pumping system to bring Lake Michigan water to the area.

The Sewer and Water Pollution Control Departments are responsible for the cleaning, repairing and monitoring of both the sanitary and storm sewer systems in accordance with the Environmental Protection Agency (EPA), Illinois Environmental Protection Agency (IEPA) and all other governing bodies.

WATER AND SEWER FUND REVENUES

Notes

3140 Annexation/Tap on Fees

This fee revenue is received from property owners or builders who are annexing to the Village or constructing new residential or commercial properties. The fee covers the cost of connecting these properties to the Village's water and sewer systems. Since receipt of these fees is unpredictable, the Village budgets \$15,000 annually.

3208 Administrative Adjudication

The Village has implemented an administrative adjudication process for less severe infractions instead of going to court. This records the fees received from the process.

3301 User Revenue- Water

3303 User Revenue- Sewer

		Water Revenue	Sewer Revenue	Total User Fees	% Inc (Dec)
FY 2013	"	6,494,784	6,038,258	12,533,042	9.15%
FY 2014	"	7,199,573	6,028,722	13,228,295	5.55%
FY 2015	"	8,005,287	6,121,718	14,127,005	6.79%
FY 2016	(Est Act)	8,472,800	6,241,600	14,714,400	4.16%
FY 2017	(Budget)	8,706,000	6,413,000	15,119,000	2.75%

Water and sewer user fees represent approximately 95% of the Water and Sewer Fund's income for the FY 2017 Budget. Total user fees vary from year to year due to rate increases as outlined in the table shown on the next page, changes in consumption due to vacancies, water conservation and weather-related water usage differences. In 1992, the Village, along with a consortium of other local governments, formed the DuPage Water Commission to construct and maintain a water pumping system that replaced the individual well systems, by bringing Lake Michigan water to the area. The Village accounts for two separate user charges, which are based on the amount of water consumed by Addison residents and businesses:

Water revenues - charged to cover all activities associated with the water system, including the cost of water from DPWC and water main replacement and maintenance.

Sewer revenues - charged to cover all activities associated with the Sewer and Water Pollution Control systems including sewer and storm sewer replacement and maintenance.

The Village recognizes the impact a rate increase has on their customers and has raised rates only when necessary. Although the Village passes a multi-year rate plan, any unforeseen changes in rates from the DuPage Water Commission (DPWC) have to be passed on. These changes have not only included rate increases, but in FY 2006-2008 and FY 2016, rate decreases. The City of Chicago announced in 2011 they would be increasing their rate to the DPWC by 90% over four years. The first rate increase, 25%, became effective January 1, 2012, with the final increase on January 1, 2015.

WATER AND SEWER FUND REVENUES

Notes (Cont'd)

3301 User Revenue- Water

3303 User Revenue- Sewer (Cont'd)

In addition, equipment and infrastructure repairs/replacements come with a high price tag. In order to maintain the proper fund balance and keep the equipment and infrastructure up to date, a four year plan was adopted in FY 2015 that not only includes the decrease from DPWC, but a nominal 3% increase to cover increases in operations and capital expenditures. We have included a timeline progression of rates and the 4-year Rate Plan as adjusted for the current proposed increase in DPWC rates.

Timeline of rate progression:

FY1994–FY1998 - We were able to maintain an unchanged rate. During that timeframe, we received annual rebates from the DuPage Water Commission (DPWC) which helped maintain the rate.

FY 1999 – A 5-year rate plan was approved and implemented.

FY 2004 – The Board approved a 5-year Rate Plan that went thru FY 2009.

FY 2006, 2007, and 2008 - The Board passed a \$.20 per thousand gallon rate reduction each year for a total reduction of \$.60. (Pass thru from DPWC)

FY 2009 – The Board approved a 5-year Rate Plan that went thru FY 2013.

FY 2012 – The Board passed a \$.20 per thousand gallon rate increase. (Pass thru from DPWC)

FY 2012 and 2013- The Board passed an additional \$.43 and \$.59 per thousand gallon rate increase, respectively, due to the increase from the City of Chicago. (Pass thru from DPWC)

FY 2013 – The Board passed a 4-year Rate Plan which includes future increases by the City of Chicago and for Village Water/Sewer Operations.

FY 2015 – The Board passed a 4-year Rate Plan which included the decrease in DPWC rates and increases for the Village.

FY 2016 – The Board passed a \$.10 per thousand gallon rate decrease. (Pass thru from DPWC)

Water & Sewer Rate Increases

Four Year Plan

(Rates per 1,000 gallons)

FISCAL YEAR	Effective Date	DPWC / Chicago Incr (Decr)	Village Operations Incr 5/1	Water Rate	Village Operations Incr 5/1	Sewer Rate Incr 5/1

WATER AND SEWER FUND REVENUES

Notes (Cont'd)

3301 User Revenue- Water

3303 User Revenue- Sewer (Cont'd)

The Village's Water and Sewer Fund capital expenses include storm water capital improvement projects, which are normally funded by municipalities using local property taxes. Water and Sanitary sewers handle the inflow and outflow of water and wastewater, whereas storm sewers handle rain water runoff. The Village has historically included storm sewer expenses in the Water and Sewer Fund.

3305 Penalty – Water

3306 Penalty – Sewer

This is a penalty assessed on unpaid accounts after the due date, which is 21 days after the bill is issued.

3312 Water Meter Revenue

Charges for new water meters and related radio read transmitters for new construction.

3315 Turn on Fees

Fees assessed to have service restored after shutoff for non-payment.

3325 Lab Fees

Charges for sampling and analysis of waste streams produced by various commercial and industrial users.

3327 Sewer Pollution Surcharge

An additional charge paid by various commercial and industrial users for high strength organic sewage discharge.

3867 IRMA Reimbursement

Reimbursement from the Intergovernmental Risk Management Association for insurance claims filed by the Village.

Organization Structure

WATER

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

The Water Division is part of the Public Works Department. This department is under the direction of the Director of Public Works, Superintendent of Public Works and the Water Division Foreman. Additional staff includes one Utility Worker IV, two Utility Worker III, one Utility Worker II, one Maintenance Worker III, three Maintenance Worker II, one Utility Worker I, and two part-time summer helpers. This budget provides funds for water billing staff under the Finance Department. This budget also provides partial funding for clerical and administrative staff.

Water Supply

Responsibilities include operations and maintenance of the potable water supply from six standby wells and five pressure adjusting stations for receiving Lake Michigan water and two booster pumping stations. Regulate all chemical feeding as required by the IEPA, assure monthly microbiology sampling, quarterly Trihalomethane samples, volatile organic samples and monthly lead and copper samples. Handle customer complaint calls and perform tests on customer water at the tap. Perform maintenance on pumps, motors, chemical feeding equipment, and water facilities, buildings, and grounds. Maintain 180 miles of water main, 2,350 hydrants, over 1,000 valves and 11,000 water services. Repair water main breaks and other underground water leaks. Maintain the backflow and cross connection program to decrease the number of water customers that need to come into compliance and annually test those that are in compliance.

Annual Water Quality Report

A Water Quality Report is prepared every April and put on the Village of Addison website. A card is mailed out to all customers in the Village giving the web address to view the report online. This is done to keep the community current on the quality of our drinking water. Addison receives all its water through the DuPage Water Commission (DWC) who receives it directly from the City of Chicago Jardine water filtration plant located near Navy Pier.

The Village of Addison Water Division samples and monitors the water from the entire water distribution system every month as mandated by the Safe Drinking Water Act (SDWA).

Water Metering

Responsibilities include installing, testing, and rebuilding water meters. Trouble-shoot meters on high bill complaints and leaky meters in homes. Organize large meter testing, which is performed by an outside firm and one Village staff. Perform water service turn offs for non-payment of bills and for plumbing repair work. Install the new Automatic Meter Reading (AMR) system devices.

Utility Locating

The Water Division is responsible to locate all Village utilities when requested thru J.U.L.I.E.; this means responding to as many as 2,500 locate requests per year.

Narrative (Cont'd)

FY 2016-17 Key Objectives

Strategic Priority 4: Infrastructure

b. Improved reliability - hard infrastructure

- Continue the annual water main replacement program, which was implemented in 1989.
 - Replace the Water main on Army Trail Road, JFK east to the cul de sac.
- Replace and increase the size of the water main under I-290 that supplies the Oak Knoll subdivision.
- Continue to maintain the Village standby wells to meet the DWC and the IEPA requirements.
 - Refurbish well #8.
- Replace existing soft start system which controls the potable water pump drives with a VFD (variable frequency drive) system. The VFD system will save energy while controlling the pump output rates to match the system demand.
 - Install VFD system at the Fullerton Booster Station
- Upgrade the last of the 3 ITRON collectors to 5.1 with a gain antenna. These collectors receive the input from the water meters and send it to our collection system.
- Continue fire hydrant painting, ¼ of the town per year.
- Repair control valves at the Vista Avenue Pressure Adjusting Station which control the water flow through and around the station.
- Continue annual megs, amps and infrared inspection of the booster stations and wells.
- Continue the load bank testing of all the standby power.

Strategic Priority 6: Employee Development

a. Fully trained and capable employees

- Utilize training and seminars for continuing education hours which are required by the IEPA to keep the Public Water Supply Operators' license current.
- Continue to utilize seminars and training for current supervisors and for possible future supervisors.

Organization Structure

SEWER

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

The Sewer Division of Environmental Services functions under the direction of the Director of Public Works, Superintendent of Environmental Services, and Sewer Division Foreman. This division employs two Public Maintenance Worker III, one Public Maintenance Worker II, four Public Maintenance Worker I, and two part-time summer helpers. The division is responsible for the operation and maintenance of all sanitary and storm sewer collection and conveyance systems and related pumping facilities within the corporate limits. The division also assists the Engineering Division with mitigation of Inflow & Infiltration (I&I) and rear yard drainage. The sewer budget also provides partial funding for clerical and administrative staff.

Sanitary Sewer System

Within its boundaries the Village has over 120 miles of sanitary sewers of various sizes to include 2,500 manhole structures. The design of the system also mandates that eleven lift stations be employed to elevate the wastes due to topography differences.

Storm Sewer System

Within its boundaries the Village also has 73 miles of storm sewers of various sizes. On this system there are 1,400 manholes and over 2,200 inlets of numerous types and sizes. As all storm conveyance systems discharge to an open waterway of some type, the division also maintains three storm water pumping stations and one dam and pump station.

FY 2016-2017 Key Objectives

Strategic Priority 4: Infrastructure

- Continue the ongoing replacement of new lift station generators and SCADA alarm installation.
- Reduce unscheduled repairs by 25% with the addition of a truck-mounted mainline sewer camera.
- Review infrastructure needs and develop priority projects after an assessment of the collection system related to our permit condition Capacity, Management, Operations and Maintenance (CMOM).
- Perform cleaning of large diameter sewers in order to prevent loss of capacity in the system.

Strategic Priority 6: Employee Development Initiative

- Utilize onsite training and offsite education to have employees fully trained and capable to receive a Certificate of Competency as a Collection System Operator through the IEPA.

Narrative (Cont'd)

WATER POLLUTION CONTROL

Organization Structure

WATER POLLUTION CONTROL

Narrative

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

Environmental Services Division

This department is under the direction of the Director of Public Works, Superintendent of Environmental Services and the various Division Foremen. Environmental Services is a multi-faceted division of Public Works consisting of the Water Pollution Control Division and the Sewer Division. These divisions are specifically designed to deal with the responsibilities of storm water collection and conveyance, wastewater collection and conveyance, advanced wastewater treatment, bio-solids treatment and disposal, solid waste collection and disposal and Addison's recycling program. In addition, Environmental Services investigates and mitigates air, noise and land pollution issues, along with the many other miscellaneous environmental services and issues that occur. This budget also provides partial funding for clerical and administrative staff.

Water Pollution Control Division

The Water Pollution Control Division is responsible for the treatment of over two billion gallons of municipal wastewater annually, exceeding the levels set forth in the Federal NPDES Permits. There are two wastewater treatment facilities which function under the direction as described above.

The North Facility is a 5.3 MGD Secondary, Activated Sludge Plant with nitrification process and storm water pumping/treatment capabilities located on Addison Road at the I-290 overpass. The facility is staffed by four IEPA licensed wastewater operators, one operator trainee, and one public maintenance worker III.

The A.J. LaRocca Facility is a 3.2 MGD Secondary, Activated Sludge Plant with nitrification process and combined sewer overflow pumping/treatment capabilities located on Villa Avenue just north of Fullerton Avenue. This plant is staffed by four IEPA licensed wastewater operators, one electrician/operator, and one public maintenance worker III.

The two facilities, utilizing various screening, settling, biological, and filtering techniques separate the organic and inorganic solids found in the raw wastewater. The solids are removed and retained for processing of the organics before proper disposal and the removal and disposal of inorganics. The clear liquid portion of the wastewater (effluent) is chlorinated and then de-chlorinated prior to discharge into Salt Creek.

Laboratory & Technical Services Division

The Laboratory and Technical Services Division is responsible for the testing of all Addison wastewater, storm water, and bio-solids. The laboratory facility is located at the North Facility and consists of one laboratory supervisor, two laboratory technician II and two lab technicians I. This division is also assigned the task of tracking, sampling, reporting, monitoring, and environmental enforcement within the industrial community. The division is responsible for all National Pollutant Discharge Elimination System (NPDES) permit testing.

WATER POLLUTION CONTROL

Narrative (Cont'd)

Laboratory & Technical Services Division (Cont'd)

In addition, field staff investigates all instances of air, noise, and land pollution, and perform code enforcement activities for all environmental laws. This division also shares, along with the Engineering Division, the duties and responsibilities of the Municipal Separate Storm Sewer System (MS4) permit from Illinois EPA. The Federal Pretreatment Program mandates that all industrial dischargers be monitored for quantity and quality of generated wastes and pollutants.

FY 2016-17 Key Objectives

Strategic Priority 4: Infrastructure

- Secure funding and contracts necessary with qualified engineering/consultant firms to establish guidelines and objectives in several environmental areas as required in the most recent NPDES permit incorporated in the facility plan.
- Improve reliable infrastructure by replacing screw pumps annually at the North Wastewater Facility which will alleviate unscheduled repairs by 25%.
- Start annual SCADA system upgrade at the North Wastewater Facility to improve productivity via technology to monitor and operate facility.
- Replace several valves at the facilities for a more reliable infrastructure improvement.
- Continue our involvement with the Salt Creek/DuPage River Watershed Group in an effort to acquire additional monitoring analysis from numerous sampling points along the watershed prior to “Total Maximum Daily Loading” implementation.

Strategic Priority 6: Employee Development

- Hire a fully trained electrician to help with the ongoing electrical issues associated with both wastewater facilities and to meet new OSHA codes NFPA-70 E standards, with Arc Flash.
- To utilize offsite education and onsite training to have employees fully trained and capable to complete a Certificate of Competency as a Wastewater Operator through the IEPA.

WATER POLLUTION CONTROL

FLEET SERVICES

Narrative

Fleet Services is an Internal Service Fund and an operating unit of the Public Works Department. The department operates under the direction of the Director of Public Works, Superintendent of Public Works and the Fleet Services Foreman. Additional staff includes two Mechanic I, one Mechanic II and one Clerk/Typist. The customers of Fleet Services are the vehicle and equipment users employed by all departments of the Village of Addison and the Addison Fire Protection District.

Funded by charging for all services and goods provided to its customers. All rates are based on break-even (zero-profit) funding. Support services are provided for approximately two hundred (200) vehicles and other equipment, twenty two (22) Lift Stations, Well Houses, Pumping Stations, and Standby Generators owned by the Village of Addison and twenty (20) vehicles and equipment owned by the Addison Fire Protection District. Additional vehicles and equipment owned by other taxing bodies within the Village of Addison receive fueling services.

DESCRIPTION OF DEPARTMENTAL ACTIVITIES

Core Services

- Fleet asset management
- Procurement of vehicles and equipment
- Storage and dispensing of fleet fuels, repair and maintenance services
- Vehicle replacement fund management

Functions

- Manages the procurement of all Village vehicles to ensure cost effectiveness.
- Maintains a fleet replacement schedule to minimize ownership costs.
- Provides specifications for vehicle procurement in a manner which maximizes vehicle utilization.
- Provides a quality preventative maintenance program and schedule to ensure reduced operating costs.
- Provides a quality vehicle and equipment repair service.
- Provides efficient equipment utilization through reduction of equipment downtime.
- Participates in A.S.E. certification programs.
- Manages Village fuel purchase and usage.
- Manages automated fuel dispensing for Village equipment and other designated entities, 24 hours a day, 7 days a week.
- Manages tire and parts inventory.
- Manages vehicle replacement fund and internal service fund recommendations.
- Manages and maintains titles and license plates for all fleet vehicles.
- Manages vehicle and fleet equipment disposal.
- Assists the Risk Manager on insurance claims.

FLEET SERVICES

Narrative (Cont'd)

DESCRIPTION OF DEPARTMENTAL ACTIVITIES (Cont'd)

Functions (Cont'd)

- Fleet coordinates the following external services:
 1. Paint and body repair
 2. Transmission repair/rebuild
 3. Heavy duty suspension service
 4. Glass replacement
 5. Warranty repairs
- Furnish pool vehicles to meet customers' needs while their vehicle is being serviced.
- Provide roadside assistance or arrange towing 24 hours a day, 7 days a week for village vehicles or equipment.

FY 2016-17 Key Objectives

Strategic Priority 4: Infrastructure

1. Continue to maintain and operate all underground fuel storage tanks, pumps and associated piping and electrical, so as to minimize down time to our customers. Our customers include the Fire and Police departments, School Districts, Park District and Public Works.
2. Continue with the annual Equipment Replacement Fund. Working with all the individual divisions to make sure we purchase vehicles that are properly equipped to handle all the different job tasks associated within a division.
3. Continue using CFA and Petrovend systems to track and schedule preventative maintenance to minimize unscheduled downtime for all the above mentioned departments.
4. Continue to update and upgrade the equipment used in Fleet Services to meet the needs of the existing vehicles as well as the changing requirements placed on the newer vehicles due to technological advancements.

Strategic Priority 6: Employee Development

1. Utilize training and seminars for continuing education, which will aid in helping the mechanics keep their ASE certifications current.
2. Utilize seminars and training for current supervisors and for possible future supervisors.

INFORMATION TECHNOLOGY

Narrative

Description of Departmental Activities

The Information Technology Manager, who is assisted by the Systems Coordinator, Network Administrator, and the G.I.S. Administrator, provides internal computer and telephone services to all operating departments in the Village of Addison. Services provided include, but are not limited to, the management of the Village's information technology including the Village's computer network, telephone system, software and hardware maintenance, network based technologies, and coordination with outside vendors for software and hardware maintenance, upgrades, and service provisions not otherwise provided by this department.

Data Processing

Under the direction of the Village Manager, the Information Technology Manager and staff are responsible for the operation and maintenance of all computers, telephones, and networked systems installed in the Village of Addison. The primary responsibility of this unit is to maximize the technology availability and access to a stable, dependable, and secure information processing system throughout the Village. Areas of responsibility include, but are not limited to, the following:

- | | |
|-------------------------------------|---------------------|
| *Systems Management and Development | *System Security |
| *Hardware and Software Maintenance | *Project Management |
| *Project Development | *Programming |
| *User Training Programs | *G.I.S. |

FY 2016-17 Key Objectives

Strategic Priority 4: Infrastructure

1. Improve employee efficiency
 - Continue to enhance the paperless office concept
 - Increase usage of the internet as a tool
 - Foster growth of the G.I.S. system
 - Upgrade or replace existing legacy programs
 - Increase usage of Unified Communications
2. Improve hardware efficiency
 - Continue replacement of laptop computers
 - Continue using consolidation and virtualization to upgrade servers
 - Upgrade communications between facilities
 - Continue 20% annual desktop replacement program
 - Finish replacing digital phones with IP based system

INFORMATION TECHNOLOGY

Narrative (Cont'd)

FY 2016-17 Key Objectives (Cont'd)

Strategic Priority 4: Infrastructure (Cont'd)

3. Improve system security

- Continue to monitor and close security threats
- Continue off-site backup software
- Enforce employee Mobile Device usage policy
- Develop Mobile Device Management to limit security threats

4. Improve service to stakeholders

- Use Active Directory for password consolidation
- Continue training for IT staff
- Maintain existing service contracts
- Complete upgrading of communications system
- Begin development of department operational manual
- Complete SAN project

Performance Measures

	FY 14-15 ACTUAL	FY 15-16 ESTIMATE	FY 16-17 PROJECTION

Personnel Summary

<u>Position Title</u>	<u>Current Authorized</u>	<u>Fiscal Year 2016-2017</u>	<u>Fiscal Year 2017-2018</u>	<u>Fiscal Year 2018-2019</u>	<u>Fiscal Year 2019-2020</u>
Authorized & Budgeted:					
Information Technology Manager	1.00	1.00	1.00	1.00	1.00
Systems Coordinator	1.00	1.00	1.00	1.00	1.00
Senior Network Administrator	1.00	1.00	1.00	1.00	1.00
PC Tech/Helpdesk II	1.00	1.00	1.00	1.00	1.00
Civil Engineer II	0.20	0.20	0.20	0.20	0.20
Total Budgeted:	<u>4.20</u>	<u>4.20</u>	<u>4.20</u>	<u>4.20</u>	<u>4.20</u>
Authorized & Unbudgeted:					
GIS Administrator	<u>1.00</u>				
Subtotal:	<u>1.00</u>				
Total Authorized:	<u>5.20</u>				

Note: Page 31 summarizes Employee Allocation Between Departments

In 2010 & 2011, the Village offered a Voluntary Separation plan to avoid layoffs. A civil engineer has taken over some of the GIS Administrator duties; in turn, the Village has allocated 20% of this position to this department. The GIS Administrator position will remain unbudgeted until funding is available.

INFORMATION TECHNOLOGY

Expenditure Summary

<u>Operating Expenditures</u>	2015-2016 Estimate	2016-2017 Budget	2017-2018 Budget	2018-2019 Budget
Personal Services	564,400	640,400	663,000	686,100
Services & Charges	490,700	455,700	562,400	469,400
Supplies & Materials	34,200	38,300	38,300	38,300
Capital Outlays	97,500	90,000	90,000	75,000
Transfers Out	0	0	0	0
Total	1,186,800	1,224,400	1,353,700	1,268,800

The sharp increase in Personal Services in FY 10, followed by a sharp decrease in FY 11 is due to the results of the Village's Voluntary Separation Incentive Plan offered in FY 10. One staff member took advantage of the plan. That position will remain open until further notice.

EQUIPMENT REPLACEMENT FUND (ERF)

Narrative

This fund accounts for the pay-as-you-go purchase and replacement of Village vehicles and equipment costing in excess of \$10,000. Monies are transferred annually from individual operating funds to the ERF based on the Fleet Services' estimates of replacement cost and replacement date. This fund was established in FY 2003 with a transfer from the Water and Sewer Fund. General Fund vehicles were added in FY 2005 using partial proceeds of the \$7,500,000, 2004 General Obligation Bond. The 2004 G.O. Bond has been refunded by the 2012 G.O. Refunding Bond issue. The purpose of this fund is to smooth out annual vehicle and equipment expenses and to provide a solid funding plan for these replacements.

EQUIPMENT REPLACEMENT FUND (ERF)

Notes

Revenues

3900 Transfers In

Transfers In are based on calculating a future replacement cost for each vehicle or piece of equipment. This amount is spread across the life of the item on a straight-line basis. Each year, credits will be made for interest earned on monies held in the fund, and credits or debits will be made for the difference between the actual replacement cost versus the estimated cost.

DEBT SERVICE FUND

Narrative

The Village is a home-rule community and is presently not subject to debt limitations. The Village has maintained a conservative philosophy on issuance of debt to minimize the potential long-term effect on Village property taxes. We have generally relied on internal fiscal management and future planning to address capital needs. For further details on the Village's debt policies see the Capital Improvements Programs/Debt Summary section of the budget.

The Village is very proud of their bond rating which has steadily improved over the last twelve years. The Village is rated "AA+" by Fitch and "AA" by Standard & Poor's. Both rating agencies cited the steady growth in the Village's tax base, and a solid track record of financial operations, and supporting revenue raising flexibility. These higher bond ratings improve the marketability of future debt issuance and provide lower interest rate costs to the Village.

Illinois EPA Loan 1 – \$6,457,340 issued in 2015. Semi-annual installments at 1.93% simple interest. This loan was used to replace/rebuild six Sewer Lift Stations that ranged in age from 30-40 years old in addition to work at both the Addison North and Addison South AJ La Rocca Wastewater Treatment Plant.

Series 2006 A - \$3,075,000 General Obligation (GO) Refunding Bond. This bond refunded the 2005 issue and is paid with part of the .25% Sales Tax Increment that was established to fund the 1995 issue that the 1997 and 2005 issues partially refunded.

Series 2006 C - \$6,900,000 GO Bond. This issue is for the construction of a new Library. This bond will be paid with part of the .25% Sales Tax Increment that is available now that the 1995 and 1997 issues have been refunded and restructured. This was refunded in 2015.

Series 2007 - \$6,100,000 General Obligation Bonds. This issue is for the construction of a new Library. This bond will be paid with part of the .25% Sales Tax Increment that is available now that the 1995 and 1997 issues have been refunded and restructured. This was refunded in 2015.

Series 2008 - \$6,015,000 General Obligation Refunding Bonds. This issue is to refund the remaining portion of the 1998 General Obligation Bond which was used to construct a new Village Hall. This bond will be paid with part of the .25% Sales Tax Increment that was established to fund the 1998 issue.

Series 2010 - \$3,500,000 Taxable General Obligation Bonds. This issue is for the purchase and renovation of the old Driscoll High School property. This bond will be paid by property taxes.

Series 2011 - \$2,835,000 General Obligation Refunding Bonds. This issue is to refund the remaining portion of the 2002 General Obligation Refunding Bond. This bond is paid for with part of the .25% Sales Tax Increment.

Series 2012 - \$3,985,000 General Obligation Refunding Bonds. This issue is to refund the remaining portion of the 2004 General Obligation Bond. This bond will be paid by property taxes.

DEBT SERVICE FUND

Narrative (Cont'd)

Series 2015 - \$8,995,000 General Obligation Refunding Bonds. This issue is to refund a portion of the 2006C and 2007 General Obligation Bonds. This bond will be paid with part of the .25% Sales Tax Increment.

Illinois EPA Loan 2 – \$1,641,892 issued in 2015. Semi-annual installments at 2.21% simple interest. This loan was used to continue work at various water treatment facilities.

Debt Schedules

Schedules of the outstanding principal and interest for each bond issue and the IEPA loan are presented after the Debt Service Funds revenue and expenditure budget.

* 2016 G.O. PROJECTED

It is anticipated that a \$11,500,000 General Obligation Bond will be issued late in calendar 2016 to be used for construction of the Addison Consolidated Dispatch Center and other capital projects. The numbers included here and in the CIP/Debt Service section are estimates. The actual may be higher or lower depending on interest rates on the sale date.

Note: For cash flow purposes during the entire year, the Village is working to reach a fund balance that is 50% of the debt payments as of April 30th of each year.

Details for the proposed 2016, \$11.5M, G.O. Bond have not been included as the debt has not been issued yet.

CAPITAL FUNDS

Narrative

(40) Capital Projects Fund

The Capital Projects Fund was established to ensure that the Village infrastructure is maintained or replaced to meet an acceptable level and to account for the acquisition, construction or replacement of fixed assets of governmental funds, with fund revenues coming from transfers from the General Fund.

(42) Redevelopment Fund

The Redevelopment Fund was established with the proceeds from the 1995 G.O. bond issue to account for redevelopment projects throughout the Village.

(44) Public Building Fund

The Public Building Fund was established with the proceeds from the 1996 G.O. bond issue and the 1998 G.O. bond, to account for the construction/renovation of the new Public Works, Village Hall/Police, and other public facilities.

(45) TIF #1 Fund

The TIF #1 Fund was established in 1994 to pay for infrastructure and housing improvements within Tax Increment Financing District (TIF) #1, known as the Army Trail/Mill Road redevelopment area. The district was closed the end of 2014, two years early.

(46) TIF #2 Fund

The TIF #2 Fund was established in 1994 to pay for infrastructure and housing improvements within Tax Increment Financing District (TIF) #2, known as the Michael Lane redevelopment area. Future expenditures are included that will fulfill the requirements of a consent decree.

CAPITAL FUNDS

Narrative (Cont'd)

(47) TIF #3 Fund

The TIF #3 Fund was established in FY 2007 to pay for infrastructure and development improvements within Tax Increment Financing District (TIF) #3, known as the Town Center redevelopment area. The General Fund advanced monies for the purchase of property to be sold at a later date. Both the General and Redevelopment Funds will advance funds to cover expenses in TIF #3 as needed. In addition, funds can be transferred from the adjoining TIF #2 fund, if needed. As property tax increment revenues are received in the TIF funds, a balance sheet adjustment is made to increase cash and decrease the due from TIF funds amount in the General and Redevelopment Funds.

(48) TIF #4 Fund

The TIF #4 Fund was established in FY 2008 and covers a blighted area on Fullerton Avenue. The district was closed the end of 2014, sixteen years early.

Note: Due to the timing and nature of these funds, a five-year budget presentation is shown.

CAPITAL PROJECTS FUND

Notes

Revenues

3410 Grants – Federal

The Hazard Mitigation Grant Program (HMGP) administered by the Federal Emergency Management Agency (FEMA) assists the Village in purchasing approximately 14 flood-prone homes from the 2008 and 2010 floods. The HMGP grant pays 75% of the costs and the Village is required to contribute the remaining 25%.

3420 Grants – State of Illinois

The Illinois Department of Commerce and Economic Opportunity (DCEO) administers a grant that could assist the Village in funding the remaining 25% of the purchase of approximately 14 flood-prone homes from the 2008 and 2010 floods.

3899 Miscellaneous Revenue - ETSB Reimbursement

Funds from the ETSB to offset costs of adding space in the new Addison Consolidated Dispatch Center (ACDC), to serve as a backup facility for Du-Comm.

3992 Transfer from Debt Service

Transfer of funds from a GO Bond that will be issued to pay for the new ACDC facility.

Expenditures

4572 & 4584 FEMA & State 08 & 10

These accounts are for the purchase of approximately 14 flood-prone homes from the 2008 and 2010 floods. These properties will be demolished and become open space.

4601 ACDC Expansion

The Addison Consolidated Dispatch Center is in the process of expanding the communities it will be providing service to. Plans for a new ACDC facility are underway. It is anticipated the building of the facility will begin mid Fiscal 2017.

4992 Transfer to Debt Service

Transfer of funds to Debt Service to offset the payment on the ACDC GO Bond.

PUBLIC BUILDING FUND

Notes

Revenues

3031 Sales Tax Increment

A home rule sales tax of .25% was passed in 1996 to cover the debt service issued to fund the building of a new Public Works Facility and a new Village Hall.

3942 Transfer from Redevelopment Fund

This transfers the balance in the Redevelopment Fund to the Public Building Fund.

Expenditures

4404 Public Works Facility

This accounts for maintenance and upgrades to the building and storage areas.

4405 Village Hall/Police Facility

This accounts for renovations and maintenance to the Village Hall.

4413 Historical Buildings

This accounts for renovations and additions to the historical district.

4537 Sewer and Wastewater Facilities

This accounts for renovations and repairs to the sewer and wastewater facilities.

4910 Transfer to General Fund

Transfer of funds to assist with various repairs and maintenance projects for Village Hall and the Police Facility.

4992 Transfer to Debt Service

Transfer of sales tax increment to debt service to cover repayment of the bonds issued for the construction of the Public Works facility and the Village Hall.

(BLANK)

TIF #1 FUND

Narrative

This fund is used to pay for infrastructure and housing improvements within Tax Increment Financing District (TIF) #1, known as the Army Trail/Mill Road redevelopment area. This area encompasses 62 acres and includes vacant property and distressed commercial and multi-family properties. TIF #1 was established in 1994 as an economic development financing tool that uses the property tax base to provide funding for qualifying public projects within the redevelopment area. Property tax revenues received in the base year (1994), versus the increased property taxes received in subsequent years after improvements are made, results in a property tax increment which is used to finance public improvements.

TIF projects are typically financed through a pay-as-you-go mechanism or through issuing debt based on future property tax increment revenue streams.

The final project in this TIF District was completed in FY 2015. This TIF was closed, monies for final bills to be sent by the State at a future time was transferred to the Redevelopment Fund for future payment. The remaining balance of \$1,386,564 was returned to DuPage County, which in turn forwarded the excess to the affected taxing bodies.

TIF #2 FUND

Narrative

This fund is used to pay for infrastructure and housing improvements within Tax Increment Financing District (TIF) #2, known as the Michael Lane redevelopment area. This area encompasses 55 acres and includes commercial retail centers along with multi-family dwellings. TIF #2 was established in 1994 as an economic development financing tool. (See TIF #1 narrative for a brief description of TIF's). To date, there has been limited activity in TIF #2. Future projects will depend on the cash flow from property tax increment revenues. This TIF will expire in October, 2017.

This TIF will expire in October, 2017.

Notes**Revenues****3006 Property Tax Increment**

This account represents the difference between the 1994 base year versus current year property tax valuation. The increment receipts are due to normal building assessment increases from year to year. There have been no major developments in the Michael Lane TIF #2 at this time.

Expenditures**4199 Other Services & Charges**

Includes Village funds for façade improvements and auditing fees associated with the annual audit and preparation of the TIF reports.

4947 Transfer to TIF #3

Transfer of funds to the adjoining/adjacent TIF district for Economic Development.

(BLANK)

TIF #3 FUND

Narrative

This fund is used to pay for infrastructure and development improvements within Tax Increment Financing District (TIF) #3, known as the Town Center redevelopment area. This area encompasses approximately 125 acres and includes primarily commercial retail centers along with limited residential dwellings. The Village Board established this TIF District in mid FY 2007. (See TIF #1 narrative for a brief description of TIF's). The Redevelopment Fund will advance funds as it did with TIF #1 and TIF #2. In addition, the General Fund advanced funds to purchase a vacant commercial/industrial property to bank the land. When surrounding properties become available, the Village will sell the parcel for use as outlined in the Town Center Plan. It is anticipated that the remainder of the loan from the General Fund will be repaid when the property is sold, or at such time the incremental tax funds are not needed to stimulate development according to the TIF #3 plan. As property tax increment revenues are received in the TIF fund, a balance sheet adjustment will be made to increase cash and decrease the due from TIF funds amount in the General and Redevelopment Funds – excluding the loan from the General Fund. It is anticipated that the majority of development in this district will come from private funding sources.

Expenses**4101 Professional Services – Auditing**

Auditing fees associated with the annual audit and preparation of the TIF reports.

4538 Green Meadow Redevelopment

Improvements to the Green Meadow Shopping Center, John's Plaza and the Village Green.

(BLANK)

TIF #4 FUND

Narrative

The TIF #4 Fund was established in FY 2008 and covers a blighted area on Fullerton Avenue. TIF #4 was expected to enter into a redevelopment agreement with a local developer and provide incentives to mitigate poor soils in the area; however, with the downturn in the housing market, no agreements are expected in the near future.

This fund was closed in FY 2015, sixteen years early.

NOTES

Revenues

3006 Property Tax Increment

Represents the difference between the 2008 base year versus current year property tax valuation. The increment receipts are due to normal building assessment increases from year to year. There have been no major developments in the Fullerton TIF #4 at this time.

POLICE PENSION FUND

Narrative

This fund provides retirement, disability, and death benefits to all eligible members of the Police Pension Fund by investing funds to maximize interest earnings, while preserving the safety and liquidity of the Fund's investments. The Police Pension Fund assets are governed by an independent Board consisting of five members.

Police sworn personnel are covered by this plan. Although it is a single-employer pension plan, the defined benefits and employee and employer contribution levels are governed by Illinois Compiled Statutes (40 ILCS 5/3 -1) and may be amended only by the Illinois Legislature. The Village accounts for the plan as a pension trust. The State passed legislation that became effective with new hires after 1/1/11 whereby a second tier of participants has been added. The State Statute limits the type of investments and the weight of those investments within the fund.

POLICE PENSION FUND

Notes

Expenditures

4014 Pension Payments

Budgeted amounts are based upon scheduled monthly pension payroll payments.

4101 Professional Services – Accounting/Auditing

This line item includes the annual actuarial report fees which previously were included in account 4110.

4103 Professional Services – Legal

This line item includes the fees for legal services during the year.

4110 Technical & Consulting Services

This line item includes the investment advisor and account manager fees. Fees for services for maintaining minutes and the various pension files are also included.

4880 Investment Fees

This line item includes fees paid to the State based on the value of the fund.

4901 Transfer to General Fund

Payment to the Village for assuming the duties of tracking individual pension accounts and preparing the pension fund's annual report to the Illinois Department of Insurance.

(BLANK)

MOTOR FUEL TAX FUND

Narrative

This fund accounts for the maintenance and improvement of Village-owned streets. Financing is provided by the Village's share of State Motor Fuel Tax allotments, federal grants, and beginning January 1, 2012, a .25% home-rule sales tax. State law requires Motor Fuel Tax allotments be used to maintain streets.

MOTOR FUEL TAX FUND

Notes

Revenues

3031 Home Rule Sales Tax

The Village passed a .25% home rule sales tax effective January 1, 2012 to fund continuing road improvements.

3060 Motor Fuel Tax

This tax is collected by the State and shared with local governments to be used for the construction and maintenance of highways. All municipal funds are distributed on the basis of population.

Expenditures

4401 Street Maintenance Program

This account represents the annual program to reconstruct or repave local streets. A recent analysis of street conditions has estimated annual replacement cost at \$1.04 million annually, as funding is available.

4416 Swift Rd Resurface and Swift Road Phase II

A road project with the State as lead. Phase II includes funding for engineering.

4459 MFT Sidewalk Program

Funding for sidewalk replacement on streets that are included in the annual replacement.

4479 Sidewalk Program

Annual Program to replace aging and trip hazard sidewalks.

4573 Ardmore

Final payment on road project to improve local road.

4575 ADA Sidewalk Compliance

Annual program to bring sidewalk intersections into ADA compliance.

4585 Kings Point Patching Program

Balance of Kings Point Road patching program started in FY 2015.

(BLANK)

COMMUNITY DAYS FUND

Narrative

This fund was established to account for revenues and expenditures of the annual Community Days festival. For over 25 years, Community Days was held at the Village Hall and was previously sponsored by the Community Council of Addison, a local not-for-profit organization. The event was cancelled in 2006 due to the reconstruction of Lake Street. In addition, the Community Council informed the Village that it was disbanding due to a loss of volunteers. In 2006, the Village Board appointed a new Special Events Commission, to work with the Village on reorganizing the festival. The new Community Days festival featured upgraded entertainment, similar to that offered by neighboring communities. The Village received corporate sponsorships to pay for some of these increased costs.

Due to the economic downturn and uncertainty of the timing of the rebound, the Board cancelled Community Days in 2009 and in 2010. Although this fund was created to record the operations of Community Days, it was used for other Community Events that were planned. Fiscal 2011 and 2012 included a Circus that the Village hosted. Local civic organizations sold tickets with a portion of the proceeds of the tickets going back to the organization that sold the ticket.

The Board has included budgeted funds in the General Fund Community Relations Department for the weekly summer events which include music, food and special event nights such as car and motorcycle shows and a battle of the bands. These events are free to the community (except food and beverage purchases from local vendors) and are well attended.

GLOSSARY OF TERMS

The Annual Budget and Financial Plan contains specialized and technical terminology that is unique to public finance and budgeting. To assist the reader of the financial plan document in understanding these terms, a glossary has been included in the document.

Agency Fund - A fund established to account for assets held by the Village as a collection of paying agent; for individuals, private organizations, other governmental units or other funds.

Accrual Basis - A basis of accounting in which revenues are recognized in the period in which they are earned and become measurable; expenses are recognized in the period incurred, if measurable.

Appropriations - A legal authorization made by the Village Board which permits the Village to incur obligations and to make expenditures for specific purposes.

Appropriation Ordinance - The official document adopted by the Village Board to establish a legal limit of Village expenditures or obligations for a specific time period.

Assessed Valuation - A percent of appraisal value assigned to real estate and certain personal property for use as a basis for levying property taxes. In the Village of Addison the assessed valuation is 33% of appraised value.

Assets - Property owned by a government which has a monetary value.

Balance Sheet - A financial statement that discloses the assets, liabilities, reserves and balances of a specific governmental fund as of a specific date.

Bond - A written promise to pay a sum of money on a specific date at a specified interest rate. The interest payments and the repayment of the principal are detailed in a bond ordinance. The most common types of bonds are general obligation and revenue bonds. These are most frequently used for construction of large projects, such as buildings, streets and bridges.

Budget - A plan of financial operation embodying an estimate of proposed revenue and expenditures for a specific period of time (budget fiscal year).

Budget Adjustment - A legal procedure utilized by the Village staff and Village Board to revise the budget.

Balanced Budget - A budget in which estimated revenues equal estimated expenditures.

Budget Message - The opening section of the budget which provides the Village Board and the public with a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the Village Manager.

Budgetary Control - The control or management of a governmental unit or enterprise in accordance with an approved budget for the purpose of keeping expenditures within the limitations of available appropriations and available revenues.

Capital Assets - Assets of a long-term character which are intended to continue to be held or used, such as land, buildings, improvements other than buildings, machinery and equipment. The Village has established a level of \$1,000 for an item to be considered an asset; below \$1,000, the item is considered to be an operating expense. Assets with a value of \$5,000 or more are capitalized and depreciated.

GLOSSARY OF TERMS

(Cont'd)

Capital Expenditures/Outlay - Expenditures which result in the acquisition of or addition to capital assets.

Capital Improvements Program (CIP) - A plan for capital outlay to be incurred each year over a fixed number of years to meet the long-term capital needs of the Village.

Cash Basis - A basis of accounting in which transactions are recognized only when cash is increased or decreased.

Cash Management - The management of cash necessary to pay for government services, while investing temporary cash excesses in order to earn interest revenue. Cash management refers to the activities of forecasting the inflows and outflows of cash, mobilizing cash to improve its availability for investment, establishing and maintaining banking relationships, and investing funds in order to achieve the highest interest and return available for temporary cash balances.

Certificate of Deposit - A negotiable or non-negotiable receipt of monies deposited in a bank or financial institution for a specific period for a specified rate of interest.

Contingency - A budgetary reserve set aside for emergencies or unforeseen expenditures not anticipated.

Debt Service - The expenditure for principal and interest payments on loans, notes, and bonds.

Debt Service Fund - A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.

Deficit - (1) The excess of an entity's liabilities over its assets. (2) The excess of expenditures or expenses over revenues during a single accounting period.

Delinquent Taxes - Taxes that remain unpaid on and after the date on which a penalty for non-payment is attached.

Department - A major administrative division of the Village which indicates overall management responsibility for an operation or a group of related operations within a functional area.

Depreciation - Expiration in the service life of capital assets purchased within Internal Service and Enterprise Funds, to account for wear and tear, deterioration, action of physical elements, inadequacy or obsolescence.

Disbursement - Payment for goods and services by cash or check.

Encumbrance - The commitment of budgeted funds to purchase an item or service. To encumber funds means to set aside or commit funds for a future expenditure.

Enterprise Fund - A governmental accounting fund in which services provided are financed and operated similar to those of a private business--where the intent is that the costs (expenses, including depreciation or debt service payments) of providing goods and services be financed or recovered through user fees.

ERF – Acronym for the Village's Equipment Replacement Fund.

Estimated Revenue - The amount of projected revenue to be collected during the fiscal year. The amount of revenue budgeted is the amount approved by the Village Board.

GLOSSARY OF TERMS

(Cont'd)

E.S.D.A. Fund - A special revenue fund established to account for all operations of the Village's Emergency Services and Disaster Agency. This fund was eliminated in FY 1997-98.

Expenditure - Decreases in net total assets. Expenses represent the total cost of operations during a period of time regardless of the timing of the related expenditures. Note: An encumbrance is not an expenditure, but a reserve of funds to be expended.

Financial Plan - A multi-year, long-range approach to assessing the Village's revenue and expenditure needs which becomes the basis for formulating the annual budget which by law must be adopted. The plan is developed by utilizing existing policies, objectives, assumptions, and accepted benchmarks and activity measures.

Fiscal Year - The time period designated by the Village signifying the beginning and ending period for recording financial transactions. The Village of Addison has specified May 1 to April 30 as its fiscal year.

Full Faith and Credit - A pledge of the general taxing power of government to repay debt obligations (typically used in reference to general obligation bonds).

Fund - An accounting entity that has a set of self-balancing accounts and that records all financial transactions for specific activities or functions.

Fund Balance - The excess of assets over liabilities; also known as surplus funds.

Fund Type - In governmental accounting, all funds are classified into seven generic fund types: General, Special Revenue, Debt Service, Capital Projects, Enterprise, Internal Service, and Trust and Agency.

GAAP - Generally Accepted Accounting Principles. Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

General Fund - The fund used to account for all financial resources except those required to be accounted for in another fund.

General Obligation Bonds - Bonds that finance a variety of public projects such as streets, buildings, and improvements. These bonds are backed by the full faith and credit of the issuing government.

Grant - A contribution by a government or other organization to support a particular function. Grants may be classified as either categorical or block, depending upon the amount of discretion allowed the grantee.

HHRC – Henry Hyde Resource Center.

HUD – Department of Housing and Urban Development.

Illinois FIRST – The Illinois Fund for Infrastructure, Roads, Schools and Transit. A five-year \$6.3 billion package used to support capital projects throughout the state (2000-2005).

Infrastructure - The physical assets of the Village (streets, water, sewer, and public buildings).

Internal Service Fund - A fund used to account for the financing of goods or services provided by one department to another department on a cost reimbursement basis.

GLOSSARY OF TERMS

(Cont'd)

I.S.T.E.A. Grant - Intermodal Surface Transportation Efficiency Act is a federal grant, which provides 50% funding for the Army Trail: Mill - Lombard and the Resurfacing: Fullerton/Collins street projects in the Motor Fuel Tax Fund.

Levy - To impose taxes for the support of Village activities.

Liability - Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed, or refunded at some future date.

Long Term Debt - Debt with a maturity of more than one year after the date of issuance.

MGD – Million gallons per day.

Modified Accrual Basis - A basis of accounting in which revenues are recognized in the period they become available and measurable; expenditures are recognized in the period in which fund liability is incurred, if measurable.

Operating Budget - The portion of the budget that pertains to daily operations that provide basic governmental services. The operating budget contains appropriations for such expenditures as personnel, supplies, utilities, materials, travel and fuel.

Personnel Services - Costs related to compensating Village employees, including salaries, wages and benefits.

Property Tax - Property taxes are levied on real property according to the property's valuation and the tax rate.

Rider 28 - A charge applied to each kilowatt-hour, to recover the cost of special projects, in excess of standard work, that the local government has required ComEd to undertake. In this case, the special project is the burial of power lines on Lake St.

Revenue - Funds that the Village receives as income.

Revenue Bonds - This type of bond is backed only by revenues from a specific enterprise or project.

STP -Surface Transportation Program – A Federal grant, funding source, where the local share is 30% of construction cost of a road project. This funds programs in the Motor Fuel Tax Fund.

Special Assessment Area - A method used for the purpose of financing public improvements in a designated area. Although a portion of special assessment project costs are borne by a group of specifically benefited owners, the project usually has some value to the general public, in which case the general government may bear a portion of the project cost. The general government frequently pays for the entire project up front, and finances the cost through a bond issue. The individual owners in the special assessment area pay the general government their proportional share of the total owner cost. The payment is then used to cover annual debt service costs of the bond issue. Payments can be set up on a lump sum or a periodic basis.

Special Revenue Fund - A fund created when the Village receives revenue from a special source designated to be used for a specific purpose.

GLOSSARY OF TERMS

(Cont'd)

Special Service Area - A method used for the purpose of financing public improvements in a designated area. This is handled in the same manner as a Special Assessment Area, except that the individual owner's portions are paid through annual property tax assessments. (See also Special Assessment Area).

Sludge - The end product left after wastewater has been treated to reclaim effluent.

Tax Levy - The resultant product when the tax rate per one hundred dollars is multiplied by the tax base.

TIF - Acronym for Tax Increment Financing. This type of financing typically pays for infrastructure and capital improvements in a designated area or district. The difference in property tax revenues received in a base year versus the increased property taxes received in subsequent years after improvements are made, results in a property tax increment which is used to finance the improvements.

Working Cash/Capital - The excess of current assets over total current liabilities.
